All of that certain 0.199 acre tract of land situated in the Henry Millard Survey, Abstract No. 452 in Williamson County, Texas; said tract of land being more particularly described by metes as bounds in Exhibit "A", attached hereto and incorporated herein for all purposes **(Parcel 5M-E)**.

The perpetual easement, right-of-way, rights and privileges herein granted shall be used for the purposes of opening, constructing and maintaining a permanent drainage easement and channel, along with any structures, materials, improvements, pipes, culverts, storm sewer, grading and related appurtenances and equipment which may be necessary to facilitate the proper drainage of the adjacent property and roadway facilities, in, along, upon, under and across said premises described in Exhibit "A" together with the right and privilege at all times of the Grantee herein, its agents, employees and representatives of ingress and egress from to and from said premises from the adjacent right of way for the purpose of making any improvements, modifications or repairs which the Grantee deems necessary.

The perpetual easement, right-of-way, rights and privileges herein granted shall also encompass the right of Grantee to trim, cut, fell and remove therefrom all trees, underbrush, vegetation, and obstructions, structures or obstacles within the limits of the Property, but only such as necessary to carry out the purposes of the easement; reserving to the landowners and their heirs and assigns, however, all such rights and privileges as may be used without interfering with or abridging the rights and purposes of the easement herein acquired by Grantee. Any such trees or vegetation cut by Grantee shall promptly be removed from the Property.

This conveyance is made subject to any validly existing matters of record affecting this Property which are recorded in the Official Records of Williamson County, Texas.

The perpetual easement, right-of-way, rights and privileges granted herein are non-exclusive, however Grantor covenants not to convey any other easement or conflicting rights within the premises covered by this grant that interfere with the purpose or function of any improvements placed thereon, or the maintenance of the Property for the conveyance of stormwater drainage without the express written consent of Grantee, which consent shall not be unreasonably withheld.
