The Honorable Dan Gattis Sr.
Williamson County Judge
Williamson County Courthouse

Subject: Williamson County Landfill (Landfill) Disposal Rates

Dear Judge Gattis:

As you know, pursuant to Section 5 of the current Williamson County Landfill Operation Agreement, the disposal rates at the Landfill were increased effective January 1, 2008.

Also effective January 1, 2008, the Landfill's separate flat rate charge for cars was discontinued due to the fact that the number of cars entering the Landfill to dispose of waste was not significant. In its place, one single flat rate for disposal for both pick-up trucks and cars was set at \$25.00 plus applicable fees. While the Landfill is not required to maintain a separate, lower flat rate fee for cars, effective March 17, 2008, a flat rate of \$15.00 plus applicable fees for cars will be reestablished. The flat rate for pick-up trucks will remain at \$25.00 plus applicable fees.

Please let me know if you have any questions.

Sincerely,

Waste Management of Texas, Inc.
