Funding for Mental Health Visiting Judges

Submitted By: Sharrion Threadgill, All County Courts**Department:** All County Courts**Agenda Category:** Regular Agenda Items

Information**Agenda Item**

Discuss, consider and take appropriate action on funding a professional line item for visiting judges hearing mental health cases, beginning December 1, 2026.

Public Background

On February 1, 2022, the Court approved the use of ARPA funds for visiting judges and court reporters (if necessary) to support and manage the mental health case load assigned to the County Courts at law. The County Courts have not requested additional CCL judges and have made the necessary adjustments for the use of visiting judges assigned these duties. Since the funds will be exhausted in November 2026, the County Courts are requesting approval to continue use of visiting judges to handle the mental health docket / related duties and request funds in the amount of \$40,000 for visiting judges (4,000 x 10 months) and \$23,000 for visiting court reporters (275.24 x 70 hearings) to fund a professional services line item in 0100-0425-004100.

Start Date:	12/1/2026
End Date:	10/1/2027
Please select request category:	Personnel
Describe the purpose of the grant in detail to include all requirements.	In February 2022, the Court approved ARPA funds, not to exceed \$250,000, for the use of visiting judges and visiting court reporters to assist with the surge in mental health filings and hearings. Those funds will be depleted by November of this year.
Select the type of grant your department is applying for:	
What is the amount of the grant?	
Please provide a breakdown of the total cost above.	Since the funds will be exhausted in November 2026, the County Courts are requesting approval to continue use of visiting judges to handle the mental health docket and related duties and request funds in the amount of \$40,000 for visiting judges (4,000 x 10) and \$23,000 for visiting court reporters (275.24 x 70 hearings) to fund professional services line item in 0100-0425-004100.
Is there a match requirement?	
What is the source of the match?	
Does the grant cover the cost of the request 100%?	
If not, how much is left unpaid?	
What is the plan to obtain grants/funds for the remaining amount?	
List other similar assets in the County and/or region and if they are available for use?	
How is this asset request different from any similar assets currently in the County and/or region?	
What types of events/purpose would this asset be used for that cannot be accomplished with a current County asset?	
How often do these events occur?	
Identify the number of personnel required to operate this asset and/or be available for the function where it is to be used? How much time is required of those personnel? What is the cost of the personnel?	
Where will the asset be stored?	
What is the useful life of the asset?	
Will a replacement be requested from general funds when useful life has been exhausted?	
Will other agencies be billed for the use of this asset (e.g. vendors paid, employee worked hours and paid, inventory costs etc.)?	

Does this asset require insurance coverage?	
If yes, what is the estimate of asset insurance coverage?	
Will this asset require on-going maintenance? Please describe the maintenance required along with an estimate for these costs.	
How will this asset be funded when the grant ends?	
What is the impact if the grant is not received?	
New Personnel position is:	Part Time
Where will this position office?	virtual - or any available space
Who will this position report to?	Judge Laura Barker, Presiding Judge of County Court at Law No. 2
What tasks will this position perform? Include the five primary functions and the percentage of time spent to be spent on each function.	Monitoring the Mental Health Case queue - review incoming Applications for Temporary Mental Health and Applications for Protective Custody filings. Due to the nature of the filings, the queue must be monitored and a Judge available to review filings immediately. If warranted, the Judge would sign an order taking the patient into temporary custody (to be placed in a mental health facility), appoint an attorney and set both a probable cause and commitment hearing. The judges would review and consider Applications for Orders to Administer Psychoactive Medications. If supported, sign the order, appoint an attorney and set hearing. Presides over Probable Cause hearings - the initial hearing on temporary mental health services cases and determine whether probable cause exist to continue protective custody. Presides over Commitment hearings - determines whether or not the patient is a continued threat to self and others. Consider and if appropriate, sign dismissals and related documents. Ensure compliance with statutory requirements
Will this position take over tasks from current County employee?	
If yes, please explain the impact to current employee.	
How will this position be funded when the grant ends?	The request is for the Commissioners Court to fund Professional Services line item 0100-0425-004100 in the amount of \$40,000 for visiting judges (4,000 x 10 months) and \$23,000 for visiting court reporters (275.24 x 70 hearings)
Does this position or a similar position currently exist within the department?	
If yes, how many of these similar positions exist?	
Describe any alternatives considered to achieve desired outcome in lieu of a position (i.e. equipment, software, technology or change in business practice).	The alternative would be to create an Associate Judges position to assist the County Courts at Law or request to establish an additional County Court at Law.

