

WILLIAMSON COUNTY
ROAD & BRIDGE
OFF RIGHT-OF-WAY WORK

09-09-14

Date

Precinct # 4

Location of work 2545 CR 118 Hutto

Property Owner Richard Nord

Owner Address Same

Description of work to be done: Grade and Shape Drainage Channel. Mr. Nord has signed a temporary construction easement allowing for the shaping and grading of a drainage channel on his property that will alleviate flooding issues to his neighbor, Mr. Richard Kruger that might have been the result of Chandler Rd. construction. The drainage work would occur just North of the property boundary between Mr. Nord & Mr. Kruger along an existing drainage channel. Proposed work would better define the channel allowing for better flow of storm water.

Time Frame: Once started we do not anticipate Off ROW grading work to proceed for more than a couple of days.

Precinct # 4

Location of work CR 302

Property Owner Frances, Wayne & Charles Shell – Cobb Springs Ranch LTD

Owner Address W CR 302 (property is located on CR 343 apprx. 1/2 mile West of CR 301),
Bartlett, TX 76511

Description of work to be done : Grade and Shape Drainage Channel. Cobb Springs Ranch LTD has signed a temporary construction easement allowing for the shaping and grading of a drainage channel on their property that will allow for better conveyance of storm water. This work is part of the rehabilitation of CR 343.

Time Frame: Once started we do not anticipate OFF ROW grading work to proceed for more than a couple of days.
