

WORK AUTHORIZATION NO. 2

PROJECT: On Call Professional Engineering Services

This Work Authorization is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated December 22, 2016 and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and Freese and Nichols, Inc. (the "Engineer").

Part 1. The Engineer will provide the following Engineering Services set forth in Attachment "B" of this Work Authorization.

Part 2. The maximum amount payable for services under this Work Authorization without modification is \$50,000.

Part 3. Payment to the Engineer for the services established under this Work Authorization shall be made in accordance with the Contract.

Part 4. This Work Authorization shall become effective on the date of final acceptance and full execution of the parties hereto and shall terminate on September 30, 2018. The Engineering Services set forth in Attachment "B" of this Work Authorization shall be fully completed on or before said date unless extended by a Supplemental Work Authorization.

Part 5. This Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

Part 6. County believes it has sufficient funds currently available and authorized for expenditure to finance the costs of this Work Authorization. Engineer understands and agrees that County's payment of amounts under this Work Authorization is contingent on the County receiving appropriations or other expenditure authority sufficient to allow the County, in the exercise of reasonable administrative discretion, to continue to make payments under this Contract. It is further understood and agreed by Engineer that County shall have the right to terminate this Contract at the end of any County fiscal year if the governing body of County does not appropriate sufficient funds as determined by County's budget for the fiscal year in question. County may effect such termination by giving written notice of termination to Engineer.

Part 7. This Work Authorization is hereby accepted and acknowledged below.

EXECUTED this 12 day of September, 2017.

LIST OF ATTACHMENTS

Attachment A - Services to be Provided by County

Attachment B - Services to be Provided by Engineer

Attachment C - Work Schedule

Attachment D - Fee Schedule

Attachment A - Services to be Provided by County

Williamson County Road & Bridge Division personnel will provide project direction, review and oversight.

Attachment B - Services to be Provided by Engineer

FNI will provide general consulting services and support to the Engineering Design Services for Replacement of Culvert Crossings Project as requested. Services may include but are not limited to:

1. Providing engineering reviews and floodplain management services for projects in the County as requested. Assistance may include review of development projects, Conditional Letters of Map Revision (CLOMR) submittals, Letters of Map Revision (LOMR) submittals, and hydrologic or hydraulic models (including 2D models).
2. Support staff activities for County projects as requested including developing or reviewing CLOMR/LOMR's, developing hydrologic or hydraulic models, staff augmentation, and/or provide technical expertise and general peer review for County designed projects.
3. Assist County Staff in addressing drainage concerns from County Residents or County Commissioners as requested. Generally, these tasks will include gathering information related to the possible drainage issue/concern including talking to stakeholders, evaluating/analyzing drainage patterns and runoff quantities, and preparing a summary memorandum that documents the issue and analysis. If requested and needed, these tasks may include providing recommendations for drainage improvements, conceptual design analyses, and opinions of probable construction costs.
4. Provide training and/or technical support to County staff as requested.

Attachment C - Work Schedule

Individual tasks under this contract will be initiated by the County. For each task assignment Freese and Nichols will provide a written description of the services to be provided, estimated timeline for completion, and requested deliverables. Freese and Nichols will proceed with the individual tasks upon written task authorization from the County.

Attachment D - Fee Schedule

Compensation to Engineer for Basic Services in Work Authorization #2, Attachment B shall be computed on the basis of the Schedule of Charges, but shall not exceed Fifty Thousand Dollars and No Cents (\$50,000.00). If FNI sees the Scope of Services changing so that Additional Services are needed, including but not limited to those services described as Additional Services in Attachment B, Engineer will notify COUNTY for COUNTY'S approval before proceeding. Additional Services shall be computed based on the Schedule of Charges.
