

Memorandum

Jim Rodgers
PARKS AND RECREATION DIRECTOR

To: Bob Space, Director of Purchasing
From: Jim Rodgers, Director Parks and Recreation
Date: December 10, 2008
Subject: Award of RFP- Number 08WCP713 Cattle lease

Bob,
Jonathon Harris, Patrick Strittmatter and I evaluated the three proposals received. I recommend award of the RFP to Mr. Robert Wunsch. All proposers have good ranching experience, have managed livestock, have good/comparable references, have satisfactorily answered all components of the RFP and offered good lease amount's to the County. Mr. Wunsch's RFP was very good and his lease price gave a distinct dollar difference. The evaluation matrix is accompanies this memo. Thank you for Jonathon's and Patrick's help and should you need any further information please let me know.
