(Sauder Manufacturing, Co.)

Important Notice: County Purchase Orders and Contracts constitute expenditures of public funds, and all vendors are hereby placed on notice that any quotes, invoices or any other forms that seek to unilaterally impose contractual or quasicontractual terms are subject to the extent authorized by Texas law, including but not limited to the Texas Constitution, the Texas Government Code, the Texas Local Government Code, the Texas Transportation Code, the Texas Health & Safety Code, and Opinions of the Texas Attorney General relevant to local governmental entities.

THIS SERVICES CONTRACT (hereinafter “Contract”) is made and entered into by and between **Williamson County, Texas** (“County”), a political subdivision of the State of Texas, acting herein by and through its governing body, and **Sauder Manufacturing, Co.** (hereinafter “Service Provider”), both of which are referred to herein as the parties. Should the County choose to add services in addition to those described in **Exhibit “A,”** such additional services shall be described in a separate written amendment to this Contract wherein the additional services shall be described, and the parties shall set forth the amount of compensation to be paid by the County for the additional services. Service Provider shall not begin any additional services and the County shall not be obligated to pay for any additional services unless a written amendment to this Contract has been signed by both parties.

Service Provider represents that Service Provider (including Service Provider’s agents, employees, volunteers, and subcontractors, as applicable) possess all certifications, licenses, inspections, and permits required by law to carry out the services and work described in **Exhibit “A.”** The Service Provider shall, upon written (including electronic) request, provide proof of valid

The said rate in effect on September 1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

Addendum to Service Contract

PURCHASER: Williamson County, Texas 1801 E Settlers Blvd #100, Round Rock, TX 78664

PROJECT / LOCATION: Justice of the Peace 1 – Jury Box & Witness Chair Refurbishment 1801 E Settlers Blvd #100, Round Rock, TX 78664

Sauder® Manufacturing Co. (SMC) and the Purchaser/Contractor identified herein ("Purchaser"), agree that this Addendum is incorporated into the Agreement for Construction Services (the "Agreement"), which is attached, and the Parties thereto understand and agree to the terms set forth in this Addendum (and/or such terms in the Agreement, that may be modified and initialed by the Parties). It is understood and agreed that anything to the contrary notwithstanding this Addendum, which is incorporated into the Agreement of the Parties, shall take precedence over any inconsistent provisions of the Agreement and any other documents in any way related to same. Purchaser's acceptance of the terms of this Addendum shall be evidenced by Purchaser's signature or by permitting SMC to commence work on the Project. The Parties agree to include SMC Addendum terms, if any, and order/quote if a subcontract or MSA is involved. Sauder® Manufacturing Co. includes Sauder Worship Seating, Sauder Courtroom Furniture, and any affiliate, predecessor, or successor entities. Acceptance of these terms shall be evidenced by signatures and/or Sauder® Manufacturing Co. commencing work on this Project.

HOLD HARMLESS RESTRICTION

Any indemnification or hold harmless obligation of SMC extends only to claims caused by the gross negligence or intentional fraudulent acts of SMC, their employees, and their sub-subcontractors. Claims are defined as any relating to bodily injury and property damage (other than to SMC's work). SMC shall not have a duty to defend. This paragraph does not, however, restrict the obligations of SMC, if any, to indemnify Purchaser against intellectual property infringement claims, or against claims for payment for work for which SMC has been paid.

LIQUIDATED DAMAGES

SMC will not pay liquidated damages under any circumstances.

INSURANCE RESTRICTION

SMC will review all requests to name additional insureds to its general liability insurance policy or to waive subrogation for claims covered by workers' compensation or commercial general liability insurance. SMC shall maintain insurance with coverage and limits only as provided by SMC's existing insurance program as shown by its certificate of insurance available upon request. SMC shall not participate in a consolidated insurance program ("CIP", "OCIP", and "CDIP").

FINANCIAL INFORMATION

Purchaser shall provide SMC with a job information sheet, which details the legal description of the property, name, e-mail address, phone number, street address, representative of the Project Owner, ~~evidence of adequate Owner Project financing~~, and a copy of Purchaser's (and/or any other applicable) payment bond and performance bond for the Project, if any. Purchaser shall promptly notify SMC of material changes in the Project Owner's identity or any financial

arrangements or matters in any way related to the Project. ~~SMC shall not be obligated to commence or continue work absent prepayment as may be demanded by SMC and made by Purchaser, or adequate assurance of payment as requested by SMC and given by Purchaser. Purchaser waives any right to assert any breach of the Agreement and/or this Addendum against SMC if prepayment is demanded by SMC and is not made by Purchaser, or such adequate assurance of payment is requested by SMC and not given by Purchaser.~~

