ARTICLE II CREATION OF DISTRICT AND EXECUTION OF AGREEMENTS

Section 2.01. Creation of District. The County acknowledges the creation of the District and the County's support for creation of the District and inclusion of the Land within the District. The County agrees that no further action will be required on the part of the County related to the creation of the District and inclusion of the Land therein.

Section 2.02. District Execution of Agreement. The Owner shall cause the District's Board of Directors to approve, execute, and deliver to the County this Agreement within thirty (30) days after the date the District's Board of Directors holds its organizational meeting. If the District fails to execute this Agreement in accordance with this Section, then after notice and opportunity to cure pursuant to Section 5.04, this

Agreement shall be null and void and of no further force and effect as between the District and the County.

ARTICLE III ROADWAY IMPROVEMENTS

Section 3.01. Right of Way Dedications.

(a) LRTP Corridor Project Dedication. The County has adopted a LRTP which provides for the planning and future construction of certain road corridors within the County (“Corridor Project”). The Owner, or an affiliated entity under common control of the Owner will dedicate the right-of-way for the Corridor Project shown in **Exhibit B** owned by Owner, or an affiliated entity under common control of Owner, free and clear of liens, to County, by final plat when Owner, or an affiliated entity under common control of Owner, plats the land adjacent to the Corridor Project. To the extent the County determines, at any time, that such right-of-way is required for the Corridor Project prior to dedication of the right-of-way by plat, Owner will convey, or cause to be conveyed, such right-of-way shown in **Exhibit B** by special warranty deed, free and clear of liens, within thirty (30) days of a request by the County Engineer for said right-of-way dedication by deed. To the extent the right-of-way dedication is needed on land that is outside the boundaries of the Land and is not otherwise owned by Owner, or any affiliated entity under common control of Owner, the County shall be responsible for acquiring said right-of-way.

(b) LRTP Arterial(s) Dedication. The Owner, or an affiliated entity under common control of Owner will dedicate to the County, in fee simple and free and clear of all liens and encumbrances, at no cost to the County, through plat or otherwise, as determined by the County, 100% of the right-of-way owned by the Owner, or an affiliated entity under common control of Owner required for any roads which are shown within and/ or adjacent to the boundaries of the Land as arterial roadways in the LRTP (“LRTP Arterial(s)”), as depicted in **Exhibit B**. To the extent the right-of-way dedication is needed on land that is outside the boundaries of the Land and is not owned by Owner, or an affiliated entity under common control of Owner, the County shall be responsible for acquiring said right-of-way.

(c) Right of Way Reimbursements. The Owner reserves the right to seek reimbursement for any such right-of-way dedications from the District in accordance with the laws of the State of Texas. The Parties acknowledge that the final location of any Corridor Project and/or LRTP Arterial(s) right-of-way may be subject to minor changes from those shown on **Exhibit B**, subject to approval by Owner which will not be unreasonably withheld. Owner shall have no obligation to convey any lands to the County not located within or adjacent to the Land.

Section 3.02. Road Construction. Except in cases when the Owner or District constructs a portion of a Corridor Project to serve the District pursuant to the Applicable Rules, the County agrees that it or another governmental entity, not including the District, will be responsible for the design and construction of any Corridor Project and paying the cost for same. The actual construction date of any Corridor Project is at this time undetermined and dependent upon the success of future County or City road bond elections. The construction of all Subdivision Roads shall be the responsibility of the Owner or the District and shall be constructed pursuant to the Applicable Rules. The Owner shall be entitled to reimbursement for expenses of such Subdivision Roads from the District, as allowed by the laws of the State of Texas.

Section 3.03. Road Maintenance. The County will not ever accept the Subdivision Roads for maintenance and the Owner and District acknowledge and agree that the District shall be solely responsible for all maintenance, repair and/or reconstruction of Subdivision Roads, including paying the cost for same, and, except for traffic operations, the County shall not be responsible for those items. The Owner hereby acknowledges that the District's powers include the powers and authority necessary to maintain, repair and/or reconstruct such Subdivision Roads. The District shall not be responsible for maintenance of any roads other than Subdivision Roads.

ARTICLE IV DEVELOPMENT OF LAND

Section 4.01. Uniform and Continued Development. The Parties intend that this Agreement provides for the uniform review and approval of plats and development plans for the Land; and provide other terms and consideration. Accordingly, the portion of the Land within the County will be developed and the infrastructure required for such portion of the Land will be designed and constructed in accordance with the Applicable Rules and this Agreement. Subject to the terms and conditions of this Agreement, the County confirms and agrees that the Owner has vested authority to develop the portion of the Land located in the County in accordance with the Applicable Rules. Changes or modifications to the Applicable Rules will only be applicable to the extent permitted by Chapter 245, Texas Local Government Code. If there is any conflict between the Applicable Rules and the terms of this Agreement, the terms of this Agreement will control.

