TEXAS WORKFORCE COMMISSION
INFORMATION RELEASE CONTRACT
GENERAL TERMS AND CONDITIONS

SECTION 1 – Purpose and Legal Authority

- 1.1 This Contract sets forth the obligations of the Texas Workforce Commission (“Agency”) and the Recipient identified on the cover page (each a “Party” and together “the Parties”) with respect to Agency's release of confidential data to Recipient. The obligations of the Parties are set forth in detail in **Attachment A**.
- 1.2 Subject to certain limitations, the Interlocal Cooperation Act, Texas Government Code, Chapter 791, authorizes Recipient to enter into contracts for services with governmental entities, including state agencies.

SECTION 2 – Term, Termination, and Amendment

- 2.1 This Contract is effective from the Begin Date to the End Date specified on the cover page.
- 2.2 Either Party may suspend or terminate this Contract at any time, on written notice to the other Party specifying a termination date at least thirty (30) calendar days after the date of the notice. Suspension or termination shall not relieve Recipient of the obligation to pay for all services provided before suspension or termination at the rates specified herein, nor shall it entitle Recipient to any refund of the annual subscription fee for online access to Agency records.
- 2.3 No modification will be valid unless in writing and signed by both Parties, except for rate revisions made under Section 3.2 of these General Terms and Conditions.

SECTION 3 – Consideration

- 3.1 Recipient shall pay Agency for the services described, and at the rates set forth, in Attachment A.
- 3.2 Notwithstanding Section 3.1 of these General Terms and Conditions, Agency may unilaterally revise rates upon written notice to Recipient of at least thirty (30) calendar days.

SECTION 4 – Protecting the Confidentiality of TWC Information

- 4.1 “TWC Information” means records maintained by Agency, and records obtained by Recipient from Agency under this Contract, including (1) records and data compilations provided electronically, on paper, or via online access or e-mail, (2) records and data compilations that Recipient has converted into another format or medium (such as handwritten or electronic notes), and (3) records and data compilations incorporated in any manner into Recipient’s records, files or data compilations.
- 4.2 Recipient shall protect the confidentiality of TWC Information and comply with all statutory, regulatory and contract requirements. Confidentiality is required by Texas Labor Code §§ 301.081 and 301.085, the Social Security Act of 1934, and 20 Code of Federal Regulations (C.F.R.) Part 603.

SECTION 5 – Records and Audit

Recipient shall keep and maintain complete and accurate records sufficient to allow Agency, the Texas State Auditor’s Office, the United States government, and their authorized representatives to determine Recipient’s compliance with this Contract.

SECTION 6 – Breach of Agreement, Default, and Remedies

- 6.1 If Recipient or any official, employee, or agent of Recipient fails to comply with any provision of this Contract, including timely payment of Agency’s invoices, Agency may suspend services to Recipient (including any data requests being processed) until Agency is satisfied that corrective action has been taken to assure there will be no future breach.
- 6.2 In the absence of prompt and satisfactory corrective action to cure default and assure future compliance with Contract requirements, Agency shall terminate this Contract immediately and Recipient shall surrender to Agency all TWC Information that has not previously been returned to Agency, and any other records relevant to this Contract.
- 6.3 Termination of this Contract under Section 6.2 of these General Terms and Conditions will not limit Agency from pursuing penalties under state and federal law for the unauthorized disclosure of TWC Information.
- 6.4 Agency shall undertake any other action under this Contract or under any law of this State or of the United States, to enforce this Contract and to secure satisfactory corrective action and return of TWC Information.
- 6.5 Agency shall take other remedial actions permitted under state or federal law to enforce this Contract and 20 C.F.R. Part 603 including seeking damages, penalties, and restitution for all costs incurred by Agency in enforcing this Contract and responding to Recipient’s breach.

