Barry,

This contract is working well for the county. All of the aspects of the operation are being accomplished successfully and the tennis customers that we have heard from are very satisfied with Danny and his operation. This is the last of the contract extension so we must rebid after this extension. Should you need any further information please let me know.

Subject: Williamson County Tennis Center Contract Extension

Hi Jim:

Our tennis contract is coming up for another possible one year extension on September 30, 2008. As we discussed, we feel our tennis operation is going well and would like to extend the contract for another year.

Thanks for allowing us to serve Williamson County in this capacity.

Please let me know if this is granted.
