# Radio Equipment Transfer of Title

1. <u>Grant Award</u> On September 2, 2005, the U.S. Department of Justice, Office of Community Oriented Policing Services (COPS) awarded a COPS Interoperable Communications Technology Program Grant #2005INWX0020 in the amount of $6,000,000, subject to a $2,000,000 local grant match requirement, to the City of Austin. This grant award was for the implementation of a public safety voice radio system in Williamson County ("Project"). The City of Austin and Williamson County ("County") provided funds to satisfy the local grant match.

2. The City of Austin and Williamson County, an Official Partner to the Grant Award, entered into a Public Safety Voice Radio Communications System Implementation Interlocal Agreement. The parties agreed that upon completion of the Project and the City of Austin's final acceptance, title to the COPS funded radio equipment installed on the Regional Communications System shall be transferred to Williamson County.

3. The Project is complete, and the County has accepted transfer of the equipment from the City of Austin.

Therefore, the County hereby transfers title to the COPS funded radio equipment installed on the Regional Communications System that is described on Exhibit "A" (Radio Equipment List) to the City of Round Rock, Texas. In consideration of the transfer, the City of Round Rock agrees not to sell or otherwise transfer the radio equipment described in Exhibit "A" except to the extent permitted by federal law.
