STATE OF TEXAS §
 §
COUNTY OF WILLIAMSON §

This Agreement is made and entered into this day by and between Williamson County, Texas, a political subdivision of the State of Texas, (*the "County"*) and The Broussard Group, Inc., dba TBG Partners (TBG) (*the "Landscape Architect"*).

WHEREAS, *County* proposes to produce a landscape and land use master plan for the Williamson County Landfill property (*the "Project"*) within Williamson County, Texas;

WHEREAS, *County* desires to obtain professional services for the *Project*;

WHEREAS, *Landscape Architect* has the professional ability and expertise to fulfill the requirements of the *Project*, and to counsel *County* in the design and implementation of the Project.

NOW, THEREFORE, *County* and *Landscape Architect* agree to the performance of the professional services by *Landscape Architect* and the payment for these services by *County* as set forth herein.

Section I Employment of the Landscape Architect

County agrees to employ *Landscape Architect* and *Landscape Architect* agrees to perform professional Landscape Architectural services for the *Project* as stated in the Sections to follow. As a condition to employment, it is specifically agreed that any disputes arising hereunder shall be submitted to the County Judge or his designee and/or agent as designated in the Scope of Services in Appendix A, or as otherwise designated (*individually or collectively the "County Judge"*). The *County Judge* shall have complete authority for the purpose of resolving technical matters.

Section II Basic Services of the Landscape Architect

- A. In consideration of the compensation herein provided, *Landscape Architect* shall perform professional Landscape Architectural services for the *Project*, which are acceptable to the *County Judge*, based on standard Landscape Architectural practices and the Scope of Work described in the Work Authorizations to this Agreement. *Landscape Architect* shall also serve as *County's* professional Landscape Architect in those phases of the *Project* to which this Agreement applies and will consult with and give advice to *County* during the performance of *Landscape Architect's* services.
- B. *Landscape Architect* shall not commence work until *Landscape Architect* has been thoroughly briefed on the scope of the *Project* and has been notified in writing by the *County Judge* to proceed, as evidenced by a Work Authorization substantially in the form of Attachment A to Exhibit I.

- C. **County** shall provide **Landscape Architect** with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this particular **Project** at no cost to **Landscape Architect**; however, any and all such information shall remain the property of **County** and shall be returned, if the **County Judge** so instructs **Landscape Architect**.
- D. **Landscape Architect** shall perform the following Basic Scope of Services:
 - 1. The basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the **Project**, including any Public Hearings, satisfactory to the **County Judge** and the County's Commissioners Court, in accordance with the requirements, policies, and general practices of Williamson County.
 - 2. As part of the Scope of Services, **Landscape Architect** shall submit its Work Products to **County** for review at intervals as deemed necessary by Landscape Architect.
 - 3. The detailed Scope of Services for each phase of the **Project** shall be set forth and fully described in each Work Authorization issued as a part of this Agreement, and same shall be expressly incorporated and made a part hereof.

Section III Fee schedule and Right to Audit

- A. For and in consideration of the performance by **Landscape Architect** of the work described in the Scope of Services as defined in the Work Authorizations, **County** shall pay and **Landscape Architect** shall receive the fee set forth in the Work Authorizations. Exhibits I and II are attached hereto and made a part hereof. Invoices shall be submitted by **Landscape Architect** on a monthly basis and shall be considered past due if not paid within thirty (30) calendar days of the receipt of invoice by **County**.
- B. For the performance of services not specifically described in the Scope of Services **Landscape Architect** shall receive the additional services compensation described in Exhibit III, which is attached hereto and made a part hereof. In the event of any dispute over the classification of **Landscape Architect's** services as basic or additional services under this agreement, the decision of the **County Judge** shall be final and binding on **Landscape Architect**.
- C. **County** believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Agreement. **Landscape Architect** understands and agrees that the County's payment of amounts under this Agreement is contingent on the **County** receiving appropriations or other expenditure authority sufficient to allow the **County**, in the exercise of reasonable administrative discretion, to continue to make payments under this Agreement.

