RE: BICYCLES

Enclosed you will find a list of bicycles that the Sheriff's Department has recovered as found property or other wise. I have exhausted all means to locate the rightful owners.

I would like to auction the bicycles at a public auction.

Please advise me of your decision. My direct phone number is 943-1361.

Re: Jo Baxter Expense Reimbursement

Our office has rejected previous expense reimbursements that were older than 60 days because of the Commissioners Court ruling dated June 20, 1995. That ruling set a 60 day time limit for turning in expenses.

We told Beverly Hoines at the Extension office to request the reimbursement in question to be put on the agenda for a decision. Our office does not wish to go against the Court's ruling.

We feel Jo Baxter has had ample opportunity to submit these expenses. She has turned in an expense request every month starting in November 1998. (see attachment)

Please contact me for any questions or further information you may need regarding this situation.

Thank you,

Donna McKittrick