PAYMENT TERMS

Credit will be established based upon SMC's determination of the creditworthiness of Purchaser and the financial soundness of the Project. ~~A deposit or prepayment may be required on certain accounts after credit review.~~ SMC uses invoices or progress payments to request payments. The invoice and/or the Order Acknowledgment, if applicable will designate payment terms. ~~Standard payment terms are net thirty (30) days from the invoice/pay application date. No order will be released for production without credit approval from the Credit Department. SMC may, at its option and without notice, lower or terminate the credit limit granted and request advance payment if SMC discovers that there is reasonable evidence of a substantial decline in the creditworthiness of Purchaser.~~ Purchaser understands and agrees it is responsible for all charges on the account or amounts that come due in connection with the Agreement and Addendum. All payments due to SMC shall be paid without any set-off or claim. SMC will not accept joint checks. This order may be subject to a price increase after receipt of signed quote, order, order contract, purchase order, and/or subcontract.

Purchaser agrees to pay a service charge of 1.5 percent per month from the due date until paid or the maximum rated by law, whichever is less; and all costs of collection, including reasonable attorney's fees, fees of expert witnesses, deposition costs, and all other court costs, shall be paid by Purchaser. A past-due account is an account that remains unpaid for more than thirty (30) days from SMC installation sign-off. SMC does not accept the risk of Purchaser's receipt of payments from any source, and in no event will payments to SMC be based upon, or subject to, Purchaser's receipt of payment for SMC's work. Furthermore, payment to SMC is in no way contingent upon Purchaser being paid as it may relate to the Project. Payment is expected from Purchaser when due or as otherwise determined by SMC. ~~Until such time that an account, order, and/or any amounts that shall be paid to SMC in connection with the Agreement and Addendum is/are paid in full to SMC, SMC shall retain a security interest in and lien on all materials, merchandise, furnishings, and/or goods manufactured, provided, delivered, or otherwise on said account, order, and/or the Agreement and Addendum. Purchaser understands and agrees that it shall notify the Project Owner in writing of SMC's retained security interest on all materials, merchandise, furnishings, and/or goods manufactured, provided, and delivered, whether or not such materials, merchandise, furnishings, and/or goods manufactured have been installed as part of the Project.~~

SMC reserves and may exercise any and all rights and remedies with respect to said materials, merchandise, furnishings, and/or goods against Purchaser, any applicable bonds, and/or any individual or entity in possession of or claiming an interest in said materials, merchandise, furnishings and/or goods, including but not limited to demanding assembly of the goods at the direction of SMC, re-taking possession and selling and applying proceeds of any sale toward the account, and/or filing claims or suit. All charges are payable according to these terms and conditions unless otherwise prearranged and agreed to in writing by SMC. Title to all goods shall pass from SMC to Purchaser upon SMC's receipt of payment in full under this Contract or any change thereof. Delivery is FOB destination. Risk of loss or damage to the goods becomes the responsibility of Purchaser upon delivery.

RETAINAGE

SMC's work is completed upon installation and sign-off by Purchaser. ~~Retainage shall be paid in full within seven (7) days of SMC installation sign-off or interest shall accrue as provided for late payments.~~

LEAD TIME

The following applies to and supersedes any and all reference to schedules, lead times, commencement of work, crew size, or completion dates: SMC will make every reasonable attempt to work with Purchaser with regard to the work schedule. SMC does have a standard time to be available on-site for installation. These details will include, but are not limited to, receipt of CAD file drawings, drawing approvals, field measurement verification, and/or specs and any unresolved detail such as pew specs, i.e., model, color, materials, etc. SMC shall then issue a 2-week window for the install to coincide with the Project Schedule. SMC pricing includes a two-man crew that can install either 1000 linear feet of pews/benches per week or 800 auditorium seats per week. Pricing is for the installation of the entire order at the same time; multiple trips are not included. Additional manpower requests will be considered but may result in additional cost/charge to Purchaser.

STORAGE FEES

If Goods are ready for shipment according to the terms of the Order Acknowledgment or subsequent change order, and Purchaser cannot receive as stated, the Goods may, at SMC's discretion, be shipped to storage facilities or put in storage at Purchaser's expense. SMC reserves the right to deny storage of the Goods due to lack of available space. Storage fees are 5% of the purchase price per month. These changes can, at SMC's option, be added to the order total amount due or invoiced separately. Storage fees are changes to the order as defined in Section 13 below. All storage fees are required to be paid in full before ship. All risk of damage, destruction, theft, or loss while in storage shall be the responsibility of Purchaser.

