

*Veterans Day
in America -*

A Brief History

World War I

- *known at the time as “The Great War”*
- *officially ended when the Treaty of Versailles was signed on June 28, 1919, in the Palace of Versailles outside the town of Versailles, France.*

However...

Fighting ceased seven months earlier when an armistice or temporary cessation of hostilities, between the Allied nations and Germany went into effect on

- the eleventh hour of the*
- eleventh day of the*
- eleventh month.*

For that reason, November 11, 1918, is generally regarded as the end of “the war to end all wars.”

November 1919,

*President Wilson proclaimed
November 11
as the first commemoration
of
Armistice Day*

with the following words:

To us in America, the reflections of Armistice Day will be filled with solemn pride in the heroism of those who died in the Country's service and with gratitude for the victory, both because of the thing from which it has freed us and because of the opportunity it has given America to show her sympathy with peace and justice in the councils of the nations..."

*The original concept for the
celebration was for
a day observed with*

*parades and
public meetings and
a brief suspension of business
beginning at 11:00 a.m.*

*Today,
we wish to thank all*

*Veterans
within Williamson County*

*for their service
to this great
Country.*

We also wish to recognize the

*Veterans Services
Department Employees*

*for their
outstanding service to
Williamson County Veterans.*
