REJECTION OR ACCEPTANCE: A primary, secondary, third, and fourth award may be made for this bid. Bids may be rejected for some items, departments or areas, even though awards are made for others. The convenience of having a single source for similar items will be taken into consideration together with price in determining the lowest and best bid.

It is understood that the Commissioners Court of Williamson County, Texas, reserves the right to accept or reject any and/or all bids for any or all materials and/or services covered in this bid request, and to waive informalities or defects in the bid or to accept such bid it shall deem to be in the best interest of Williamson County. In determining the overall best bid, the County may exercise either (or both) of the following options granted to local government's under the Texas Local Government Code.

Option 1 – TLGC § 271.905. This option allows the County to consider a bidder's principal business location in determining the overall lowest and best bid.

Option 2 – TLGC § 271.907. This option allows the County to evaluate bids and give preference to goods and/or services of a vendor that demonstrates that the vendor meets or exceeds any and all state or federal environmental standards, including voluntary standards, relating to air quality. If the bid being submitted will have an effect on air quality for Williamson County (as it relates to any state, federal, or voluntary air quality standard), then the bidder should provide information in narrative form indicating the anticipated air quality impact. Bidders are expected to meet all mandated state and federal air quality standards.

CONTRACT: This Bid, when properly accepted by Williamson County, shall constitute a contract equally binding between the successful bidder and Williamson County.

The successful bidder may be required to sign an additional agreement containing terms necessary to ensure compliance with the bid.

CONTRACT ADMINISTRATION: Under this contract, Greg Bergeron, Unified Road and Bridge System Director, Williamson County, shall be the contract administrator with designated responsibility to ensure compliance with contract requirements, such as but not limited to, acceptance, inspection and delivery. The

CONTRACT PERIOD(S): The Contract Period is from April 1, 2011 through September 30, 2011.

CONTRACT EXTENSIONS: At the end of the contract period, the Commissioners Court reserves the right to extend this contract, by mutual agreement of both parties, as it deems to be in the best interest of the county. This extension will be in six (6) month increments for up to an additional twelve (12) months, with the terms and conditions remaining the same. Any requested price adjustments must follow the economic adjustment clause in the bid documents. The total period of this contract, including all extensions will not exceed a maximum combined period of eighteen (18) months. The extension of this contract is contingent on the appropriation of necessary funds by Commissioner's Court for the fiscal year in question. Upon the failure of Commissioner's Court to so appropriate in any year, the Vendor may elect to terminate this agreement, with no additional liability to the County. The County and the Vendor agree that termination shall be the Vendor's sole remedy under this circumstance

ECONOMIC ADJUSTMENT: The awarded Vendor may submit a request for a contract pricing adjustment for approval by the County if the Vendor can show just cause substantiating an adjustment. The Vendor's request must include evidence in the form of a certified statement or affidavit from the supplier or manufacturer that explains the price adjustment, effective date, and any other details requested by the Purchasing Office.

An adjustment request will be effective after approval of Commissioner's Court. Until then the original contract pricing will remain unchanged. If an issue regarding an adjustment request is not resolved, the Purchasing Office reserves the right to seek competition from other sources.

At Williamson County's sole discretion, the Bidder may be given a reasonable opportunity to cure its breach or default prior to Williamson County's termination under this provision.
