Notes:					
*The offices with expenses listed from \$0-\$38 or \$0-\$50: some distributors offer free basic cable for law enforcement and emergency personnel, some have to pay a \$38 or \$50 monthly fee.					
* The \$199.95 fee for Juvenile is reimbursed by GISD.					
* The areas highlighted in gray did not respond by Monday morning.					
*All offices utilize Suddenlink as a provider unless otherwise noted under plan.					
Comments made by offices:					
*Constable 1's office would like cable to monitor emergency situations with regard to weather.					
*DA's office does not like the idea of tv broadcasts in public areas due to issues with content control.					
*Constable 2's office has a tv with an antennae to monitor local channels for news, emergencies, and weather.					
*JP 4 would like cable in the waiting room for public and staff viewing (traffic, bad weather, updates).					

*Constable 3's office has a tv with an antennae to monitor local channels for news, emergencies, and weather.