- D. ***Landscape Architect*** agrees to maintain appropriate accounting records of costs, expenses, and payrolls of employees working on the ***Project***, together with documentation of evaluations and study results for a period of three (3) years after final payment for completed services and all other pending matters concerning this Agreement have been closed.
- B. ***Landscape Architect*** further agrees that ***County*** or its duly authorized representatives shall, until the expiration of three (3) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of ***Landscape Architect***, which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. ***Landscape Architect*** agrees that ***County*** shall have access during normal working hours to all necessary ***Landscape Architect*** facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. ***County*** shall give ***Landscape Architect*** reasonable advance notice of intended audits.

Section IV Period of Service

- A. ***Landscape Architect*** shall perform the professional services described in Appendix A, the Scope of Services, in accordance with the Production Schedule attached hereto as Exhibit IV and made a part hereof.
- B. This Agreement shall become effective upon the date approved by ***County*** and will remain in full force and effect for the period required for the design, construction contract award and construction of the ***Project***, including any extensions of time, unless terminated earlier as provided for herein. ***Landscape Architect*** shall complete all design work as described in the Scope of Services as set forth in Exhibit IV from receipt by ***Landscape Architect*** of ***County's*** written Work Authorization and in accordance with the production timeline approved by ***County***.
- C. Neither ***Landscape Architect*** nor ***County*** shall be responsible for delays caused by "Acts of God", non-county governmental processes, national emergency, or any other causes beyond ***Landscape Architect's*** or ***County's*** reasonable control. Upon the discovery of such an event, ***Landscape Architect*** shall notify ***County***, and attend a special meeting with the ***County Judge*** to propose a program for a solution to the problem, and, if necessary, to establish an estimated period of time of suspension or extension of the work. A written request for an extension of time, when properly documented and justified by the circumstances, will be granted by the ***County Judge***.
- D. ***County*** may suspend the work at any time for any reason without terminating this Agreement by giving written Notice of Suspension and the work may be reinstated and this Agreement resumed in full force and effect within thirty (30) days of receipt by ***Landscape Architect*** of written Notice of Reinstatement from ***County***. ***Landscape Architect***, upon receipt of a Notice of Suspension shall follow the procedures described in the attached Exhibit V, which is attached hereto and made a part hereof. In the event such suspension of the ***Project*** or the ***Landscape Architect's*** services hereunder extends for a period of ninety (31) days or more, consecutive or in the aggregate, ***Landscape Architect*** may terminate this

Agreement in writing and such termination shall be treated as a Notice of Termination as provided herein.

- E. Either party may terminate this Agreement for the substantial failure of the other party to perform in accordance with the terms of this Agreement (the substantiality of such failure to be based on standard Landscape Architectural practices and the Scope of Work described on the Exhibits attached to this Agreement), through no material fault of the terminating party. **County** may terminate this Agreement for convenience (reasons other than substantial failure by **Landscape Architect** to perform) by delivering a written Notice of Termination which shall take effect on the tenth (10th) day following the date of such notice. **Landscape Architect** shall follow the procedures specified in Exhibit V upon issuance or receipt of such notice. In the event of termination of this Agreement because of the substantial failure of **Landscape Architect** to perform, **County** may prosecute the work to completion by contract or otherwise and, in such a case, **Landscape Architect** shall be liable for any additional costs incurred by **County**. In the event of **County's** termination for convenience, it is understood and agreed that only the amounts due to **Landscape Architect** for services provided and expenses incurred to and including the date of termination, will be due and payable. No penalty will be assessed for **County's** termination of this Agreement for convenience.
- F. All references to time in this Agreement shall be measured in calendar days unless otherwise specified.

Section V Coordination with the County

- A. The **County Judge** will act on behalf of **County** with respect to the work to be performed under this Agreement. The **County Judge** shall have complete authority to interpret and define **County's** policies and decisions with respect to **Landscape Architect's** services. The **County Judge** may designate representatives to transmit instructions and receive information.
- B. **Landscape Architect** shall not commence work on any phase of the **Project** until a thorough briefing on the scope of the **Project** is received and a written Work Authorization is issued by the **County Judge** in substantially the form of Attachment A to Exhibit I.
- C. **Landscape Architect** shall furnish all available data and reasonable assistance necessary for the development of applications or supporting documentation for any permits, grants, or planning advances as applicable to the professional services to be rendered pursuant to this Agreement, provided that **Landscape Architect** shall not be obligated to develop additional data, appear at hearings, or prepare extensive reports, unless compensated for such work under other provisions of this Agreement.
- D. **Landscape Architect** shall have the responsibility at all times under the terms of this Agreement to advise **County** whether in **Landscape Architect's** judgment it is feasible to proceed with the recommendations given any constraints affecting the **Project**.
- E. **Landscape Architect** shall cooperate and coordinate with **County's** staff, and other

Landscape Architects and contractors as reasonable and necessary and as required by the *County Judge*.

