13.5 Amendments; Waivers. No supplement, modification, or amendment of this Agreement will be binding unless executed in writing by an Authorized Representative of each party to this Agreement. No waiver will be implied from conduct or failure to enforce or exercise rights under this Agreement, nor will any waiver be effective unless in a writing signed by an Authorized Representative on behalf of the party claimed to have waived.

13.6 Entire Agreement. This Agreement (including all exhibits and referenced Order Forms) is the complete and exclusive statement of the mutual understanding of the parties and supersedes and cancels all previous written and oral agreements and communications relating to the subject matter of this Agreement. For the avoidance of doubt, under no circumstances will the terms, conditions or provisions of any purchase order, invoice or other administrative document issued by Company in connection to this Agreement be deemed to modify, alter or expand the rights, duties or obligations of the parties under, or otherwise modify, this Agreement, regardless of any failure of GuideSpark to object to such terms, provisions, or conditions. The terms of this Agreement shall supersede the terms contained in any purchase order, invoice or other administrative document issued by Company.

13.7 Relationship of parties. The parties are entering this Agreement as independent contracting parties. Neither GuideSpark nor any of its employees or subcontractors will be eligible for any benefits normally provided by Company to its employees. Neither party will have the power to bind the other or incur obligations on the other party's behalf without the other party's prior written consent.

Upon the occurrence of a Force Majeure Event, the Affected Party will promptly notify the other party of the Force Majeure Event, including an estimate of its expected duration and probable impact on the performance of the Affected Party's obligations under this Agreement. In addition, the Affected Party will (i) exercise commercially reasonable efforts to mitigate damages to the other party and to overcome the Force Majeure Event and (ii) continue to perform its obligations under this Agreement to the extent it is able. If any failure or delay caused by a Force Majeure Event continues for ten (10) days or longer, the party unaffected by the event will have the right to terminate this Agreement without cost or liability upon notice to the Affected Party and to receive a refund of all pre-paid fees for any performance not yet delivered.

13.9 Marketing. Notwithstanding anything to the contrary in this Agreement, GuideSpark may identify Company as a GuideSpark customer by listing Company's name and/or logo in sales presentations, marketing materials, and on GuideSpark's website, subject to Company's trademark and logo guidelines as provided in writing by Company to GuideSpark. GuideSpark agrees that unless Company provides explicit written consent, such usage of Company's name and/or logo will not imply any endorsement of GuideSpark by Company.

13.10 Counterparts; Electronic Signature. This Agreement and any accompanying Order Forms may be executed in two or more counterparts, each of which will be considered an original but all of which together will constitute one agreement. If executed by electronic signature, it shall be equally binding as an original copy executed in ink by both parties.

13.11 Right to Audit. GuideSpark agrees that The County or its duly authorized representatives shall, until the expiration of two (2) years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of GuideSpark which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions; provided, however, The County shall

Further, in connection with such audit, GuideSpark agrees that The County shall have access during normal working hours to all necessary GuideSpark facilities and shall be provided adequate and appropriate work space for a maximum of two persons in order to conduct audits in compliance with the provisions of this section. The County shall give GuideSpark reasonable advance notice (which shall be a minimum of 15 (fifteen) business days) of any intended audit.

13.11 Order of Precedence. If a term in an Order Form conflicts with a term in this MSA, the provisions of this MSA will prevail unless the relevant Order Form specifically references this MSA and states that the term in the relevant Order Form will prevail.

13.12 Survival. Sections 3.3, 4, 5.1, 7, 8, 9, 10, 11, and 13 will survive any termination or expiration of this Agreement.

13.13 Effectiveness; Date. This Agreement will become effective when all parties have signed it. The date of this Agreement will be the date this Agreement is signed by the last party to sign it (as indicated by the date associated with that party's signature).

EXHIBIT B

SERVICE LEVEL AGREEMENT

Service Availability Objective. GuideSpark will make commercially reasonable efforts to provide monthly Service Availability of 98% ("Service Availability Objective"). Service Availability is defined as the time that the Service is capable of receiving, processing, and responding to requests, excluding (a) Scheduled Maintenance, (b) Company Error Incidents, and (c) Force Majeure Events. Service Availability is calculated as a percentage by dividing the number of minutes the Software Service is available during the applicable month by the number of total minutes in the applicable month, excluding in all cases Scheduled Maintenance, Company Error Incidents, and Force Majeure Event.

Definitions.

"Scheduled Maintenance" is defined as making changes to the Software or cloud infrastructure during which Users are prevented from using the Software Service. Scheduled Maintenance work will primarily occur during pre-defined maintenance windows, on Fridays from 8:00pm PST to 12:00am PST, and on Saturdays from 7:00pm to 11:00pm PST. Company will generally receive notice via e-mail five (5) days in advance of any Scheduled Maintenance, however GuideSpark reserves the right to perform Scheduled Maintenance during the pre-defined maintenance windows described in this Exhibit B with a minimum of thirty (30) minutes' notice. GuideSpark will provide Company ten (10) days' prior notice via e-mail if maintenance is expected to exceed the four (4) hour period. Scheduled Maintenance may infrequently occur outside the pre-defined windows. In that case, GuideSpark will provide Company at least five (5) days' notice.

"Company Error Incident" is defined as any Software Service unavailability resulting from applications, Content, or equipment provided by Company or a User, or the acts or omissions of a User.

"Force Majeure Event" is defined in Section 13.8 of the MSA.

Remedy for Failure to Achieve Service Availability Objective. At the written request of the Company, and no more than four (4) times per calendar year, GuideSpark will calculate specific Service Availability during each of the three (3) calendar months preceding Company's request, and provide a report to Company (a "Service Availability Report"). In the event that the Service Availability Objective was not met in a given month, then for each day in that month that the duration of the Service unavailability exceeds four (4) hours (excluding (a) Scheduled Maintenance, (b) Company Error Incidents, and (c) Force Majeure Events), the Company may receive a one (1) day credit for the Software Service (a "Service Credit"), subject to the Agreement and requirements of this Exhibit B. For purposes of calculating the Service Availability Objective, GuideSpark will only consider the Software Service unavailable if the Company opened a trouble ticket relating to the Service unavailability with the GuideSpark customer support department within three (3) business days of the Service unavailability. To obtain a Service Credit for GuideSpark's failure to meet the Service Availability Objective, the Company must request that credit in writing no later than ten (10) business days following receipt of the applicable Service Availability Report. In the event of a conflict between the data in the Company's records and GuideSpark's records (including the Service Availability Report), the data in GuideSpark's records shall prevail. Any Service Credits due hereunder will be applied to the Company's account at the conclusion of the then-current Subscription Term, by extending that Subscription Term by the length of the Service Credits. Notwithstanding the foregoing, if the Software Service was purchased on a monthly or pay-per use basis, Company will receive no Service Credits. The Service Credits offered in this Exhibit B shall be Company's sole and exclusive remedy for any failure of GuideSpark to meet the Service Availability Objective. Any unused Service Credits will expire upon termination of this Agreement.

EXHIBIT C

Professional Services. Professional Services, if any, shall be provided under an Order Form or SOW describing the work to be performed, fees and any applicable milestones, dependencies and other technical specifications or related information and be signed by both parties before GuideSpark will commence work.

In the event that Company requires Development Time or Annual Maintenance that exceeds the limits of its Subscription Category (“Additional Work”), GuideSpark shall notify Company that the Additional Work is necessary, and will provide Company with notice before charging Company for that Additional Work.
