The Popular Annual Financial Report (PAFR) provides a less technical discussion of County finances by providing important financial data that presents a brief explanation on where the county-wide resources come from, how those dollars are spent, and how those transactions benefit the citizens.

The PAFR is generated using the financial information taken from the 2024 Annual Comprehensive Financial Report (ACFR) that was audited by Weaver and Tidwell, LLP with an unmodified opinion. An unmodified opinion indicates the financial statements are prepared according to Generally Accepted Accounting Principals (GAAP) and are free from material misstatements concerning the overall financial position of the County.

Message from the County Auditor

Dear Citizens of Williamson County,

It is my pleasure to present the Popular Annual Financial Report (PAFR) for the fiscal year ended September 30, 2024, which highlights the Williamson County Conservation Foundation. This financial summary includes discussions of County initiatives and trends in the local economy. The document provides important financial data that presents a brief explanation on where the county-wide resources come from, how those dollars are spent and how those transactions benefit the citizens.

Williamson County is home to several endemic species that do not exist anywhere else in the world. The Williamson County Conservation Foundation was established in an effort to facilitate compliance with the Endangered Species Act. Please read on to learn more about the Foundation's success and value.

The County continues to experience major job growth, proliferation of business, and residential development. Williamson County's population was 697,191 in 2023 and over the last year, had the tenth largest population growth for counties in the United States. Williamson County's growth has been fueled by its location on the I-35 corridor and close access to Austin, Texas. The tech sector has become the primary driver of jobs in the region. Some of the largest employers in the area now include Samsung, Tesla, Amazon, and Apple. Samsung has continued construction on a \$17 billion semiconductor factory. The six million square foot plant is scheduled to begin operations in 2026. The County's unemployment rate was 3.6% in both September 2023 and 2024, remaining steadily low throughout the year and lower than the 4.1% unemployment rate for Texas as of September 2024.

Taxable Assessed Valuation (TAV) growth has been solid, spurred by affordable home prices and ample developable land which fuels property tax revenue growth. In fiscal year 2024 TAV grew 10.1%. The AAA credit rating that Williamson County continues to maintain provides further assurances that Williamson County is a great steward of our citizen's money.

This report is not intended to replace the Annual Comprehensive Financial report (ACFR); the function of this report is to provide a readable and understandable format regarding the County's finances. Both the ACFR and PAFR are available on our website: <https://wilco.mygovcenter.com/cms/cms?id=82>. I invite you to share any questions, concerns, feedback or recommendations you may have by emailing julie.kiley@wilcotx.gov.

Respectfully submitted,

Julie M. Kiley, CPA

Property Tax and Trend

Debt Service Fund

The Debt Service Fund is used to account for the accumulation of resources for, and payment of, general long-term debt (principal, interest, and issuance costs).

Road & Bridge Fund

The Road and Bridge Fund is a special revenue fund used to account for money received from taxes, vehicle registration, and rebates from the State of Texas. Expenditures in the fund are utilized for maintenance and construction of county roads and bridges.

The tables to the right provide the revenues, expenditures, and ending fund balance over the past three years for both the Debt Service Fund and Road and Bridge Fund

Debt Service Fund - \$M	2024	2023	2022
Revenue	\$162.49	\$144.85	\$139.62
Expenditures	\$168.23	\$163.58	\$151.43
Excess (deficiency) of Revenue & Expenses	\$ (5.74)	\$ (18.73)	\$ (11.80)
Other financing sources (uses)	\$ 6.28	\$ 21.02	\$ 12.29
Net Change in Fund Balance	\$ 0.54	\$ 2.29	\$ 0.48
Beginning Fund Balance	\$ 10.38	\$ 8.08	\$ 7.60
Ending Fund Balance	\$ 10.92	\$ 10.37	\$ 8.08

Road & Bridge Special Revenue Fund - \$M	2024	2023	2022
Revenue	\$ 68.33	\$ 53.64	\$44.26
Expenditures	\$ 37.97	\$ 33.69	\$30.94
Excess (deficiency) of Revenue & Expenses	\$ 30.36	\$ 19.95	\$13.33
Other financing sources (uses)	\$(20.22)	\$(15.80)	\$(8.19)
Net Change in Fund Balance	\$ 10.14	\$ 4.15	\$ 5.13
Beginning Fund Balance	\$ 33.10	\$ 28.95	\$23.82
Ending Fund Balance	\$ 43.24	\$ 33.10	\$28.95

