Should the County choose to purchase goods in addition to those described in Exhibit “A”, such additional goods shall be described in a separate written amendment wherein the additional goods shall be described, and the parties shall set forth the amount of compensation to be paid by the County for the additional goods. Service Provider shall not provide any additional goods, and the County shall not be obligated to pay for any additional goods unless a written amendment has been signed by both parties.

II.

The parties acknowledge and agree that the Project Completion Date is initially set to be on or before May 01, 2026, however this date may be amended at the sole discretion of the County. Upon successful completion of the services as described in Exhibit “A”, this contract shall automatically terminate without further obligation from either party, except as otherwise expressly provided herein.

III.
