III. Flow-down Agreement Terms and Conditions

The Parties agree that the following terms and conditions are applicable to Recipient and ordering, access to, and use of Limited Access DMF:

1. **Compliance with Terms of Agreement and CFR.** Recipient of Limited Access DMF must comply with the terms of the Agreement and the requirements of 15 CFR Part 1110, as though set forth as a Subscriber therein, and Recipients may not further distribute the Limited Access DMF.
2. **Change in Status**. Should Recipient's status change such that it would no longer have a permissible purpose to access Limited Access DMF under this Addendum, Recipient agrees to immediately notify LN in writing in the manner and format required for notices under the Contract. Should Recipient cease to have access rights to Limited Access DMF, Recipient shall destroy all Limited Access DMF, and will certify to LN in writing that is has destroyed all such DMF.
3. **Security and Audit**. Recipient will at all times have security provisions in place to protect the Limited Access DMF from being visible, searchable, harvestable or in any way discoverable on the World Wide Web. Recipient understands that any successful attempt by any person to gain unauthorized access to or use of the Limited Access DMF provided by LN may result in immediate termination of Recipient's access and this Addendum. In addition, any successful attempt by any person to gain unauthorized access may under certain circumstances result in penalties as prescribed in 15 CFR § 1110.200 levied on Recipient and the person attempting such access. Recipient will take appropriate action to ensure that all persons accessing the Limited Access DMF it obtains from LN are aware of their potential liability for misuse or attempting to gain unauthorized access. Any such access or attempted access is a breach, or attempted breach, of security and Recipient must immediately report the same to NTIS at dmfcert@ntis.gov; and to LN by written notification to the LN Information Assurance and Data Protection Organization at 1000 Alderman Drive, Alpharetta, Georgia 30005 and by email (security.investigations@lexisnexis.com) and by phone (1-888-872-5375). Recipient agrees to be subject to audit by LN and/or NTIS to determine Recipient's compliance with the requirements of this Addendum, the Agreement, and 15 CFR Part 1110. Recipient agrees to retain a list of all employees, contractors, and subcontractors to which it provides Limited Access DMF and to make that list available to NTIS and/or LN as part of any audits conducted hereunder. Recipient will not resell or otherwise redistribute the Limited Access DMF.
4. **Penalties.** Recipient acknowledges that failure to comply with the provisions of paragraph (3) of the Certification Form may subject Recipient to penalties under 15 CFR § 1110.200 of $1,000 for each disclosure or use, up to a maximum of $250,000 in penalties per calendar year, or potentially uncapped for willful disclosure.

5. **Law, Dispute Resolution, and Forum.** Recipient acknowledges that this Addendum is governed by the terms of federal law. Recipient acknowledges that the terms of Section 14 of the Agreement govern disagreement handling, and, without limitation to the foregoing, that jurisdiction is federal court.
6. **Liability.** The U.S. Government/NTIS and LN (a) make no warranty, express or implied, with respect to information provided under the Agreement, including but not limited to, implied warranties of merchantability and fitness for any particular use; (b) assume no liability for any direct, indirect or consequential damages flowing from any use of any part of the Limited Access DMF, including infringement of third party intellectual property rights; and (c) assume no liability for any errors or omissions in Limited Access DMF. The Limited Access DMF does have inaccuracies and NTIS and the Social Security Administration (SSA), which provides the DMF to NTIS, and LN, do not guarantee the accuracy of the Limited Access DMF. SSA does not have a death record for all deceased persons. Therefore, the absence of a particular person in the Limited Access DMF is not proof that the individual is alive. Further, in rare instances, it is possible for the records of a person who is not deceased to be included erroneously in the Limited Access DMF. Recipient specifically acknowledges the terms of Attachment B to the Agreement, which terms apply to Recipient.
7. **Indemnification.** To the extent not prohibited by law, Recipient shall indemnify and hold harmless LN and NTIS and the Department of Commerce from all claims, liabilities, demands, damages, expenses, and losses arising from or in connection with Recipient's, Recipient's employees', contractors', or subcontractors' use of the Limited Access DMF. This provision will include any and all claims or liability arising from intellectual property rights.
8. **Survival**. Provisions hereof related to indemnification, use and protection of Limited Access DMF, audit, disclaimer of warranties, and governing law shall survive termination of this Addendum.
9. **Conflict of Terms.** Recipient acknowledges that the terms of this Addendum, in the event of conflict with the terms of the Contract, apply in addition to, and not in lieu of, such Contract terms, with respect to the Limited Access DMF only.

