

Archive Plan

For Preservation and Restoration
of Archived Records

Presented by

Nancy E. Rister, County Clerk

August, 2008

Executive Summary

The vast majority of the permanent records in the County Clerks office are paper based. These records are used on a daily basis by the public and are vulnerable to loss by theft and wear and tear.

With no cost to the County, these records can be preserved by using the archive fees collected to cover the cost of scanning the paper based documents and preserving the handwritten ones by encapsulation. In addition, to preserving the documents, the images can be added to our existing imaging system and improve customer service by offering a wider date range of documents on the Internet.

Introduction

County Clerks are currently authorized to collect a records management fee for maintaining and preserving current documents. A fee not to exceed \$5 can be imposed for recording or filing public documents in county clerk offices in any county for the purpose of preserving, restoring, and managing these county records. The legislation is designed to target archived records. This does not include court records.

This bill authorizes the Commissioners Court to adopt a records archive fee as part of the county's annual budget. This additional revenue will be dedicated to help focus on preserving older records.

Williamson County Commissioners Court approved this \$5 fee on August 26, 2003 under agenda item #23.

Historical Data FY2001 – FY2008

In FY 2001-2002 Deed books 1 through 3 and Survey book for 1902 were preserved and encapsulated. In FY 2002-2003 Deed books 4 and 5 were preserved and encapsulated. In FY 2003-2004 Police Court minutes 1850 – 1859; Elections Volume 1 – 1884-1892; Deed books 6 – 26 were preserved and encapsulated. In FY 2004-2005 Deed books 27 – 122 were preserved and encapsulated. In FY 2005-2006 Williamson County Bid 06WC406 awarded. Deed books 123 – 168 were preserved and encapsulated. In FY 2006-2007 Marriage Indexes 1848 - 1997; Elections Volumes 2-9 were preserved and encapsulated.

The encapsulation effort was halted in 2006 pending the acceptance of the vendor that has done the majority of our books onto the State of Texas contract vendor's list. In early 2008, Brazoria County, TX awarded a contract to this same vendor for repair and restoration of historical books for Brazoria County. At that time, Williamson County Clerk's Office entered into an Interlocal agreement with Brazoria County for the Repair and Restoration of historical books.

Williamson County Commissioners Court approved an Interlocal Agreement with Brazoria County for the Repair and Restoration of historical books for the County Clerk on March 25, 2008 under agenda item #25.

Subsequent to the approval by the Commissioners Court, 52 Marriage books and 51 Commissioner's Court books were sent to the selected vendor for preservation and encapsulation.

Since February of 2005 with a staff of 7 we have scanned over 75% of the deed books. Three of the original staff left for various reasons and only 4 remain. All books that are scanned will be made available on personal computers in the public research area and over the internet. Each book and page will be accessible by book and page lookup.

Archive Plan

Fiscal Year 2008 – 2009

Scanning has taken place of approximately 724 out of 943 deed books. These images are available online. Revenue collected and not expended to the fiscal year will be carried forward. Many books still need to be encapsulated including birth, death, marriage, Commissioners Court, etc. Each budget year a revised plan and report of the current progress will be reported.
