4.4.1. OAG Rights Upon Loss of Funding

4.4.1.1. Legislative Appropriations

- 4.4.1.1.1. All obligations of the OAG are subject to the availability of legislative appropriations and, for federally funded procurements, to the availability of federal funds applicable to this procurement (see Provision of Funding by the United States, subsection below). The parties acknowledge that the ability of the OAG to make payments under this Contract is contingent upon the continued availability of funds for the Child Support Enforcement Strategy and the State Disbursement Unit Strategy (collectively "Strategies"). The parties acknowledge that funds are not specifically appropriated for this Contract and the OAG's continual ability to make payments under this Contract is contingent upon the funding levels appropriated to the OAG for the Strategies for each particular appropriation period. The OAG will use all reasonable efforts to ensure that such funds are available. The parties agree that if future levels of funding for the OAG Child Support Enforcement Strategy and/or the State Disbursement Unit Strategy are not sufficient to continue operations without any operational reductions, the OAG, in its discretion, may terminate this Contract, either in whole or in part. In the event of such termination, the OAG will not be considered to be in default or breach under this Contract, nor shall it be liable for any further payments ordinarily due under this Contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The OAG shall make best efforts to provide reasonable written advance notice to County of any such termination. In the event of such a termination, County shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. OAG shall be liable for payments limited only to the portion of work the OAG authorized in writing and which the County has completed, delivered to the OAG, and which has been accepted by the OAG. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.

4.4.2. Provision of Funding by the United States

- 4.4.2.1. It is expressly understood that any and all of the OAG's obligations and liabilities hereunder are contingent upon the existence of a state plan for child support enforcement approved by the United States Department of Health and Human Services providing for the statewide program of child support enforcement, pursuant to the Social Security Act, and on the availability of Federal Financial Participation for the activities described herein. In the event that such approval of the state plan or the availability of Federal Financial Participation should lapse or otherwise terminate, the OAG, in its discretion, may terminate

Aquaforest TIFF Junction Evaluation

this contract, either in whole or in part. In the event of such termination, the OAG will not be considered to be in default or breach under this contract, nor shall it be liable for any further payments ordinarily due under this contract, nor shall it be liable for any damages or any other amounts which are caused by or associated with such termination. The OAG shall make best efforts to provide reasonable written advance notice to Contractor of any such termination. In the event of such a termination, County shall, unless otherwise mutually agreed upon in writing, cease all work immediately upon the effective date of termination. OAG shall be liable for payments limited only to the portion of work the OAG authorized in writing and which the County has completed, delivered to the OAG, and which has been accepted by the OAG. All such work shall have been completed, per the Contract requirements, prior to the effective date of termination.

4.5. Reimbursement Rates

4.5.1. State Case Registry

- 4.5.1.1. The OAG shall be financially liable to the County for the federal share of the County's Contract associated cost. Federal share means the portion of the County's Contract associated cost that the federal Office of Child Support Enforcement reimburses the state as federal financial participation under Title IV-D; for purpose of reference only the federal share on the effective date of this Contract is 66%. The County agrees that for the purposes of this Contract all of the County's Contract associated costs for any given calendar month is equal to the number of new and modified Registry Only Court Orders (together with all required data elements) provided to the OAG during the calendar month multiplied by a per new and modified Registry Only Court Order fee of \$12.61 plus the number of Registry Only Court Orders updated during the calendar month multiplied by a per Registry Only Court Order updated fee of \$4.01 per Registry Only Court Order updated. Thus: $[(\text{Calendar Month new and modified Registry Only Court Orders provided} \times \$12.61) + (\text{Calendar Month Registry Only Court Orders updated} \times \$4.01)] \times \text{Federal Share} = \text{OAG Liability}$.