I. Public Safety Data Exchange Database

1. LN, as a vendor that processes information for its government customers, maintains the LexisNexis Public Safety Data Exchange Database ("PSDEX"), which contains information related to public safety and law enforcement investigations. PSDEX is compiled from information submitted by PSDEX customers and enhanced by LN data and technology such as LexID or data updates to allow LN's PSDEX customers to easily search and access information beyond their jurisdiction for analysis, investigations and reporting or other applications to accomplish their mission.
2. In exchange for good and valuable consideration, including access to PSDEX, Customer hereby agrees to contribute public safety information (the "Customer Data Contribution") that it and other PSDEX customers may use for analysis, investigations and reporting or other applications to accomplish their mission.

4. Customer obligations.
    a. Customer agrees to submit to LN, with reasonable promptness and consistency, Customer Data Contributions.
    b. Customer acknowledges and agrees that it is solely responsible for the content of the Customer Data Contributions submitted to LN and that it shall use reasonable care to ensure the information submitted is a reasonable reflection of the actual report. Each submission to LN with respect to an incident or subject constitutes a Customer Data Contribution.
    c. Customer's disclosure of information to LN is and will be in compliance with all applicable laws, regulations and rulings.
    d. Customer agrees to access, store, and process other customer's Customer Data Contributions in accordance with the CJIS Security Policy, to the extent applicable to Customer's accessing, storage, and processing of such data.

h. Customer agrees that, to the extent permitted under applicable law, LN and all other PSDEX customers shall not be liable to Customer, and Customer hereby releases LN and all other PSDEX customers from liability to Customer, for any claims, damages, liabilities, losses and injuries arising out of, or caused in whole or in part by LN or each such other PSDEX customer's acts and omissions in reporting or updating Customer Data Contributions for inclusion in PSDEX. Other PSDEX customers are intended to be third party beneficiaries of this paragraph.

II. General Terms

1. **LICENSE GRANT.** Customer, at no charge, hereby grants to LN a paid up, irrevocable, worldwide, non-exclusive license to use, adapt, compile, aggregate, create derivative works, transfer, transmit, publish and distribute the Customer Data Contributions (1) to PSDEX customers; and (2) by agreement by initialing below, a de-identified subset (e.g., crime type, date/time of the incident, and the area that the incident has occurred) to third-parties assisting the public with a view of de-identified crime data. For purposes of clarification, Customer is the owner of its Customer Data Contributions and is hereby licensing to LN a copy of its Customer Data Contributions.

   Customer will not provide a de-identified subset of its data to third parties (initials _____).

2. **FBI CJIS SECURITY ADDENDUM.** This Addendum incorporates by reference the requirements of the FBI CJIS Security Policy and the FBI CJIS Security Addendum (FBI CJIS Security Policy Appendix H attached hereto as Exhibit A), as in force as of the date of this Addendum and as may, from time to time hereafter, be amended. The parties warrant that they have the technological capability to handle Criminal Justice Information (CJI), as that term is defined by the FBI CJIS Security Policy, in the manner required by the CJIS Security Policy. The parties expressly acknowledge that the CJIS Security Policy places restrictions and limitations on the access to, use of, and dissemination of CJI and hereby warrant that their respective systems abide by those restrictions and limitations.
3. **GOOGLE GEOCODER.** LN uses Google Geocoder to geocode address locations that do not already contain "X" and "Y" coordinates. Any "X" and "Y" coordinate information provided by the Customer is assumed by LN to be accurate and will not be geocoded by Google Geocoder. Crime dot locations geocoded by Google Geocoder as displayed in PSDEX are approximate due to automated location methods and address inconsistencies.
4. **DATA DISCLAIMER.** LN is not responsible for the loss of any data or the accuracy of the data, or for any errors or omissions in the LN Services or the use of the LN Services or data therein by any third party, including the public or any law enforcement or governmental agencies. Due to the nature of the origin of public safety information, the data contained in PSDEX may contain errors. Source data is sometimes reported or entered inaccurately, processed poorly or incorrectly, and is generally not free from defect. The LN Services aggregate and report data as provided by PSDEX customers and is not the source of the data, nor is it a comprehensive compilation of all law enforcement data. Before Customer relies on any data, it should be independently verified.
5. **LINKS TO THIRD PARTY SITES.** PSDEX may contain links or produce search results that reference links to third party websites ("Linked Sites"). LN has no control over these Linked Sites or the content within them. LN cannot and does not guarantee, represent, or warrant that the content contained in the Linked Sites,

