Re: Williamson County—Chandler Road/Ph. III—Parcel 15  
Well payment

Dear Mr. Wolbrueck:

Please allow this letter to set out my understanding regarding our agreement for payment to reimburse you for the additional cost of well and related electrical facility installation at your property located at 703 CR 368, a portion of which was acquired for the Chandler Road construction project in that area.

Williamson County has agreed to pay you the amount of \$3,549.53 as compensation for these items, which by your signature below you agree will constitute the full and final payment for any acquisition or remaining damages or costs related to the County acquisition of right of way or roadway construction activities as of the date of this letter.

If this meets with your understanding please execute this letter where indicated below and return it to my attention, and we will have this agreement authorized by Williamson County Commissioners Court, signed by the County Judge, and processed for payment as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

Don Childs
