Re: Williamson County—Pearson Ranch Road Drainage Easement

Dear Karen:

Please allow this letter to set out my understanding regarding our agreement for the purchase of a drainage easement interest in and across a portion of the Robinson Ranch ("Robinson") property as part of Williamson County's ("County") proposed Pearson Ranch Road construction project.

In return for granting a drainage easement across approximately 0.2648 acre, and a temporary construction easement in and to approximately 0.25 acre, County will pay Robinson the sum of \$5,780, which is equal to the County's appraised value for this acquisition. The form of the Easement granted to City will be as shown in Exhibit "A" attached hereto.

The Closing and completion of this transaction shall take place at the Georgetown office of Capital Title ("Title Company") within 30 days after full execution of this agreement, or at other date and time agreed to between the parties. County shall be responsible for all fees and costs associated with closing, except that each party shall be responsible for any attorney's fees they incur. Robinson shall assist County and Title Company with any curative measures or mortgage lien subordination required as a condition of the Closing.

This agreement is being made in lieu of condemnation by County.

If this meets with your understanding please have this letter approved and executed where indicated and return it to me, and we will in turn have this approved and signed by the County and process this for payment and Closing as quickly as possible.

Please feel free to contact me at any time if you have any questions or concerns about these issues.

Very truly yours,

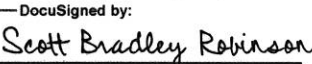

Don Childs
Sheets & Crossfield, P.C.

County Judge

Date: 03-09-2017

EXHIBIT “A” (DRAINAGE EASEMENT FORM)
FOLLOWS THIS PAGE

DRAINAGE EASEMENT

Pearson Ranch Road

THE STATE OF TEXAS

,

KNOW ALL BY THESE PRESENTS:

COUNTY OF WILLIAMSON

,

That **ROBINSON RANCH**, a Texas general partnership, hereinafter referred to as Grantor, for good and valuable consideration in hand paid by **WILLIAMSON COUNTY, TEXAS**, hereinafter referred to as Grantee, the receipt of which consideration is hereby acknowledged, has GRANTED, SOLD and CONVEYED and does hereby GRANT, SELL and CONVEY unto Grantee a perpetual easement (the "Easement") in, on, over, upon, and across the following property (the "Easement Tract"):

All of that certain 0.2648 acre (11,535 square foot) tract of land situated in the Thomas P. Davy Survey, Abstract No. 169, Williamson County, Texas, said tract of land being more particularly described by metes and bounds in **Exhibit "A"**, attached hereto and incorporated herein.

The Easement and rights and privileges herein granted shall be used solely for the purposes of opening, constructing and maintaining a permanent drainage way and/or storm drainage system, along with any structures, subsurface storm sewer pipes, manholes, grading and related appurtenances necessary to facilitate the proper drainage of the adjacent property and roadway facilities, in, upon and across the Easement Tract pursuant to the Drainage Plan and Profile attached as **Exhibit "B"** (the "Project"), together with the right and privilege at all times of Grantee and its contractors, agents, employees and representatives (collectively, "Grantee's agents") to enter upon the Easement Tract for the purpose of making any improvements, modifications or repairs to the Project which Grantee deems necessary.

Grantor further grants and conveys to Grantee the right to temporarily use the tract of land adjacent to the Easement Tract more particularly described on **Exhibit "C"**, attached hereto and incorporated herein (the "Temporary Easement Tract"), as may be reasonably necessary for the initial construction and installation of the Project (the "Temporary Easement"). In no instance shall Grantee be entitled to use any portion of Grantee's adjoining property other than the Temporary Easement Tract. Grantee shall not remove any hardwood trees from the Easement Tract or the Temporary Easement Tract that are eight (8) inches or larger in diameter unless such removal is approved by Grantor in advance. Upon completion of the initial construction and installation of the Project, as applicable, Grantee shall return the surface of the Easement Tract and/or the Temporary Easement Tract and, upon any subsequent work within the Easement Tract that disturbs the surface of the ground, to a condition that is substantially similar to the condition that existed prior to Grantee's entry, taking into account, with respect to the Easement Tract only, the purposes of the Easement. The Temporary Easement shall remain in effect from the date of the initial entry onto the

