

Hi Mary,

I just spoke with the engineer we have contracted to do the traffic control plan. He should have it done by Tuesday or Wednesday. We are short on time, so if a verbal approval from Lt. Drawbaugh would be sufficient to get us on the April 15th agenda that would be a great help. Thank you in advance for your time.

Best, Emily

Emily,

Please let me know when you have completed the traffic control plan. Upon completion please send me a copy. If you have it done by noon tomorrow I can get it on the agenda for April 15th. If not I will shoot for April 22nd. It is normally our policy to wait until the city has approved the various closures, however in this circumstance I will get verbal approval from Lt. Drawbaugh.

Kind Regards,

Mary Clark

Hi Mary,

I just received your voice message. My contact at the City of Round Rock is Lieutenant Bob Drawbaugh. From what I understand, our application is currently pending approval and is contingent upon the permission to use CR 172 and presenting an engineering traffic control plan. The latter is currently underway. Please do not hesitate to contact me if you have any other questions.

Best, Emily

Hi Emily,
Can you please tell me if the other road closures have been approved by the City of Round Rock. Who is your contact over there?

Thank you so much for talking with me. Please find attached the map of the race course. The section of CR 172 used is between Hesters Crossing and Chisholm Valley Rd (approximately .3 miles). The FOX 7 SHOES 4 KIDS 5K will be held Saturday, May 3 and begin at 8 a.m. The last runner/ walker usually completes this section of the route within 30 minutes. We are requesting the use of the road between 8:00 a.m. and 8:30 a.m. Thank you in advance for your time.
Best, Emily
