# of Evaluators:	5	5	5	5
Avg. Place:	3	5	2.2	1
Place:	3rd	5th	2nd	1st

Each evaluator was asked to rank the final 5 interviewing firms in order: 1st, 2nd, 3rd, 4th, and 5th. 1st place is worth 1 point, 2nd place is 2 points, 3rd place is 3 points, 4th place is 4 points, etc. Adding up the total places for each firm equals the firm's total points. The total points for each firm are divided by the number of ranking evaluators which creates an average place. The lower the average place, the better the final place.