Section VI Review of Work Product

- A. *Landscape Architect's* Landscape Architectural Work Product will be reviewed by *County* under its applicable technical requirements and procedures.
- B. Reports, plans, specifications, design and supporting documents, (the "Work Products"), shall be submitted by *Landscape Architect* on or before the dates specified in the Production Schedule set forth in Exhibit IV. Upon receipt of the Work Products, the submission shall be checked for completion. "Completion" shall be defined as: all of the required items (as defined by the scope of services described herein) have been included in the Work Products in compliance with the requirements of this Agreement. The completeness of any Landscape Architectural Work Product submitted to *County* shall be determined by *County* within ten (10) calendar days of such submittal and *County* shall notify *Landscape Architect* in writing if such Work Product has been found to be incomplete.
- C. If the submission is complete, *County* shall notify *Landscape Architect* and *County's* technical review process will begin. *County* shall have thirty (30) calendar days in which to complete technical review and completer review form provided by *Landscape Architect*, and return to *Landscape Architect* for consideration, acceptance and/or incorporation into the Work Products.
- D. If the submission is incomplete, *County* shall notify *Landscape Architect*, who shall perform such professional services as are required to complete the work and resubmit it to *County*. This process shall be repeated until a submission is complete.
- E. *County* shall review the completed work for compliance with the Scope of Work. If necessary, the completed work shall be returned to *Landscape Architect*, who shall perform any required work and resubmit it to *County*. This process shall be repeated until the work is accepted. "Acceptance" shall mean that in the *County Judge's* opinion substantial compliance with the requirements of this Agreement has been achieved.
- F. After acceptance, *Landscape Architect* shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive final approval by the *County Judge*. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.
- G. After approval of final Work Products, *Landscape Architect* shall, without additional compensation, perform any work required as a result of *Landscape Architect's* development of the products which is found to be in error or omission due to *Landscape Architect's* negligence. However, any work required or occasioned for the convenience of *County* after approval of a final product shall be paid for as Additional Services.
- H. In the event of any dispute over the classification of *Landscape Architect's* Work Products

as complete, accepted, or approved under this Agreement, the decision of the **County Judge** shall be final and binding on **Landscape Architect**, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

Section VII **Revision to Work Product**

Landscape Architect shall make without expense to **County** such revisions to the Work Products as may be required to correct negligent errors or omissions so the Work Product meets the needs of **County**, but after the approval of the Work Product any revisions, additions, or other modifications made at **County's** request which involve extra services and expenses to **Landscape Architect** shall entitle **Landscape Architect** to additional compensation for such extra services and expenses, provided however, that **Landscape Architect** agrees to perform any necessary corrections to the Work Products, which are found to be in negligent error or omission as a result of the **Landscape Architect's** development of the Work Product, at any time, without additional compensation. If it is necessary due to such error or omission by **Landscape Architect** to revise the plans in order to make the **Project** constructable, **Landscape Architect** shall do so without additional compensation. In the event of any dispute over the classification of **Landscape Architect's** services as Basic or Additional Services under this Agreement, the decision of the **County Judge** shall be final and binding on **Landscape Architect**, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