Describe how workload will be accomplished/re-allocated should grant not be approved.	If the funding is not approved, the workload will need to be reallocated among existing staff and court resources. This would require moving dockets around or, in some instances, removing dockets entirely to provide Judge sufficient time to conduct hearings and manage essential court functions. Such changes would negatively impact on the court's ability to meet the OCA's performance expectations and reporting numbers. In addition, commitment hearings are governed by strict statutory timelines that must be met. An attorney must be appointed within 24 hours after the application is filed, the probable cause hearing must be conducted within 72 hours of the appointment, and the commitment hearing must be heard within 14 days of the filing. These deadlines require immediate attention and scheduling priority, which places additional strain on an already heavy docket. Additionally, the Judge already carries a significant administrative burden due to the responsibilities associated with specialty courts. Without funding support, those administrative duties would increase substantially, placing further strain on current operations and limiting efficiency. While the work will still be completed, it will be accomplished under intensified conditions, with increased pressure on existing personnel, reduced flexibility in scheduling, and a greater risk of delays or reduced capacity in court services.
List other similar items in the County and/or region and if they are available for use?	
How is this item request different from any similar assets currently in the County and/or region?	
What types of events/purpose would this item be used for that cannot be accomplished with a current County asset?	
Identify the number of personnel required to operate this item and/or be available for the function where it is to be used?	
Please explain how this item will create the need for more or less personnel (or mark n/a for no change)?	
Where will the item be stored?	
What is the useful life of the item?	
Will other agencies be billed for the use of this item (e.g. vendors paid, employee worked hours and paid, inventory costs etc.)?	
Does this item require insurance coverage?	
Will this item require any form of licensing?	
Will this item require on-going maintenance? Please describe the maintenance required along with an estimate for these costs?	
How will this item be funded when the grant ends?	
What is the overall budgetary impact? (i.e. revenue generation, expense reduction, etc.)	Funding of Professional services line item in 0100-0425-004100 in the amount of \$40,000 for visiting judges (4,000 x 10 months) and \$23,000 for visiting court reporters (275.24 x 70 hearings) from the general fund.
Please identify any additional equipment needed/required (now or in the future) should the grant/asset is awarded.	The position would require laptop computers for virtual hearing and access Enterprise Justice.
What is the cost and frequency to maintain/update the additional equipment?	New laptop every 3 years per IT guidelines and lease expiration

What is the impact of this grant application on other internal/county departments?	N/A
If yes, what is the estimate of that license fee?	
If yes, what is the estimate of insurance coverage?	
Will a replacement be requested from general funds when useful life has been exhausted? (OR)	
If yes, how much is the match amount?	
Please identify any known decrease in funding at this time.	The ARPA funds allowed for the project will be depleted in November 2026.
Is this a new program to your department/office?	No
Please provide data points to be collected to show program success	
Please show historical data points or performance measures, statistics, services provided, etc. or any/all updates for re-application	There have been 1301 Applications for Temporary Mental Health Services, Applications for Protective Custody, and Applications for Order to Administer Psychoactive Medications filed since February, 2022. Agenda Item

Discuss, consider, and take appropriate action designating the Williamson County Commissioners Courtroom on the Second Floor of the Williamson County Administration Building, 1848 Texas Trail, Georgetown, Texas as the new meeting location to hold the Regular Terms or Regular Meetings of the Williamson County Commissioners Court, with the first meeting being held at said location on July 14, 2026, and continuing thereafter on each Tuesday of each month during the remainder of FY 2026, with all other meetings or sessions of Commissioners Court being Special Terms or Special Meetings (unless otherwise amended or provided by the Williamson County Commissioners Court) [Tex. Loc. Gov't Code § 81.005].

