COUNTY OF WILLIAMSON §

**WILLIAMSON COUNTY
ADDENDUM
FOR
FEMA RELATED PURCHASES AND SERVICES
(Required FEMA Contract Provisions)**

THE UNDERSIGNED CONTRACTOR AGREES TO COMPLY WITH THE FOLLOWING FEMA REQUIRED CONTRACT PROVISIONS TO THE EXTENT THAT SUCH PROVISIONS ARE APPLICABLE UNDER THE CONTRACT DESCRIBED HEREINBELOW, WHICH IS BETWEEN CONTRACTOR AND WILLIAMSON COUNTY, TEXAS (“County”). CONTRACTOR AND COUNTY HEREBY AGREE THE CONTRACT SHALL BE AMENDED TO INCORPORATE THE TERMS AND CONDITIONS OF THIS ADDENDUM. AS AMENDED, THE CONTRACT SHALL REMAIN IN FULL FORCE AND EFFECT ACCORDING TO ITS TERMS AND CONDITIONS. THIS ADDENDUM SUPERSEDES ANY AND ALL PRIOR UNDERSTANDINGS AND AGREEMENTS, ORAL OR WRITTEN, RELATING TO THE SUBJECT MATTER. IN THE EVENT THERE IS A CONFLICT BETWEEN THE TERMS AND CONDITIONS OF THE CONTRACT AND THE TERMS AND CONDITIONS OF THIS ADDENDUM, THE FOLLOWING TERMS AND CONDITIONS OF THIS ADDENDUM SHALL CONTROL:

SECTION I. CONTRACT REQUIREMENTS

This Contract may be eligible for FEMA funding. FEMA requires inclusion of the following contract provisions for procurement under exigent or emergency circumstances. The Parties must comply with these provisions as a minimum. In the event of a conflict with other provisions in this Contract that address the same or a similar requirement, the provisions that are stricter and impose the greater duties upon Contractor shall apply.

SECTION II. REMEDIES FOR BREACH

In addition to all other remedies included in this Contract, Contractor shall, at a minimum, be liable to the County for all foreseeable damages it incurs as a result of Contractor violation or breach of the terms of this Contract. This includes without limitation, any cost incurred to remediate defects in Contractor’s services and/or the additional expenses to complete Contractor’s services beyond the amounts agreed to in this contract, after Contractor has had a reasonable opportunity to remediate and/or complete its services as otherwise set forth in this contract. All remedies provided for in this Contract may be

exercised individually or in combination with any other remedy available hereunder or under applicable laws, rules and regulations. The exercise of any remedy shall not preclude or in any way be deemed to waive any other remedy.

SECTION III. TERMINATION

- a. *Termination for Cause:* The County reserves the right to terminate the Contract for default if Contractor breaches any of the Contract specifications, terms and conditions, including warranties of the Contractor, if any, or if the Contractor becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies the County may have at law or in equity or as may otherwise be provided hereunder. Default may be construed as, but not limited to, failure to deliver the proper goods and/or services within the proper amount of time, and/or to properly perform any and all other requirements to the County's satisfaction, and/or to meet all other obligations and requirements.
- b. *Termination for Convenience:* The County may terminate the Contract for convenience and without cause or further liability, upon no less than thirty (30) calendar days written notice to Contractor. The County reserves the right to extend this period if it is in the best interest of the County. In the event the County exercises its right to terminate without cause, it is understood and agreed that only the amounts due to Contractor for goods, commodities and/or services provided, and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for the County's termination for convenience.

SECTION IV. EQUAL EMPLOYMENT OPPORTUNITY

- a. The following Section (Equal Employment Opportunity) is applicable for construction contracts.
 - i. Construction Work. The regulation at 41 C.F.R.§60-1.3 defines “construction work” as the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.
- b. During the performance of this Contract, the Contractor agrees as follows:
 1. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation,

gender identity, or national origin. Such action shall include, but not be limited to the following:

Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2. The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.
3. The Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.
4. The Contractor will send to each labor union or representative of workers, with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
5. The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
6. The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant

thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

7. In the event of the Contractor's noncompliance with the nondiscrimination clauses of this Contract or with any of the said rules, regulations, or orders, this Contract may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
8. The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, That if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the Contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of

the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a Contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.

- c. Violation; liability for unpaid wages; liquidated damages. In the event of any violation of the clause set forth in paragraph (b) of this section the Contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such Contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages.
