highway facility, all as determin	•		•

AGREEMENT

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties hereto to be by them respectively kept and performed as hereinafter set forth, it is agreed as follows:

1. DESIGN AND CONSTRUCTION

The County	will prepare or provide for the
construction plans for the facility, and will provide for the construction	n work as required by said plans at
no cost to the State. Said plans shall include the design of the acce	ss control, necessary horizontal
and vertical clearances for highway structures, adequate landscape	treatment, adequate detail to
ensure compliance with applicable structural design standards, suffic	cient traffic control provisions, and
general layout. They shall also delineate and define the construction	n responsibilities of both parties
hereto. Completed plans will be submitted to State for review and a	pproval and when approved shall
be attached to the agreement and made a part thereof in all respect	s. Construction shall not
commence until plans have been approved by the State. Any future	revisions or additions shall be
made after prior written approval of the State.	

2. INSPECTION

Ingress and egress shall be allowed at all times to such facility for Federal Highway Administration personnel and State Forces and equipment when highway maintenance operations are necessary, and for inspection purposes; and upon request, all parking or other activities for periods required for such operations will be prohibited.

The state auditor may conduct an audit or investigation of any entity receiving funds from the state directly under the contract or indirectly through a subcontract under the contract. Acceptance of funds directly under the contract or indirectly through a subcontract under this contract acts as acceptance of the authority of the state auditor, under the direction of the legislative audit committee, to conduct an audit or investigation in connection with those funds. An entity that is the subject of an audit or investigation must provide the state auditor with access to any information the state auditor considers relevant to the investigation or audit.

3. PARKING REGULATIONS

Parking regulations shall be established limiting parking to single unit motor vehicles of size and capacity no greater than prescribed for 1¹/₂ ton trucks, such vehicles to conform in size and use to governing laws. Parking shall be permitted only in marked spaces.

Parking shall be prohibited when a security threat, as determined by TxDOT, exists.

Form 2044 (Rev. 01/08) Page 3 of 8

4. PROHIBITION/SIGNS

Regulations shall be established prohibiting the parking of vehicles transporting flammable or explosive loads and prohibiting use of the area in any manner for peddling, advertising or other purposes not in keeping with the objective of a public facility. The erection of signs other than those required for proper use of the area will be prohibited. All signs shall be approved by the State prior to the actual erection.

5. RESPONSIBILITIES

Maintenance and operation of the facility shall be entirely the responsibility of the

County

Such responsibility shall not be transferred,
assigned or conveyed to a third party without the advanced written approval of the State. Further,
such responsibility shall include picking up trash, mowing and otherwise keeping the facility in a clean
and sanitary condition, and surveillance by police patrol to eliminate the possible creation of a
nuisance or hazard to the public. Hazardous or unreasonably objectionable smoke, fumes, vapor or
odors shall not be permitted to rise above the grade line of the highway, nor shall the facility subject
the highway to hazardous or unreasonably objectionable dripping, droppings or discharge of any kind,
including rain or snow.

6. FEES

Any fees levied for use of the facilities in the area shall be nominal and no more than are sufficient to defray the cost of construction, maintenance and operations thereof, and shall be subject to State approval.

7. TERMINATION UPON NOTICE

This provision is expressly made subject to the rights herein granted to both parties to terminate this agreement upon notice, and upon the exercise of any such right by either party, all obligations herein to make improvements to said facility shall immediately cease and terminate.

8. MODIFICATION/TERMINATION OF AGREEMENT

If in the sole judgment of the State it is found at any future time that traffic conditions have so changed that the existence or use of the facility is impeding maintenance, damaging the highway facility, impairing safety or that the facility is not being properly operated, that it constitutes a nuisance, is abandoned, or if for any other reason it is the State's judgment that such facility is not in the public interest, this agreement under which the facility was constructed may be: (1) modified if corrective measures acceptable to both parties can be applied to eliminate the objectionable features of the facility; or (2) terminated and the use of the area as proposed herein discontinued.

9. PROHIBITION OF STORAGE OF FLAMMABLE MATERIALS

All structures located or constructed within the area covered by the agreement shall be fire resistant. The storage of flammable, explosive or hazardous materials is prohibited. Operations deemed to be a potential fire hazard shall be subject to regulation by the State.

10.	RESTORATION OF AREA			
	The County	shall provide	written notifica	ation to the State
	that such facility will be discontinued for the purpose	defined herein.	The	County
	si	hall, within thirty ((30) days from	the date of said
	notification, clear the area of all facilities that were its	s construction res	sponsibility un	der this agreement
	and restore the area to a condition satisfactory to the	e State.

13. INSURANCE

13.	3. INSURANCE				
	The County	shall provi	de necessary safeguards to		
	protect the public on State maintained highways including adequate insurance for payment of any				
	damages which might result during the construction, maintenance and operation of the facility occupying such airspace or thereafter, and to save the State harmless from damages, to the extent				
said insurance coverage and insofar as it can legally do so. Prior to beginning work on the S right of way, the 's construction contractor					
shall submit to the State a completed insurance form (TxDOT Form No. 1560) and shall mainta					
	required coverage during the construction of the facility.				
14.	4. USE OF RIGHT OF WAY				
	It is understood that the State by execution	of this agreement does r	not impair or relinquish the State's		
	right to use such land for highway purposes when it is required for the construction or re-construction				
of the traffic facility for which it was acquired, nor shall use of the land under such agreement ever construed as abandonment by the State of such land acquired for highway purposes, and the State					
	the extent its authority and title permits.				
15.	5. ADDITIONAL CONSENT REQUIRED				
	The State asserts only that it has sufficient title for highway purposes. The				
	County	shall be responsible for ol	otaining such additional consent,		
	permits or agreement as may be necessar	y due to this agreement.	This includes, but is not limited		
to, appropriate permits and clearances for environmental, ADA and public utilities.					
16.	16. FHWA ADDITIONAL REQUIREMENTS				
	If the Facility is located on the Federal-Aid	Highway System, "ATTA	CHMENT A", which states		
	additional requirements as set forth in the Federal Highway Administration's Title 23, Code of Federal				
	Regulations, § 710, shall be attached to and become a part of this agreement.

•••			, for itself, its personal		
	The County		, io. addit, no personal		

representatives, successors and interests and assigns, as part of the consideration hereof, does hereby covenant and agree as a covenant running with the land that: (1) no persons, on the grounds of race, color, sex, age, national origin, religion or disabling condition, shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of said facility; (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the ground of race, color, sex, age, national origin, religion or disabling condition, shall be excluded from participation in, denied the benefits of, or otherwise be subjected to discrimination; (3) that the

County

shall use the premises in compliance

with all other requirements imposed by or pursuant to Title 49, Code of Federal Regulations,
Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in
Federally-Assisted programs of the Department of Transportation - Effectuation of Title VI of the Civil
Rights Act of 1964, and as said Regulations may be amended.

That if in the event of any breach of the above non-discrimination covenants, the State shall have the right to terminate the agreement and reenter and repossess said land and the facilities thereon, and hold the same as if said agreement had never been made or issued.

18. AMENDMENTS

Any changes in the time frame, character or responsibilities of the parties hereto shall be enacted by a written amendment executed by both parties hereto.

19. LEGAL CONSTRUCTION

In case one or more of the provisions contained in this agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any provision hereof and this agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in this agreement.
