Williamson County Judge & Commissioners:

Off Right of Way work for the 1/18/11 Commissioner Court Agenda.

The Road and Bridge Department will be dumping wood chips on the Property of Elmer Friedrich, 103 Woodcrest.

These chips are from tree trimming work in the North Lake Subdivision. This gives the County a place to unload the wood chips that is close to the job site.

Mr. Friedrich will store the chips on his property for use by the North Lake residents at no charge to them.
