

We are trying to plan a block party for our neighborhood for Saturday, May 24 from 5:00 pm until 9:00 pm . There are approximately 110 homes in our particular neighborhood. We would like to block a portion of the street off for our block party. It is Centerbrook Place in the subdivision of Teravista in an unincorporated section of the city of Round Rock. We are hoping to block off Centerbrook Place from just past Hidden Brook Place to just before Fairway Path. Residents who live at the other end of Centerbrook Place would be able to access their homes by coming into the neighborhood on Centerbrook Place, turning right onto Fairway Path and following that to Centerbrook Place to regain access.

Should you need any more information, please contact:

Thanks very much for your time.

Sincerely,