4.5.2. Local Customer Service

- 4.5.2.1. The OAG shall be financially liable to the County for the federal share of the County's Contract associated cost. Federal share means the portion of the County's Contract associated cost that the federal Office of Child Support Enforcement reimburses the state as federal financial participation under Title IV-D; for purpose of reference only the federal share on the effective date of this Contract is 66%. The County agrees that for the purposes of this Contract all of the County's Contract associated costs for any given calendar month is equal to the number of inquiries on IV-D cases handled by County personnel during the calendar month, plus the number of inquiries on Registry Only cases (See Section 3.2.1 for the meaning of Registry Only cases) minus the Federal Disallowance Percentage, multiplied by a per inquiry fee of \$4.13 per inquiry. For purpose of reference only the Federal Disallowance Percentage for SFY 2009 annualized is 19%. Thus: $(\text{Calendar Month IV-D Inquiries Handled by County Personnel}) + (\text{Calendar Month Registry Only Inquiries Handled by County Personnel} - \text{Federal Disallowance Percentage}) \times (\$4.13) \times (\text{Federal Share}) = \text{OAG Liability}$.

4.6. Limitation of OAG Liability

- 4.6.1. The OAG shall be liable only for Contract associated costs incurred after commencement of this Contract and before termination of this Contract.
- 4.6.2. The OAG may decline to reimburse Allowable Costs which are submitted for reimbursement more than sixty (60) calendar days after the State Fiscal Year calendar quarter in which such costs are incurred.

Aquaforest TIFF Junction Evaluation

- 4.6.3. County shall refund to the OAG within thirty (30) calendar days any sum of money which has been paid to the County which the OAG and County agree has resulted in an overpayment to County, provided that such sums may be offset and deducted from any amount owing but unpaid to County.
- 4.6.4. The OAG shall not be liable for reimbursing the County if the County fails to comply with the State Case Registry Activities, the County Customer Service Unit Resources and Services, and/or the Customer Service Unit Documentation Sections above in accordance with the requirements of those sections.
- 4.6.5. The OAG shall not be liable for reimbursing the County for any activity currently eligible for reimbursement as of right without the necessity for a prior existing contract e.g. sheriff/processor fees. Nor shall the OAG be liable for reimbursing the County for any activities eligible for reimbursement under another contract or Cooperative Agreement with the OAG e.g. customer service related to cases in the same County's Integrated Child Support System ("ICSS") caseload, when the County has an ICSS contract with the OAG. Nor shall the OAG be liable for reimbursing the County for information correcting erroneous information previously provided by the County.
- 4.6.6. Notwithstanding any other provision of this Contract, the maximum liability of the OAG under this Contract is **Forty Two Thousand Four Hundred Dollars and No Cents (\$42,400.00)**.
- 4.7. Assignment of Claims
 - 4.7.1. County hereby assigns to the OAG any claims for overcharges associated with this Contract under 15 U.S.C. §1, et seq., and Tex. Bus. & Comm. Code §15.01, et seq.

County shall retain all such records for a period of three (3) years after the expiration of the term of this Contract, or until the OAG or the United States are satisfied that all audit claim, negotiation, and litigation matters are resolved, whichever period is longer. Reports or other information relating to this program prepared by the County or at the request of the County shall be furnished to the OAG within ninety (90) days of availability. The requirements of this Subsection shall be included in all subcontracts.

5.4. Reimbursement of Audit Penalty

The written dispute must detail why the County believes the finding is erroneous and must contain all supporting documentation. The OAG Contract Manager will review the dispute submission to determine the validity of the original finding of unsatisfactory performance. The determination of the OAG Contract Manager shall be final and shall conclude the review process. The OAG Contract Manager's determination shall be communicated to the County in writing. If a written dispute of the original finding of unsatisfactory performance is not received by the OAG Contract Manager by the time set forth above, the finding of unsatisfactory performance shall be deemed validated and the County shall have waived its right to dispute the finding.

A corrective action plan, acceptable to the OAG Contract Manager, must be provided within a reasonable time period as specified by the OAG Contract Manager. Failure to provide an acceptable corrective action plan within the specified time period shall result in a withholding of payments due to County under this Contract until such time that an acceptable corrective action plan is provided.
- 5.5.3. If the County does not return to satisfactory status within four months of receiving notice that an unsatisfactory performance finding has been validated, OAG may withhold payments due to County under this Contract until the County is once again performing satisfactorily.