Williamson County Tax Rate

The 2024 tax rate is \$0.377445 per \$100 value and broken down as follows:

*General Fund - \$0.199216

*Debt Service - \$0.133900

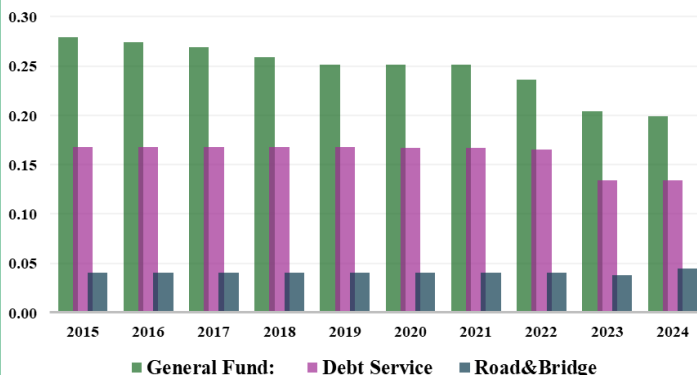

*Road and Bridge - \$0.044329

The graphs below reflect the taxable values and changes in tax rates by each source since 2015.

Frozen Waterfall in Cobb's Cavern

Government-Wide Statements are designed to provide readers with a broad overview of Williamson County's finances in a manner similar to a private sector business. Both the Statement of Activities and Statement of Net position are presented in the Government-Wide Statements.

Statement of Activities presents information demonstrating how the County's net position changed during the current fiscal year. All changes in net position are reported shortly after the underlying event occurs regardless of the timing of related cash flows.

Fund Accounting

Fund Accounting groups revenue received into related accounts to maintain control over resources that have been segregated for specific activities. The County, like other State and Local Governments, uses fund accounting to ensure compliance with finance-related requirements. All funds of the County can be divided into three categories:

Governmental Funds are used to account for essentially the same functions as government-wide. However, the main function for governmental funds is to focus on near-term inflows and outflows of available resources as well as unencumbered balances at the end of the fiscal year. Williamson County maintains 58 governmental funds.

Proprietary Funds are used to accumulate and allocate costs internally among the County's various functions. The only type of proprietary funds maintained by the County is Internal Service Funds, which includes the Fleet Maintenance Fund and the Benefits Fund.

Fiduciary Funds are used to account for resources held for the benefit of parties outside the County.

Total Net Position	\$ 1,343,320,982	\$ 1,132,097,695	\$ 951,311,561

The **Statement of Net Position** presents information on all of the County's assets and liabilities. The difference between the assets and liabilities are reported as the net position. The Statement of Net Position is comprised of the following:

- * **Capital Assets** represent the value of assets less depreciation and the associated outstanding debt incurred to purchase an asset.
- * **Restricted Assets** are cash or other valuable assets put aside for a specific purpose.
- * **Unrestricted Net Assets** are items that do not have to be held for specific reasons.
- * **Deferred Outflows of Resources** are the consumption of net assets applied to a future reporting period.
- * **Deferred Inflows of Resources** are the purchase of net assets by government that is applied to a future reporting period.

Over time, increases and decreases in net position may serve as a useful indicator of whether the financial position of Williamson County is improving or deteriorating. In 2024, total net position increased by \$211.2 million compared to 2023 due to capital contributions and property taxes. Capital assets increased by \$205.2 million because of ongoing county road improvements, right of way purchases, and equipment purchases. The acceptance of several new subdivisions contributed to this increase. Noncurrent liabilities increased by \$194.2 million. This increase in 2024 is due to the issuance of \$141.6 million in unlimited tax road bonds and \$152.1 million in limited tax notes.

Debt and Bond Activity

Pass-Through Toll Revenue

In 2011, Williamson County signed a second Pass-Through agreement with Texas Department of Transportation (TxDOT) for the construction of northbound frontage roads and ramps on IH-35 in Georgetown. TxDOT will reimburse a maximum of \$12,096,700. The reimbursement from TxDOT is based on a calculation of \$0.07 per vehicle mile traveled; no more than \$1,099,700 will be reimbursed annually on the completed project. The amount received to date is \$8,658,890.35.

