REMARKS

Attached for your review, approval and payment is the move claim for Melissa Dixon for moving of her personal property storage building.

The invoice is \$250 higher than the estimate, this additional cost was to remove items that were located in the storage building in order to move the building, the original estimate did not include this and was just the cost to move the building.

The move was completed by Ford Transport.

The Displacee has requested that the payment be made directly to Matthew Ford.

We have verified that the storage building has been moved. All costs are reasonable and were necessary and we recommend approval and payment of this claim.

If you have any questions or need any additional information, please do not hesitate to call me at 512-922-5930.
