

# Constable Pct 2

Williamson County, Tx

3.22.2011

Honorable Judge Dan A Gattis  
County Judge  
Williamson County, Tx

To the Honorable Judge Dan A Gattis,

I respectfully express to you and the Commissioners Court my intent to resign my office of Constable Pct 2 effective at 10:00 am March 22, 2011. I would respectfully request that an immediate appointment be made to insure that I no longer have the responsibilities of the Office of Constable under the hold over provision in state law in the absence of filling the unexpired term.

This decision certainly has been extremely difficult due to my heart and passion to the citizens of Pct 2 and my personal love for Williamson County, Tx. However, this decision is right and of God; confirmed in many ways.

My resignation prior to the end of the current term is to insure that my priorities of God and family are truly placed. I will be pursuing my other love, my entrepreneurial spirit in the private sector. I will continue to serve the citizens of the Cedar Park area and Williamson County in other capacities in the future.

It has been a true honor and a pleasure to serve the citizens of Pct 2 and a privilege to work with yourself, the Commissioners, and other County officials and employees.

God Bless!

Best Regards,

Dale Vannoy