Refunded and Defeased Debt

In September 2024, the County redeemed and defeased \$10.1 million of the 2015 Unlimited Tax Road Bonds and \$9.7 million of the 2015 Certificate of Obligations. \$20.0 million of debt service was deposited in an escrow account. This amount included \$19.8 million in principal and the remainder in interest. The debt defeasance resulted in savings of \$2.4 million in interest payments over the next five years. There were no refundings in fiscal year 2024. Since 2004, Williamson County has saved more than \$103.4 million due to refinancing debt and has defeased a par value of \$196.3 million for a savings of \$95.2 million.

Tax Anticipation Note (TAN)

In April 2024, Williamson County issued a Tax Anticipation Note (TAN) in the amount of \$152.1M. The TAN is a short-term debt security issued by a government. Williamson County issued the TAN to pay for specific projects specifically right of way and roadway improvements.

Voter Approved Bonds

On November 2, 2023, Williamson County voters approved \$825 million in road bonds and \$59 million in park bonds. In April 2024, Williamson County issued \$141.6 million of the voter approved bonds.

Williamson County Conservation Foundation

Did you know Williamson County is home to several endemic species, or species that do not exist anywhere else in the world?

Established in December 2002, The Williamson County Habitat Conservation Plan has conserved over 2,000 acres containing 52 caves and over 1,000 acres of golden-cheeked warbler habitat. The foundation has facilitated the Endangered Species Act compliance for over 13,000 acres of land in the County.

Golden-Cheeked Warbler

Black-Capped Viero

The Williamson County Conservation Foundation currently protects four species.

- * Inner Space Cavern Mold Beetle/ The Coffin Cave Beetle (*Batrisodes texanus*)
- * Bone Cave Harvestman (*Texella reyesi*)
- * Golden-Cheeked Warbler (*Setophaga chrysoparia*)
- * Black-Capped Viero (*Viero atricappilla*)

Not only are the Williamson County preserves home to endemic species, but other species can be found on the grounds such as cottontails, coyotes, bobcats, eastern patched-nose snakes, and greater roadrunners.

Bone Cave Harvestman

Coffin Cave Beetle

Dr. Benjamin Tuggle celebrates with Williamson County Commissioners Lisa Birkman, Cynthia Long, and Valerie Covey on granting of a 4(d) Special Rule protecting the Georgetown Salamander.

What is the next project/goal for The Williamson County Conservation Foundation?

The Williamson County Conservation Foundation is seeking to add seven additional species to the Regional Habitat Conservation Plan.

Salado Salamander

Tricolored Bat

What are the seven species?

- * Dragonfly Cave Mold Beetle (*Batrisodes cryptotexanus*)
- * Tooth Cave Spider (*Tayshaneta myopica*)
- * Salado Salamander (*Eurycea chisholmensis*)
- * Georgetown Salamander (*Eurycea nafaugia*)
- * Jollyville Plateau Salamander (*Eurycea tonkawae*)
- * Tricolored Bat (*Perimyotis subflavus*)
- * Monarch Butterfly (*Danaus plexippus*)

The seven species listed above are currently listed as endangered, threatened, or proposed threatened.

What does endangered, threatened, and proposed threatened mean?

Endangered - species that are likely to become extinct.

Threatened - species that are vulnerable to extinction.

Proposed Threatened/Endangered - species awaiting rulemaking by the US Fish & Wildlife Service.