Section 4.02. Additional Land. Any land located in Williamson County, Texas that is added to the District in addition to the Land described in **Exhibit A**, whether by annexation or any other means, shall be considered part of the Land and subject to the terms and conditions of this Agreement; provided, however, such additional land shall be excepted from the vesting rights set out in Section 4.01 and shall be developed in accordance the applicable rules in effect on the date a complete plat application or development permit is filed with the County for the specific portion of the additional land that is sought to be developed.

Section 4.03. Manufactured Home for District Elections. One (1) HUD-certified manufactured home may be located within the Land solely for the purpose of providing qualified voters within the District for the District's confirmation, director,

and bond elections. The manufactured home permitted by this Agreement will not require any permit or other approval by the County and will be promptly removed when no longer needed.

Section 4.04. Subdivision Application Processing. The County agrees that submittal, or approval, of a preliminary plat will not be required to obtain County approval of subdivision construction plans and final plat for the Land, or portions thereof. Following execution of this Agreement, Owner may submit, and County will review, subdivision construction plans and a final plat without approval of a preliminary plat.

ARTICLE V TERM, ASSIGNMENT, AND REMEDIES

Section 5.01. Term. The term of this Agreement shall commence following the County's and Owner's execution hereinbelow and shall continue until the District is dissolved in accordance with the laws of the State of Texas or until this Agreement terminates by its terms, whichever is sooner.

Section 5.02. Termination and Amendment by Agreement. This Agreement may be terminated or amended as to all of the Land at any time by mutual written consent of the County, the Owner, and following execution by the District, the District. This Agreement may be terminated or amended only as to a portion of the Land at any time by the mutual written consent of the County, the owner of the portion of the Land affected by the amendment or termination and, following execution by the District, the District. After full-build out of the Land and issuance of all bonds by the District for reimbursement of Owner's eligible costs, this Agreement may be terminated or amended at any time by the mutual written consent of the County and the District.

Section 5.03. Assignment.

(a) This Agreement, and the rights of the Owner hereunder, may be assigned by the Owner, with the County's written consent which will not be unreasonably withheld, as to all or any portion of the Land. Any assignment will be in writing, specifically set forth the assigned rights and obligations, be executed by the proposed assignee, and be delivered to the County. Notwithstanding the foregoing, Owner shall have the right to assign the Agreement, in whole or in part, to any affiliated entity under common control of the Owner without the County's written consent; provided, however, that the Owner shall provide the County written notice of the assignment to the affiliated entity under common control.

(b) The terms of this Agreement will run with the Land and will be binding upon the Owner and its permitted assigns, and shall survive judicial or non-judicial foreclosure, for so long as this Agreement remains in effect.

(c) This Agreement is not intended to be binding upon, or create any encumbrance to title as to, any ultimate consumer who purchases a fully subdivided, developed, and improved lot within the Land.

Section 5.04. Remedies.

(a) If the County defaults under this Agreement, the Owner or the District may give notice setting forth the event of default (“Notice”) to the County. If the County fails to cure any default that can be cured by the payment of money (“Monetary Default”) within forty-five (45) days from the date the County receives the Notice, or fails to commence the cure of any default specified in the Notice that is not a Monetary Default within forty-five (45) days of the date of the Notice, and thereafter to diligently pursue such cure to completion, the Owner or the District may enforce this Agreement by injunctive relief or a writ of mandamus from a Williamson County District Court or terminate this Agreement.

(b) If the Owner or the District defaults under this Agreement, the County may give Notice to the defaulting party. If the Owner or the District fails to cure any Monetary Default within forty-five (45) days from the date it receives the Notice, or fails to commence the cure of any default specified in the Notice that is not a Monetary Default within forty-five (45) days of the date of the Notice, and thereafter to diligently pursue such cure to completion, the County may enforce this Agreement by injunctive relief against the defaulting party from a Williamson County District Court or terminate this Agreement. If Owner fails to cause the District’s Board of Directors to approve, execute, and deliver to the County this Agreement as required by Section 2.02 of this Agreement, the County shall have the right to enjoin Owner from executing any Reimbursement Agreements with the District and collecting reimbursements from the District for Owner’s eligible costs.

(c) If any Party defaults, the prevailing Party in the dispute will be entitled to recover its reasonable attorney’s fees, expenses, and court costs from the non-prevailing Party.