SECTION 7 – Miscellaneous

- 7.1 Texas Labor Code § 301.085 provides that unemployment compensation records are not “public information” for purposes of the Public Information Act, Texas Government Code, Chapter 552. Recipient shall not release any TWC Information in response to a request made under the Public Information Act or any other law, regulation, or ordinance addressing public access to government records.
- 7.2 Recipient shall notify Agency within twenty-four (24) hours of the receipt of any subpoena, other judicial request, or request for appearance for testimony upon any matter concerning TWC Information. Federal regulations at 20 C.F.R. § 603.7 dictate the handling of subpoenas for TWC Information.
- 7.3 This Contract is made in and performed in the State of Texas, and shall be construed, interpreted, and applied in accordance with the laws of the State of Texas, excluding its choice of law rules. Venue of any court action brought directly or indirectly by reason of this Contract shall be in a court of competent jurisdiction in Travis County, Texas. **NOTHING IN THIS SECTION SHALL BE CONSTRUED AS A WAIVER OF SOVEREIGN IMMUNITY BY AGENCY.**
- 7.4 Agency’s failure to enforce any provision of this Contract does not constitute a waiver of that provision or any other.
- 7.5 Recipients agrees to indemnify and hold harmless Agency, the State of Texas, and their employees and officials for any loss, damages, judgments, and costs arising or resulting from any acts or omissions or alleged acts or omissions of Recipient or its employees, agents, contractors, and subcontractors, including the inappropriate release or use of TWC Information.
- 7.6 Recipient shall be responsible and liable for any damages resulting from a breach by Recipient including damages and losses of third parties. Recipient shall reimburse Agency for any costs incurred by Agency in reimbursing third parties damaged by Recipient’s breach and costs incurred in attempts by Agency to limit third party losses resulting from Recipient’s breach.
- 7.7 Recipient agrees to accept liability for any damage to Agency’s hardware, software, or TWC Information when such damage is caused by the actions of employees, contractors, subcontractors or agents of Recipient, whether or not the individual was an authorized User under this Contract.
- 7.8 If any provision of this Contract is held to be unenforceable by a court, this Contract will be construed as if such provision did not exist and the unenforceability of such provision will not render any other provisions of this Contract unenforceable.
- 7.9 This Contract is the entire agreement between the Parties.
- 7.10 The subject headings used in this Contract are for convenience only and are not intended to expand or limit meanings.
- 7.11 Attachments listed in the Table of Contents are incorporated in their entirety as terms and conditions of this Contract.

In the event of an extended suspension of services, Agency will notify Recipient as soon as possible.
- 3.2.3 Enduring Obligation. Termination or expiration of this Contract will not end Recipient's responsibility to protect the confidentiality of TWC Information remaining in Recipient's possession, under Recipient's control, or held by a third party subject to contract or agreement with Recipient.

IRS Publication 1075 directs us to the FISMA requirements and NIST guidelines for sanitization and disposition of media used for federal tax information (FTI). These guidelines are also required for sensitive or confidential information that may include personally identifiable information (PII) or protected health information (PHI). NIST 800-88, Appendix A contains a matrix of media with minimum recommended sanitization techniques for clearing, purging, or destroying various media types. This appendix is to be used with the decision flow chart provided in NIST 800-88, Section 5.

There are two primary types of media in common use:

- **Hard Copy.** Hard copy media is physical representations of information. Paper printouts, printer and facsimile ribbons, drums, and platens are all examples of hard copy media.
- **Electronic (or soft copy).** Electronic media are the bits and bytes contained in hard drives, random access memory (RAM), read-only memory (ROM), disks, memory devices, phones, mobile computing devices, networking equipment, and many other types listed in NIST SP 800-88, Appendix A.

1. For media being reused within your organization, use the **CLEAR** procedure for the appropriate type of media. Then validate the media is cleared and document the media status and disposition.
2. For media to be reused outside your organization or if leaving your organization for any reason, use the **PURGE** procedure for the appropriate type of media. Then validate the media is purged and document the media status and disposition. Note that some **PURGE** techniques such as degaussing will typically render the media (such as a hard drive) permanently unusable.
3. For media that will not be reused, use the **DESTRUCTION** procedure for the appropriate type of media. Then validate the media is destroyed and document the media status and disposition.
4. For media that has been damaged (i.e. crashed drive) and cannot be reused, use the **DESTRUCTION** procedure for the appropriate type of media. Then validate the media is destroyed and document the media status and disposition.
5. If immediate purging of all data storage components is not possible, data remaining in any storage component will be protected to prevent unauthorized disclosures. Within twenty (20) business days of contract expiration or termination, provide TWC with a signed statement detailing the nature of TWC data retained type of storage media, physical location, planned destruction date, and the proposed methods of destruction for TWC approval.
