

**IN THE COMMISSIONERS' COURT
OF WILLIAMSON COUNTY, TEXAS**

RESOLUTION

WHEREAS, the Commissioners' Court of Williamson County, Texas, has found and determined that in order to promote the public safety, to facilitate the safety and movement of traffic, and to preserve the financial investment of the public in its roadways, public necessity requires acquisition of fee simple title to a certain tract of land being 2.349 acres (Parcel 31) described by metes and bounds in Exhibit "A" owned by **Wayne Angell**, for the purpose of constructing, reconstructing, maintaining, and operating County Road 101 ("Project"), excluding all the oil, gas, and sulphur which can be removed from beneath said real property, without any right whatever remaining to the owner of such oil, gas, and sulphur of ingress to or egress from the surface of said real property for the purpose of exploring, developing, or mining of the same, as a part of the improvements to the Project, at such locations as are necessary and that such constructing, reconstructing, maintaining, and operating shall extend across and upon, and will cross, run through, and be upon the hereinafter described real properties; and

WHEREAS, the Commissioners' Court of Williamson County, Texas, has, through agents employed by the said office, entered into bona fide good faith negotiations with the owners of the hereinafter described properties and has failed to agree with the owners on the compensation and damages, if any, due to said owners. Now, therefore, the Commissioners' Court of Williamson County, Texas is authorizing the use of its power of eminent domain to condemn property.

BE IT RESOLVED BY THE COMMISSIONERS' COURT OF THE COUNTY OF WILLIAMSON, that the County Attorney or his designated agent be and he is hereby

authorized and directed to file or cause to be filed against the owners of any interest in, and the holders of any lien secured by, the following described tracts of land, described in Exhibit "A" attached hereto, a suit in eminent domain to acquire the property interests for the aforesaid purposes; and

It is the intent of the Commissioners' Court that this resolution authorizes the condemnation of all property interests required to complete the construction and maintenance of the Project and associated public purposes. If it is later determined that there are any errors in the descriptions contained herein or if later surveys contain more accurate revised descriptions, the County Attorney is authorized to have such errors corrected or revisions made without the necessity of obtaining a new resolution of the Commissioners' Court authorizing the condemnation of the corrected or revised Property.

BE IT FURTHER RESOLVED that the County Attorney or his designated agent be and he is hereby authorized and directed to incur such expenses and to employ such experts as she shall deem necessary to assist in the prosecution of such suit in eminent domain, including, but not limited to, appraisers, engineers, and land use planners or other required expert consultants.