Greater Roadrunner

Eastern Patched-Nose Snake

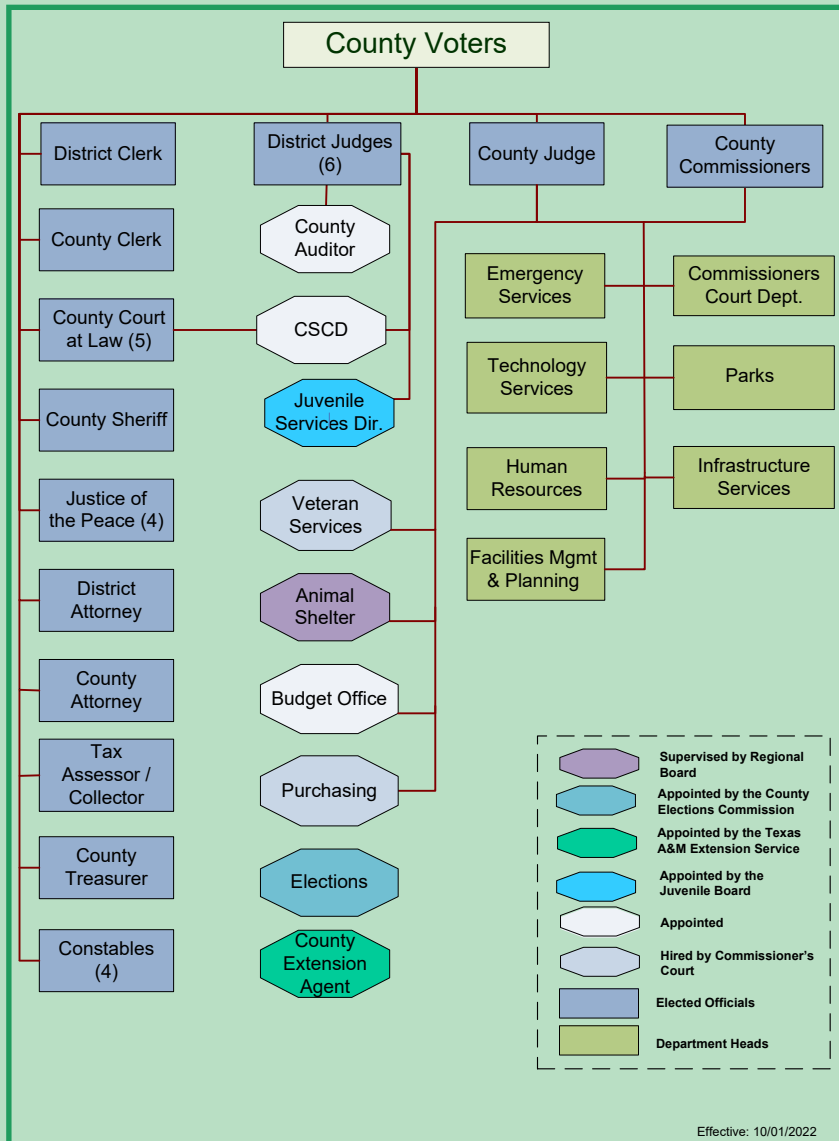

Monarch Butterfly

Special thanks to The Williamson County Conservation Foundation for providing pictures and information on the foundation.

For further information on The Williamson County Conservation Foundation and volunteer opportunities visit <https://www.wilcotx.gov/275/Conservation-Foundation>.

For fiscal year ended September 30, 2023, the Governmental Finance Officers Association of the United States and Canada (GFOA) has given an Award of Outstanding Achievement in Popular Annual Financial Reporting (PAFR) to Williamson County for the 18th consecutive year.

In order to receive an Award of Outstanding Achievement in Popular Annual Financial Reporting, a government unit must publish a PAFR whose contents conform to program standards of creativity, presentation, understandability, and reader appeal. We believe our current report continues to conform to the PAFR requirements, and we are submitting the current year report to GFOA.

Government Finance Officers Association

Award for
Outstanding
Achievement in
Popular Annual
Financial Reporting

Presented to

**Williamson County
Texas**

For its Annual Financial Report
For the Fiscal Year Ended

September 30, 2023

Christopher P. Merrill
Executive Director/CEO

Assets-What the County owns (cash, investments, property, equipment, vehicles, etc.)

Bonds-A debt security in which the issuer is obligated to repay the principal and interest at a specified payment date.

Capital Outlay-Funds spent to purchase or construct buildings, machinery and equipments, vehicles, etc.

Expenditures-Acquisition of goods and services intended to create future benefits such as infrastructure improvements.

Fund Balance-Fund equity for government funds which reflects the accumulated excess of revenues and other financing sources over expenditures and other financing uses.

Liabilities-Future spending of revenue as a result of past transactions and other past events.

Net Position-The difference between assets plus deferred outflows of resources and liabilities plus deferred inflows of resources.

Noncurrent Liability-Includes items such as bonds, loans, pension contribution, and other obligations due more than one year in the future.

Revenue-Money received by the government through collections of property taxes, fees of offices, charges for services, payments from other governmental entities, donations, and investments earnings.
