Re: 7700 Cornerwood Drive, Austin, TX 78717 (Technology Center) – WCCF application 20081204-01

Dear Mr. Dorsey:

The review of the referenced project has been completed in accordance with the Williamson County Regional Habitat Conservation Plan (RHCP). Based on the supporting documents you provided, the Williamson County Conservation Foundation makes the following determination as to your application:

1. The mitigation fee for the referenced project will be \$32,600.00 (Thirty-two thousand, six hundred and no hundredths dollars). This amount ("Participation Fee") will be reflected in Paragraph 2 of the Participation Agreement.
2. Please notify this office as soon as possible – by email to [wccf@wilco.org](mailto:wccf@wilco.org) or by fax to 512-260-4231 – of your agreement to these mitigation terms. An agenda item will be prepared for the next available Williamson County Commissioner's Court for acceptance.
3. Following acceptance by the Commissioner's Court we will provide you with fund transfer instructions for the Participation Fee.
4. Upon receipt of the Participation Fee the Agreement will be prepared and sent to you. The cover documents for the Agreement will include instructions for filing in Williamson County deed records.

These actions will complete your participation in the RHCP for the referenced project/tract. When we receive confirmation of filing, this office will subsequently prepare and mail a participation certificate to you. Although the certificate is not an official document, it may be posted at the project site as notification of participation in the Williamson County RHCP.

Should you have any questions about this letter, please contact WCCF.

Sincerely,

Gary D. Boyd  
Environmental Program Coordinator  
Williamson County Conservation Foundation
