Terms and Conditions

This estimate is an invitation to you to purchase products and/or services from Mythics. Your order is subject to Mythics' acceptance and to applicable Oracle terms and conditions per reference to an existing agreement/contract or a newly excuted agreement accompanying your order.

By placing an order off this quote, You agree to grant Mythics read access to usage and cost report objects (only) for your tenancy(ies) which allows Mythics to access Your actual usage and any related charges of the metered billing cloud services ordered.

The services period for the cloud services commences on the date stated in this ordering document. If no date is specified, then the "Cloud Servcies Start Date" for each cloud service will be the date that the end user is issued access that enables the end user's cloud services (the "Cloud Services Start Date").

Annual Universal Credit and Additional Fees for Any Increased Usage/Capacity End User Terms

As described in the Oracle PaaS and IaaS Universal Credits - Service Descriptions document available at <http://www.oracle.com/contracts>, the following terms apply to your Oracle PaaS and IaaS Universal Credits.

Oracle allows You the flexibility to commit the "Annual Universal Credit" to be applied towards the future usage of eligible Oracle IaaS and PaaS Cloud Services specified in the rate card attached to Your order or as seen in the Cloud Portal, provided such Cloud Services are available in production release when ordered, at the fees specified in the rate card. The total Annual Universal Credits acquired under Your order (the "Total Credit Value") and the applicable Services Period for those credits will be as specified in Your order. An Annual Universal Credit amount must be used within its applicable yearly Credit Period during the Services Period and will expire at the end of that yearly Credit Period (typically 12 months or as specified in Your order); any unused amounts are non-refundable. The Total Credit Value will be decremented on a monthly basis reflecting Your actual usage for the prior month at the rates for each activated Oracle IaaS and PaaS Cloud Service as defined in Your order.

Overage

If at the end of any month during the Services Period, You have exceeded the applicable Annual Universal Credit amount, the Oracle Partner will invoice You for the excess usage of the Oracle IaaS and PaaS Cloud Service at the Overage Unit Net Price specified in the rate card of Your order or as seen in the Cloud Portal. Oracle will send invoices for the additional usage to the Oracle Partner at the Billing Contact provided to Oracle by the Oracle Partner. The Oracle Partner is responsible for all additional usage fees and such fees shall be payable to Oracle as stated in the applicable Oracle invoice. If You placed Your order for Annual Universal Credits through an Oracle Partner and the corresponding order between Oracle and the Oracle Partner provides that the Oracle Partner will be invoiced by Oracle for Your excess usage as described in the above paragraph, then You acknowledge that the Oracle Partner will receive information about, and will invoice You for, Your excess usage. You shall ensure that Your order with the Oracle Partner indicates whether You agreed to be invoiced by Oracle for Your excess usage in this manner. You may set quotas, alerts and use other monitoring tools within the Cloud Portal to assist You in managing and tracking Your usage.

Additional Services

If Oracle adds additional service offerings to the list of eligible Oracle IaaS and PaaS Cloud Services within Your Cloud Services Account during the Services Period, You may activate and use those service offerings and the discount will be applied based on the Cloud Service category discount specified in the rate card attached to Your order or as seen in the Cloud Portal. The development, release, and timing of any future features, functionality or service offerings remains at the sole discretion of Oracle Corporation.

Replenishment of Account at End of Services Period

At the end of Your Services Period, Oracle will convert Your Cloud Services Account to Pay as You Go ("PAYG Conversion") unless You replenish Your Annual Universal Credit amount, and you will be charged for the actual usage of all services that you activate and/or have activated within your Cloud Services Account based on Oracle's then current price list for such services, which can be found at https://cloud.oracle.com/en_US/ucpricing. Upon replenishment of Your Cloud Services Account, Oracle will no longer charge You at the Pay as You Go rate, and Your use of eligible Oracle IaaS and PaaS Cloud Services will be charged at the Unit Net Price specified in the rate card attached to Your order (via a New Order (as defined below) or a modification to your existing order) or as seen in the Cloud Portal. Upon the PAYG Conversion, You will be deemed to have a direct order with Oracle for the Cloud Services, subject to the terms of a valid master agreement with Oracle, or if such agreement has expired or was not entered into directly with Oracle, the then-current terms of Oracle's Cloud Services Agreement available for the country in which You are incorporated (or, if Oracle's invoice indicates a different Oracle entity, the country in which such Oracle entity is incorporated).

New Order

When placing an order for additional Oracle PaaS and IaaS Universal Credits (the "New Order") to increase the Credit Quantity of an existing order, unless stated otherwise in the New Order, the most recent rate card included in the New Order will supersede the rate card of the existing order. As such, You may be entitled to a higher Cloud Service Category Discount (as specified in the Rate Card Pricing Table in the New Order) for the remainder of the Services Period of the existing order and the New Order.

Roving Edge Parts. Roving Edge Infrastructure parts are limited-availability parts. This order is not eligible for any Roving Edge Infrastructure products or services, even if a Roving Edge part number is specified in the Rate Card of this order or seen in the Cloud Portal."

"End User Terms

Notwithstanding any statement to the contrary in the Service Specifications, You expressly agree that the Services acquired under this order will not auto-renew."

Data Center Region Availability for UCM

Platform and data center region availability information for Oracle Platform as a Service (PaaS) Cloud Services and for Oracle Infrastructure as a Service (IaaS) Cloud Services is provided on the Oracle Cloud Portal at <https://cloud.oracle.com/data-regions>."