including, without limitation other links, is accurate, legal, and/or inoffensive. LN does not endorse the content of any Linked Site, nor does it warrant that a Linked Site will not contain computer viruses or other harmful code. By using PSDEX to search for or link to Linked Sites, Customer agrees and understands that such use is entirely at its own risk, and that Customer may not make any claim against LN for any damages or losses whatsoever resulting from such use.

6. **OWNERSHIP OF SUBMITTED CONTENT.** All information provided by a PSDEX customer is offered and owned by that customer. Unless otherwise indicated by written request from Customer, all data will be retained by LN and remain accessible by others in accordance with the provisions of this Addendum.

FEDERAL BUREAU OF INVESTIGATION
CRIMINAL JUSTICE INFORMATION SERVICES
SECURITY ADDENDUM

The goal of this document is to augment the CJIS Security Policy to ensure adequate security is provided for criminal justice systems while (1) under the control or management of a private entity or (2) connectivity to FBI CJIS Systems has been provided to a private entity (contractor). Adequate security is defined in Office of Management and Budget Circular A-130 as "security commensurate with the risk and magnitude of harm resulting from the loss, misuse, or unauthorized access to or modification of information."

The intent of this Security Addendum is to require that the Contractor maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

This Security Addendum identifies the duties and responsibilities with respect to the installation and maintenance of adequate internal controls within the contractual relationship so that the security and integrity of the FBI's information resources are not compromised. The security program shall include consideration of personnel security, site security, system security, and data security, and technical security.

The provisions of this Security Addendum apply to all personnel, systems, networks and support facilities supporting and/or acting on behalf of the government agency.

1.00 Definitions

1.01 Contracting Government Agency (CGA) - the government agency, whether a Criminal Justice Agency or a Noncriminal Justice Agency, which enters into an agreement with a private contractor subject to this Security Addendum.

1.02 Contractor - a private business, organization or individual which has entered into an agreement for the administration of criminal justice with a Criminal Justice Agency or a Noncriminal Justice Agency.

2.00 Responsibilities of the Contracting Government Agency.

2.01 The CGA will ensure that each Contractor employee receives a copy of the Security Addendum and the CJIS Security Policy and executes an acknowledgment of such receipt and the contents of the Security Addendum. The signed acknowledgments shall remain in the possession of the CGA and available for audit purposes. The acknowledgement may be signed by hand or via digital signature (see glossary for definition of digital signature).

3.00 Responsibilities of the Contractor.

3.01 The Contractor will maintain a security program consistent with federal and state laws, regulations, and standards (including the CJIS Security Policy in effect when the contract is executed and all subsequent versions), as well as with policies and standards established by the Criminal Justice Information Services (CJIS) Advisory Policy Board (APB).

4.00 Security Violations.

4.01 The CGA must report security violations to the CJIS Systems Officer (CSO) and the Director, FBI, along with indications of actions taken by the CGA and Contractor.

4.02 Security violations can justify termination of the appended agreement.

4.03 Upon notification, the FBI reserves the right to:

a. Investigate or decline to investigate any report of unauthorized use;

b. Suspend or terminate access and services, including telecommunications links. The FBI will provide the CSO with timely written notice of the suspension. Access and services will be reinstated only after satisfactory assurances have been provided to the FBI by the CGA and Contractor. Upon termination, the Contractor's records containing CHRI must be deleted or returned to the CGA.

5.00 Audit

5.01 The FBI is authorized to perform a final audit of the Contractor's systems after termination of the Security Addendum.

6.00 Scope and Authority

6.01 This Security Addendum does not confer, grant, or authorize any rights, privileges, or obligations on any persons other than the Contractor, CGA, CJA (where applicable), CSA, and FBI.