SITE CONDITIONS

The space must be climate-controlled and not affected by outside weather conditions. Permanent utilities must be operational and carpet and/or any flooring must be completed. In addition, any of the other contractors must not interfere with the unloading, staging, or installation process including any overhead electrical, lighting, painting projects, or any other work that would interfere with the placement of the pews into their permanent locations. Failure to have the site ready for installation may result in additional costs to the Owner not previously shown on the contract.

ORDER ACKNOWLEDGMENT

Orders are not binding until the Order Acknowledgment is delivered. The Order Acknowledgment, which relates to the acceptance of the order/contract, and which is sent after the order/contract, contemplates delivery dates and estimated installation completion. Any error or discrepancy on the Acknowledgment must be reported to SMC in writing within three (3) working days from the receipt of the Acknowledgment. All modifications to the Acknowledgment must be reconfirmed and signed by SMC. Cashing a down payment check does not constitute acceptance.

PREVAILING PARTY

In the event that any litigation or other dispute resolution proceeding is commenced, involving, arising out of, or relating to the Agreement and this Addendum, then the Prevailing Party shall be entitled to an award of taxable court costs, other related but nontaxable costs, and expenses, reasonable attorney's and/or expert fees, and pre-judgment interest as set forth above, from the time that the proceeding was commenced until all appeals are final, if any. The Arbitrator or Finder of Fact shall expressly determine the Prevailing Party. This paragraph shall apply where the proceeding seeks a declaration of rights, damages for default, and damages for misrepresentation or other legal or equitable remedies.

VENUE

The proper venue to resolve all disputes arising under the Agreement shall be the State of Ohio, County of Fulton, and no other forum, and the laws of said place shall govern all such disputes.

CHANGES AND CLAIMS

SMC shall be entitled to equitable adjustments of its schedule and contract price for (a) delays, acceleration, out-of-sequence work, and schedule changes beyond its reasonable control including, without limitation, (b) a Force Majeure Event as defined in Section 14, those caused by labor unrest, fires, acts of nature, wars, or suspensions, or delays caused by Purchaser or others; (c) extra work it performs in accordance with the subcontract documents; and (d) extra work it performs pursuant to written or verbal instructions of Purchaser, provided that SMC gives Purchaser notice (except in an emergency threatening bodily injury or loss of property), prior to starting such extra work, identifying the date and source of the instructions considered as requesting extra work.

FORCE MAJEURE

Neither Party shall be liable for failure or delay in performing any term of this Agreement when and to the extent such failure or delay results from the acts beyond the affected Party's reasonable control, including, without limitation, acts of God, acts of terrorism, acts of governmental authorities, flood, fire, pandemics, or explosion ("Force Majeure Event"). In the event that either Party's performance is delayed, or such Party fails to perform its obligations under this Agreement due to a Force Majeure Event, such Party shall (i) promptly notify the other Party in writing of such Force Majeure Event and its expected duration, and (ii) take all reasonable steps to recommence performance of its obligations under this Agreement as soon as possible. In the event that any Force Majeure Event delays a Party's performance for more than thirty (30) days following the notification then, pursuant to this Agreement, the other Party may terminate this Agreement immediately upon written notice to such Party.

SCHEDULING CONFLICTS

In the event there are scheduling conflicts between the Parties, SMC's Order Acknowledgment will prevail. SMC's Order Acknowledgment will be sent after the Agreement is negotiated and fully executed by both Parties. The Order Acknowledgement relates to the acceptance of the order. The delivery and installation dates on the Order Acknowledgment will be the dates for which SMC can deliver and install on the Project.

PRICE

This order may be subject to a price increase if delivery is not taken from twelve (12) months after receipt of signed order contract, receipt of subcontract, and/or receipt of signed purchase order.

WOOD VARIATIONS

Finish colors may include slight variations between samples and the finished goods should be anticipated. Wood and wood veneers have natural variations in grain, texture, and color. Because of the natural characteristics of wood, slight variations in color may appear under various forms of lighting. These variations will not be accepted by Sauder Manufacturing Co. as a reason to withhold payment.

The undersigned person represents and warrants that they are duly authorized and have the legal capacity to execute and bind Purchaser. By signing below, Purchaser agrees to purchase the goods as stated in the quote/order and agrees it represents a contract for sale. Furthermore, Purchaser represents and warrants the execution and performance of this Agreement has been duly authorized and is a valid and legal agreement enforceable in accordance with the SMC Addendum terms and conditions. The Parties agree to include the SMC Addendum terms, if any, and order/quote if a subcontract or MSA is involved.

Sauder® Manufacturing Co. includes Sauder Worship Seating, Sauder Courtroom Furniture, and any affiliate, predecessor, or successor entities. Acceptance of these terms shall be evidenced by signatures and/or Sauder® Manufacturing Co. commencing work on this Project.
