**6.1** The Contractor shall keep the Owner informed of the progress and quality of the Work. **6.5** In the event that Contractor employs any individual to perform any portion of the Work, Contractor shall comply with Texas Labor Code, §406.096, which requires workers' compensation insurance coverage for all employees providing services on a building or construction project for a governmental entity. In such case, the Contractor shall provide worker's compensation insurance coverage for its employees, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements, which meets the statutory requirements of Texas labor Code, §401.011(44) for all employees of the Contractor providing services on the Project, for the duration of the Project and provide Owner with a certificate evidencing such coverage is in place prior to beginning any of the Work hereunder.
