Re: 25RFSQ10
Twin Lakes Park Parking Lot (Expansion at Little Elm)
Recommendation of Agreement Award

After independently and collectively reviewing qualification submissions, the evaluation committee found **Hagood Engineering Associates, Inc.** to be the best-suited candidate to provide design services for parking lot improvements at Twin Lakes Park.

Based on the Committee's evaluation, the Wilco Facilities Department recommends that the Williamson County Commissioners Court award the Professional Services Agreement to **Hagood Engineering Associates, Inc.**