Section VIII **Landscape Architect's Responsibility and Liability**

- A. **Landscape Architect** covenants to undertake no task in which a professional license or certificate is required unless he or someone under his direction is appropriately licensed. In the event such licensed individual's license expires, is revoked, or is canceled, **Landscape Architect** shall inform **County** of such event within five working days.
- B. **Landscape Architect** shall be responsible for conformance with applicable federal and state laws, county permitting requirements, and city ordinances currently in effect, except as otherwise directed by the **County Judge** regarding county permitting or similar requirements properly waivable by the **County Judge**.
- C. Acceptance and approval of the final plans and designs by **County** shall not release **Landscape Architect** of any responsibility or liability for the accuracy and competency of his designs, working drawings, specifications, or other documents or work performed under this Agreement. Neither acceptance nor approval by **County** shall be an assumption of responsibility or liability by **County** for any defect, error, or omission in the designs, working drawings, specifications, or other documents prepared by **Landscape Architect**.
- D. **LANDSCAPE ARCHITECT** SHALL INDEMNIFY, PROTECT, AND SAVE HARMLESS **COUNTY**, ITS OFFICIALS AND EMPLOYEES AND ITS AGENTS AND AGENTS' EMPLOYEES FROM AND AGAINST ALL CLAIMS, SUITS, ACTIONS, LIABILITY, LOSS, DAMAGE, ATTORNEY'S FEES, COSTS, AND EXPENSES (INCLUDING, BUT NOT LIMITED TO EXPENSES RELATED TO EXPERT WITNESSES) OF ANY KIND WHATSOEVER, TO THE EXTENT ARISING FROM ANY NEGLIGENT ACT, ERROR OR

OMISSION OF **LANDSCAPE ARCHITECT** OR ANY OF ITS SUBCONTRACTORS IN CONNECTION WITH THE PERFORMANCE OF SERVICES UNDER THIS AGREEMENT; PROVIDED, HOWEVER, **LANDSCAPE ARCHITECT** SHALL NOT BE RESPONSIBLE FOR THE NEGLIGENCE OF ANY OTHER PARTY, OTHER THAN ITS SUBCONTRACTORS.

- E. **Landscape Architect's** opinions of probable **Project** cost or construction cost represent **Landscape Architect's** professional judgment as a design professional familiar with the construction industry, but **Landscape Architect** does not guarantee that proposals, bids, or the construction cost, itself, will not vary from **Landscape Architect's** opinions of probable cost.
- F. **Landscape Architect** shall perform all services and responsibilities required of **Landscape Architect** under this Agreement using at least that standard of care which a reasonably prudent Landscape Architect in Texas, who is licensed by the Texas Board of Architectural Examiners as applicable, would use in similar circumstances.
- G. **Landscape Architect** represents that it presently has, or is able to obtain, adequate qualified personnel in its employment for performance of the services required under this Agreement and that **Landscape Architect** shall furnish and maintain, at its own expense, adequate and sufficient personnel and equipment, in the reasonable opinion of **County**, to perform the services when and as required and without delays. It is understood that **County** will approve assignment and release of all key **Landscape Architect** and professional personnel.
- H. All employees of **Landscape Architect** shall have such knowledge and experience as will enable them to perform the duties assigned to them. Any employee of **Landscape Architect**, who in the opinion of **County** is incompetent or whose conduct becomes detrimental to the work or coordination with **County**, shall upon **County's** and/or **County Judge's** request be immediately removed from association with the **Project**.
- I. **Landscape Architect** shall furnish all equipment, transportation, supplies, and materials required for its operations under this Agreement.
- J. **Landscape Architect** shall place its Texas Professional Landscape Architect's seal of endorsement on all documents and Landscape Architectural data furnished to **County**, as required by law.
- K. **Landscape Architect** is an independent contractor under this Agreement. Neither he nor any officer, agent nor employee of **Landscape Architect** shall be classified as an employee of the **County**.

Section IX Ownership of Documents

- A. Any and all documents, including the original drawings, estimates, computer tapes, graphic files, tracings, calculations, analyses, reports, specifications, field notes, and data prepared

Any reuse by ***County*** of any such documents described in subsection A above, shall be at the ***County's*** sole risk and without liability or legal exposure to the ***Landscape Architect***. The ***Landscape Architect*** shall not be liable for ***County's*** use of any documents described in Section A above, on any other project.

SECTION 2 - NOT-TO-BE-EXCEEDED FEE

- 2.1 *Engineer* and *County* acknowledge the fact that the not-to-be-exceeded fee is the total estimated costs of services to be rendered under this Agreement.
