This Quote constitutes an Amendment to the Software License & Services Agreement and the Maintenance Agreement (together, the "Contract and Agreement") by and between the parties hereto. The product and pricing information detailed above comprises the "Exhibit 1" schedule attached to this Amendment. Except as otherwise provided herein, all terms and conditions of the Contract and Agreement shall remain in full force and effect.

Any interfaces listed above are interfaces only. Customer shall be responsible for obtaining the applicable software, hardware and system software from the appropriate third party vendor.

Any software applications listed above which are solely owned by SunGard Public Sector are "Component Systems" under the provisions of the Contract and Agreement. Before signing this Quote, please contact your Account manager if you are not certain which software applications are owned by SunGard Public Sector.

Any hardware or other third party products and services listed above, including third party software, are "Pay Agency Products" under the provisions of the Contract and Agreement.

For training and on-site project management sessions which are cancelled at the request of Customer within fourteen (14) days of the scheduled start date, Customer is responsible for entire price of the training or on-site project management plus incurred expenses.

Payment Terms are as Follows:

License, Project Management, Hardware and Third Party Software Fees are due upon execution of this Quote. Installation is due upon completion. Custom Modifications, Development, Conversion, Hardware and Third Party Software Implementation is due 50% on execution of this Quote, and 50% due upon invoice, upon completion. Unless otherwise provided, other Professional Services are due monthly, as such services are delivered. Additional services, if requested, will be invoiced at then-current rates. Training and Travel/Living expenses are due as incurred monthly. Any shipping charges shown are estimated only - actual shipping charges will be due upon delivery.

SunGard Public Sector Application Annual Support - the initial term of Maintenance and Support Services is included in License Fees and begins upon execution of this Quote and extends for a twelve (12) month period. Subsequent terms of support will be for twelve (12) month periods, commencing at the end of the initial support period. Support fees shown for the second term of support shall be due prior to the start of that term. Fees for subsequent terms of support will be due prior to the start of that term at the then prevailing rate. Third Party Application Annual Support Fees - payment terms shall be as provided by the Third Party to Customer with the exception that any fees listed above for the initial term of support are due upon execution of this Quote.
