

Jose I. Guerra, Inc. Consulting Engineers

FIRM PROFILE

Jose I. Guerra, Inc. is a multi-discipline consulting engineering firm located in Austin, Texas, providing a comprehensive range of high quality civil, structural, mechanical and electrical engineering design and consulting services to clients throughout the State of Texas. Jose I. Guerra, Inc. is a privately owned company.

From the very beginning in 1973, Jose I. Guerra, P.E., Chairman and founder, established the high standards in engineering excellence, client service, and reliability that are responsible for the firm's continuing growth and distinguished reputation. In addition to the concerns of its own disciplines, Jose I. Guerra, Inc. is sympathetic with the concerns of the entire design team and the construction process. This understanding, along with the firm's diversified skills, technical expertise, and innovative solutions, distinguishes Jose I. Guerra, Inc. in the field.

Over the years, Jose I. Guerra, Inc. has carefully selected and developed its staff of more than forty professionals and support personnel, creating a finely tuned, experienced and capable engineering team. That, combined with state-of-the art computer technology, makes Jose I. Guerra, Inc. one of the premier engineering firms in the state.