Public Background

At its session on September 30, 2025, the Williamson County Commissioners Court designated the Williamson County Commissioners Courtroom on the Second Floor of the Historic Williamson County Courthouse, 710 Main Street, Georgetown, Texas as the location for holding its Regular Meetings during Fiscal Year 2026. The new Williamson County Administration Building is nearing completion, and it will be necessary to designate the new facility as the location for holding the Williamson County Commissioners Court's Regular Meetings for the remainder of Fiscal Year 2026.

Sec. 81.005. TERMS OF COURT, MEETINGS. (a) At the last regular term of each fiscal year of the county, the commissioners court by order shall designate a day of the week on which the court shall convene in a regular term each month during the next fiscal year. If the completion of the court's business does not require a monthly term, the court need not hold more than one term a quarter. A regular term may continue for one week but may be adjourned earlier if the court's business is completed.

(b) The county judge or three county commissioners may call a special term of the court. A special term may continue until the court's business is completed. A special term may be held at a meeting place located in the county and outside the county seat if:

- (1) the commissioners' court agrees to meet in that location; and
- (2) the meeting place is in a building providing public access that can accommodate the number of persons expected to attend the meeting.

(c) Except as provided by Subsections (b) and (f) of this section, the term shall be held at:

- (1) the county seat at the courthouse;
- (2) an auxiliary courthouse, courthouse annex, or another building in the county acquired by the county under Chapter 292, 293, or 305 or another law, that houses county administration offices or county or district courts, located inside the municipal limits of the county seat;

(3) the regular meeting place of another political subdivision if:

(A) the commissioners court meets with the governing body of that political subdivision located wholly or partly within the county; and

(B) the regular meeting place of that political subdivision is in the county;

(4) a meeting place in the county in a building owned by another political subdivision located wholly or partly in the county if:

(A) the commissioners court meets with the governing body of that political subdivision;

(B) the places where the commissioners court and the governing body of the political subdivision regularly hold their meetings are not large enough to accommodate the number of persons expected to attend the meeting; and

(C) the meeting place in the building owned by the political subdivision is large enough to accommodate the expected number of persons; or

(5) a meeting place in the county in a building owned by the county if:

- (A) the place where the commissioners' court regularly holds its meetings is not large enough to accommodate the number of persons expected to attend the meeting; and
- (B) the meeting place in the building owned by the county is large enough to accommodate the expected number of people.
- (d) At the first regular term of each calendar year, the commissioners court may select, on no less than seven days notice, a new site at which terms are to be held during that year pursuant to Subsection (c)(2).
- (e) On initial enactment of this legislation, the county commissioners court may select a new site pursuant to Subsection (c)(2) on seven days notice and passage at a regular meeting of commissioners court.
- (f) If the commissioners' court determines that, in the interest of public safety, the term should be held at a site other than the site selected under Subsection (d), the commissioners' court may, after notice, hold a term at a different site as determined by the commissioners' court.
- (g) Any business of the commissioners court that is required by law to be conducted at a regular term may also be conducted at any meeting of the court held on a day on which the court routinely and periodically meets, regardless of whether the periodic interval is weekly, monthly, quarterly, annually, or some other interval.
- (h) The commissioners court may designate a day of the week on which the court shall convene in a regular term each month other than the day of the week designated under Subsection (a).

Transportation of Deceased Discretionary Exemption

Submitted For: Angela Williams**Submitted By:** Melissa East, J.P. Pct. #2**Department:** J.P. Pct. #2**Agenda Category:** Regular Agenda Items

Information**Agenda Item**

Discuss, consider, and take appropriate action on the transportation of the deceased discretionary exemption as an item necessary to preserve or protect the public health or safety of the residents of the county.

Public Background

The transportation of deceased individuals may be considered a necessary service to preserve and protect the public health and safety of county residents. Timely removal of human remains from homes, public locations, healthcare facilities, or other death scenes prevents potential health concerns, supports death investigations, maintains public confidence, and ensures the dignified handling of the deceased. Due to the urgent and often unpredictable nature of these services, counties may determine that the transportation of deceased individuals may qualify as a discretionary exemption from competitive procurement requirements when necessary to protect public health and safety and to ensure the efficient operation of the county's death investigation system.
