**PURCHASER:** Williamson County, Texas 405 Martin Luther King Jr. Street, Georgetown, TX 78626

---

**PROJECT / LOCATION:** Justice Center 277<sup>th</sup> & 395<sup>th</sup> Court Refurbishment 405 Martin Luther King Jr. Street, Georgetown, TX 78626

---

Sauder<sup>®</sup> Manufacturing Co. (SMC) and the Purchaser/Contractor identified herein ("Purchaser"), agree that this Addendum is incorporated into the Agreement for Construction Services (the "Agreement"), which is attached, and the Parties thereto understand and agree to the terms set forth in this Addendum (and/or such terms in the Agreement, that may be modified and initialed by the Parties). It is understood and agreed that anything to the contrary notwithstanding this Addendum, which is incorporated into the Agreement of the Parties, shall take precedence over any inconsistent provisions of the Agreement and any other documents in any way related to same. Purchaser's acceptance of the terms of this Addendum shall be evidenced by Purchaser's signature or by permitting SMC to commence work on the Project. The Parties agree to include SMC Addendum terms, if any, and order/quote if a subcontract or MSA is involved. Sauder<sup>®</sup> Manufacturing Co. includes Sauder Worship Seating, Sauder Courtroom Furniture, and any affiliate, predecessor, or successor entities. Acceptance of these terms shall be evidenced by signatures and/or Sauder<sup>®</sup> Manufacturing Co. commencing work on this Project.

#### LIQUIDATED DAMAGES

SMC will not pay liquidated damages under any circumstances.

#### FINANCIAL INFORMATION

Purchaser shall provide SMC with a job information sheet, which details the legal description of the property, name, e-mail address, phone number, street address, representative of the Project Owner, and a copy of Purchaser's (and/or any other applicable) payment bond and performance bond for the Project, if any. Purchaser shall promptly notify SMC of material changes in the Project Owner's identity or any financial arrangements or matters in any way related to the Project.

#### LEAD TIME

The following applies to and supersedes any and all reference to schedules, lead times, commencement of work, crew size, or completion dates: SMC will make every reasonable attempt to work with Purchaser with regard to the work schedule. SMC does have a standard time to be available on-site for installation. These details will include, but are not limited to, receipt of CAD file drawings, drawing approvals, field measurement verification, and/or specs and any unresolved detail such as pew specs, i.e., model, color, materials, etc. SMC shall then issue a 2-week window for the install to coincide with the Project Schedule. SMC pricing includes a two-man crew that can install either 1000 linear feet of pews/benches per week or 800 auditorium seats per week. Pricing is for the installation of the entire order at the same time; multiple trips are not included. Additional manpower requests will be considered but may result in additional cost/charge to Purchaser.

---

## **STORAGE FEES**

If Goods are ready for shipment according to the terms of the Order Acknowledgment or subsequent change order, and Purchaser cannot receive as stated, the Goods may, at SMC's discretion, be shipped to storage facilities or put in storage at Purchaser's expense. SMC reserves the right to deny storage of the Goods due to lack of available space. Storage fees are 5% of the purchase price per month. These changes can, at SMC's option, be added to the order total amount due or invoiced separately. Storage fees are changes to the order as defined in Section 13 below. All storage fees are required to be paid in full before ship. All risk of damage, destruction, theft, or loss while in storage shall be the responsibility of Purchaser.

## **SITE CONDITIONS**

The space must be climate-controlled and not affected by outside weather conditions. Permanent utilities must be operational and carpet and/or any flooring must be completed. In addition, any of the other contractors must not interfere with the unloading, staging, or installation process including any overhead electrical, lighting, painting projects, or any other work that would interfere with the placement of the pews into their permanent locations. Failure to have the site ready for installation may result in additional costs to the Owner not previously shown on the contract.

