Re: Project is a portion of the Georgetown Inner Loop (Southeast Bypass) for implementation of safety improvements along approximately 1.7 miles between Maple Street and Southwestern Boulevard. The average Right-of-Way will be 130 feet, a project parcel comprising 14.3 acres with 8.04 acres of disturbance and potential karst impacts totaling 7.74 acres. WCCF file number 20170816.

Dear Judge Gattis:

The following determination of fees relates to the referenced project as a condition of participation under the Williamson County Regional Habitat Conservation Plan (RHCP). A review of the proposed project has been conducted in accordance with the RHCP and is based on supporting documents from the application Environmental Due Diligence Documentation. Accordingly, the Williamson County Conservation Foundation makes the following determination as to this application:

1. The enrollment fee for participation for the referenced project will be \$800.00. (Eight Hundred and No Hundredths Dollars). This fee is calculated using the acreage in the Edwards Limestone geological karst zone, which totals approximately 7.74 acres out of a total disturbance area of 8.04 acres. and full impact to one known species habitat feature (*Texella reyesi*). No known or recognized habitat for Golden Cheeked Warbler or Black Capped Vireo exists within the project area.
2. Please notify this office as soon as possible – by email to [wccf@wilco.org](mailto:wccf@wilco.org) or by fax to 512-943-1931 – of agreement to these participation terms.
3. A Participation Agreement based on the terms outlined in this Letter will be delivered to you for execution upon receipt of the participation fee. Please have the appropriate individuals sign where indicated.
4. A portion of the Participation Agreement ("Memorandum of Participation") is to be filed in the deed records of Williamson County. Please return a signed copy of the Participation Agreement to us. If you wish the WCCF to handle filing and to bill you for the associated fee, please indicate in the space at the bottom of this letter. Otherwise, please contact this office for filing instructions.

Subsequent to WCCF's receipt of the original recorded copy, this office will 1) provide a copy for your file, and, upon request, 2) prepare and mail a participation certificate. Although the certificate is not an official document, it may be posted at the project site as notification to interested parties of participation in the Williamson County RHCP.

Should you have any questions about this letter, please contact WCCF.

Sincerely,

Gary D. Boyd  
Director, Environmental Programs  
Williamson County Conservation Foundation
