RESOLUTION

Whereas, in 1991 the United States Congress designated a week in April as National Public Safety Telecommunicators Week; and

Whereas, when an emergency occurs the prompt response of sheriff's deputies, constables, police officers, firefighters and paramedics is critical to the protection of life and preservation of property; and

Whereas, the safety of our first responders is dependent upon the quality and accuracy of information obtained from citizens who telephone the Williamson County Emergency Communications Center; and

Whereas, Public Safety Telecommunicators are the first and most critical contact our citizens have with emergency services; and

Whereas, Public Safety Telecommunicators are the single vital link for our first responders by monitoring their activities by radio, providing them information and insuring their safety; and

Whereas, Public Safety Telecommunicators have contributed substantially to the apprehension of criminals, suppression of fires and treatment of patients; and

Whereas, each dispatcher has exhibited compassion, understanding and professionalism during the performance of their job in the past year;

Therefore Be It Resolved that the Williamson County Commissioners Court declares the week of April 19 through 25th, 2009, to be Williamson County Public Safety Telecommunicator's Week in honor of the men and women whose diligence and professionalism keep our county and citizens safe.