## **ORDER ACKNOWLEDGMENT**

Orders are not binding until the Order Acknowledgment is delivered. The Order Acknowledgment, which relates to the acceptance of the order/contract, and which is sent after the order/contract, contemplates delivery dates and estimated installation completion. Any error or discrepancy on the Acknowledgment must be reported to SMC in writing within three (3) working days from the receipt of the Acknowledgment. All modifications to the Acknowledgment must be reconfirmed and signed by SMC. Cashing a down payment check does not constitute acceptance.

## **PREVAILING PARTY**

In the event that any litigation or other dispute resolution proceeding is commenced, involving, arising out of, or relating to the Agreement and this Addendum, then the Prevailing Party shall be entitled to an award of taxable court costs, other related but nontaxable costs, and expenses, reasonable attorney's and/or expert fees, and pre-judgment interest as set forth above, from the time that the proceeding was commenced until all appeals are final, if any. The Arbiter or Finder of Fact shall expressly determine the Prevailing Party. This paragraph shall apply where the proceeding seeks a declaration of rights, damages for default, and damages for misrepresentation or other legal or equitable remedies.

## **CHANGES AND CLAIMS**

SMC shall be entitled to equitable adjustments of its schedule and contract price for (a) delays, acceleration, out-of-sequence work, and schedule changes beyond its reasonable control including, without limitation, (b) a Force Majeure Event as defined in Section 14, those caused by labor unrest, fires, acts of nature, wars, or suspensions, or delays caused by Purchaser or others; (c) extra work it performs in accordance with the subcontract documents; and (d) extra work it performs pursuant to written or verbal instructions of Purchaser, provided that SMC gives Purchaser notice (except in an emergency threatening bodily injury or loss of property), prior to starting such extra work, identifying the date and source of the instructions considered as requesting extra work.

## **FORCE MAJEURE**

Neither Party shall be liable for failure or delay in performing any term of this Agreement when and to the extent such failure or delay results from the acts beyond the affected Party's reasonable control, including, without limitation, acts of God, acts of terrorism, acts of governmental authorities, flood, fire, pandemics, or explosion ("Force Majeure Event"). In the event that either Party's performance is delayed, or such Party fails to perform its obligations under this Agreement due to a Force Majeure Event, such Party shall (i) promptly notify the other Party in writing of such Force Majeure Event and its expected duration, and (ii) take all reasonable steps to recommence performance of its obligations under this Agreement as soon as possible. In the event that any Force Majeure Event delays a Party's performance for more than thirty (30) days following the notification then, pursuant to this Agreement, the other Party may terminate this Agreement immediately upon written notice to such Party.

## **SCHEDULING CONFLICTS**

In the event there are scheduling conflicts between the Parties, SMC's Order Acknowledgment will prevail. SMC's Order Acknowledgment will be sent after the Agreement is negotiated and fully executed by both Parties. The Order Acknowledgement relates to the acceptance of the order. The delivery and installation dates on the Order Acknowledgment will be the dates for which SMC can deliver and install on the Project.

**PRICE**

This order may be subject to a price increase if delivery is not taken from twelve (12) months after receipt of signed order contract, receipt of subcontract, and/or receipt of signed purchase order.

**WOOD VARIATIONS**

Finish colors may include slight variations between samples and the finished goods should be anticipated. Wood and wood veneers have natural variations in grain, texture, and color. Because of the natural characteristics of wood, slight variations in color may appear under various forms of lighting. These variations will not be accepted by Sauder Manufacturing Co. as a reason to withhold payment.

The undersigned person represents and warrants that they are duly authorized and have the legal capacity to execute and bind Purchaser. By signing below, Purchaser agrees to purchase the goods as stated in the quote/order and agrees it represents a contract for sale. Furthermore, Purchaser represents and warrants the execution and performance of this Agreement has been duly authorized and is a valid and legal agreement enforceable in accordance with the SMC Addendum terms and conditions. The Parties agree to include the SMC Addendum terms, if any, and order/quote if a subcontract or MSA is involved.

Sauder® Manufacturing Co. includes Sauder Worship Seating, Sauder Courtroom Furniture, and any affiliate, predecessor, or successor entities. Acceptance of these terms shall be evidenced by signatures and/or Sauder® Manufacturing Co. commencing work on this Project.