Temporary Easement Tract by Grantee or Grantee's agents until the earlier of (a) the expiration of twelve (12) months from the effective date of this instrument, set out below, or (b) final completion of the Project, that being defined as thirty (30) days after issuance of a Certificate of Substantial Completion or similar notice for the Project or Grantee's acceptance of the Project. The passage of twelve (12) months from the Effective Date will conclusively terminate the Temporary Easement and no further confirmation thereof will be required, however, Grantee agrees, upon Grantor's request, to promptly execute, acknowledge where necessary and deliver a recordable document confirming that the Temporary Easement has terminated and is of no further force and effect. The expiration of the Temporary Easement will not affect any of Grantee's rights hereunder with respect to the Easement.

The Easement, rights and privileges herein granted shall also encompass the right of Grantee to trim, cut, fell and remove trees (other than hardwood trees eight (8) inches or greater in diameter), underbrush, vegetation, and obstructions, structures or obstacles within the limits of the Easement Tract, but only to the extent necessary to carry out the purposes of the Easement. Grantor expressly reserves all rights and privileges that may be exercised without interfering with or abridging Grantee's use of the Easement Tract for the purposes set forth herein.

Grantee covenants and agrees that all activities of Grantee and Grantee's agents on or within the Easement Tract and Temporary Easement Tract will be performed in accordance with applicable laws, ordinances and regulations applicable to the Easement Tract and the Temporary Easement Tract and that Grantee will be solely responsible for satisfying all regulatory or permitting requirements of any governmental entities with jurisdiction and paying all related fees. Grantee will be responsible, to the exclusion of any such responsibility of Grantor, for any liability for property damage, including environmental liability; liability arising due to a breach of the terms of this instrument; or liability for personal injury or death arising out of Grantee's and Grantee's agent's use of the Easement Tract and Temporary Easement Tract. To the extent allowed by law, Grantee shall indemnify Grantor against any loss and damage caused by Grantee's or Grantee's agents use of the Easement or Temporary Easement; Grantee's or Grantee's agents violation of the terms of this instrument; or any wrongful or negligent act or omission of Grantee or Grantee's agents in or upon the Easement Tract or Temporary Easement Tract. Grantee shall be responsible for the correction of, or compensation for, any damage to Grantor's property which is the result of any acts of Grantee or Grantee's agents outside the express purposes of this instrument.

TO HAVE AND TO HOLD the Easement, in perpetuity, in and to Grantee, and its successors and assigns, together with all and singular all usual and customary rights thereto in anywise belonging, and together with the right and privilege at any and all times to enter the Easement Tract, or any part thereof, for the purpose of constructing or maintaining the Project and for making connections therewith in accordance with the terms hereof.

And Grantor does hereby bind Grantor and its successors and assigns to WARRANT AND FOREVER DEFEND, all and singular, the Easement unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof by, through, and under Grantor but not otherwise.

This grant is subject to any easements, restrictions, reservations, covenants, conditions, oil and gas leases, mineral severances, and encumbrances for taxes and assessments (other than liens and conveyances) presently of record in the Official Public Records of Williamson County, Texas, that affect the Easement Tract, but only to the extent that said items are still valid and in force and effect at this time. The Easement, rights and privileges granted herein are non-exclusive, however Grantor covenants not to convey any other easement or conflicting rights within the Easement Tract that interfere with the purpose or function of the Project, or the maintenance of the surface of the Easement Tract for the conveyance of storm water and/or detention pond drainage, without the express written consent of Grantee, which consent shall not be unreasonably withheld.

EXECUTED on this the ____ day of _____, 2017 (the "effective date").
