

GRANTOR warrants and represents by, through, and under the GRANTOR, but not otherwise, that the title to the Property is free and clear of all liens and encumbrances on the title to the Property, or that any necessary and proper releases will be executed for the Property prior to or simultaneously with the first payment of funds being disbursed under this agreement. The GRANTOR further agrees to indemnify the GRANTEE from all unreleased or undisclosed liens, claims or encumbrances that are known to GRANTEE and that affect the Property.

This acquisition is under threat of condemnation.

It is expressly agreed, acknowledged, and understood that the consideration paid hereunder shall be credited against, applied towards, and offset from any consideration to be paid in satisfaction of an agreed purchase price under a contract and conveyance or in satisfaction of the award of the Special Commissioners or subsequent judgment in any condemnation proceeding for the acquisition of the property interests described in Exhibits "A-H", and any other real property situated on Exhibits "A-H". In the event that a subsequent award of the Special Commissioners or subsequent judgment in any condemnation proceeding is less than the Entry Payment provided by this agreement, GRANTOR is nonetheless entitled to keep the full amount of the Entry Payment.

It is expressly agreed, acknowledged, and understood that the easements, rights, and privileges herein granted are assignable and shall be used by the GRANTEE, its employees, agents, and assigns, for the purposes of entering upon the above-described property, before the closing of the contemplated real estate transaction or the acquisition of title through condemnation, and proceeding with surveying, site review and analysis, utility relocation, actual construction on the Project, and all manner of preparation and work attendant thereto upon the property described in Exhibits "A-B". Utility relocation, if any, shall include, but not be limited to, the relocation of water lines, electrical lines, and their attendant facilities from the existing roadway right-of-way on the property described in Exhibits "C-H". The property described in exhibits "C-E" and "G-H" shall be used only for the installation of electric transmission/distribution line facilities. The property described in Exhibit "F" shall be used only for the installation of waterline facilities.

The GRANTEE, its employees, agents, and assigns shall have the full and exclusive right to control and use the above-described tracts, including the right to erect and maintain fencing and traffic and pedestrian control and devices and signs, the right to clear trees and vegetation, and the right to excavate, trench, fill, and grade the real property itself.

At no time during the possession of the property by GRANTEE for the purposes described herein shall GRANTOR be denied reasonable access and/or ingress to or egress from the remaining property.

The easement, rights, and privileges herein granted shall automatically terminate upon the contemplated closing of the above-described real estate transaction or the rendition of a final judgment in condemnation proceedings. However, this grant shall survive the termination of any purchase contract agreement and shall also survive any institution of condemnation proceedings.

The parties further agree as follows:

1. **THAT BY VIRTUE OF THE GRANTING OF PERMISSION TO THE GRANTEE TO TAKE TEMPORARY POSSESSION OF THE PROPERTY IN ACCORDANCE WITH THIS AGREEMENT, GRANTOR DOES NOT WAIVE ANY LEGAL RIGHTS OR DEFENSES UNDER THE CONSTITUTION OF THE UNITED STATES, THE CONSTITUTION AND STATUTES OF THE STATE OF TEXAS OR ANY OTHER PROVISIONS OF THE LAW THAT GRANTOR MAY HAVE IN CONNECTION WITH THE ACQUISITION OF ANY RIGHTS TO THE PROPERTY BY THE GRANTEE.**
2. That this Right of Entry, Possession, and Construction Easement is irrevocable by GRANTOR but only valid until sixty (60) business days after the filing of a Special Commissioners' award in the Cause. Thereafter, continued possession, if at all, will be pursuant to a deposit of a Special Commissioners' award according to Texas law governing possession in a statutory eminent domain case.
3. The date of valuation for purposes of determining the value of the just compensation for the Property to be acquired shall be the date that deposit of the Special Commissioners' award is made. If the Special Commissioners award is less than or equal to the Entry Payment so that no additional deposit is required, the date of valuation shall be the date of the Special Commissioners' hearing.
5. This Agreement shall be binding upon the heirs, devisees, executors, administrators, legal representatives, successors and assigns of the parties. Specifically, Grantor's heirs, devisees, executors, administrators, legal representatives, successors or assigns are bound by terms of this agreement which state that the consideration paid hereunder to Grantor shall be credited against, applied towards, and offset from any consideration to be paid in satisfaction of an agreed purchase price under a contract and conveyance or in satisfaction of the award of the Special Commissioners or subsequent judgment in any condemnation proceeding for the acquisition of the property described herein, whether said Grantor is or is not the owner of said property, now or in the future.
6. The easement, right, and privileges granted herein are exclusive, and GRANTOR covenants that it will not convey any other easement or conflicting rights within the area covered by this grant. This grant shall be binding upon legal representatives, successors, and assigns of GRANTOR for the term of this grant.
7. GRANTEE agrees that once the GRANTOR, in writing, asks for a special commissioner's hearing to be scheduled, a Petition in Condemnation will be filed within thirty (30) days after said written request is received. Furthermore, both parties will undertake all reasonable efforts to hold a special commissioners' hearing within ninety (90) days after the GRANTOR asks for a special commissioners' hearing to be scheduled. Any award that exceeds \$285,239.00 will be deposited in the registry of the court within twenty (20) days following the award made by the special commissioners. If the compensation issue is settled through negotiations, a fixed date for receipt of the additional funds, if any, will be agreed upon as part of the negotiation process.

8. GRANTEE agrees to indemnify and hold GRANTOR harmless from any damages or other losses to third parties resulting from any acts or omissions of the GRANTEE, its employees, agents or assigns, in carrying out the activities and tasks permitted by this Agreement on the Property.

TO HAVE AND TO HOLD the possession of the above-described tracts of land for the purposes and subject to the limitations described above, and GRANTOR warrants that he knows of no persons or business entity that owns a present possessory interest in the fee title to the above-described premises other than GRANTOR, and that there are no parties in possession of any portion of the referenced real property as lessees other than identified herein.
