

CAPITAL AREA EMERGENCY COMMUNICATIONS DISTRICT

INTERLOCAL CONTRACT FOR NEXT GENERATION 9-1-1 DATABASE PROGRAM

Section 1. Parties and Purpose

- 1.1. The Capital Area Emergency Communications District ("CAECD") is a regional emergency communications district and political subdivision of the State of Texas organized and operating under Chapter 772, Subchapter G of the Health & Safety Code, as amended. CAECD has developed an annual budget to operate and maintain Next Generation 9-1-1 emergency communications service within the District.
- 1.2. Williamson County ("County") is a Texas County that has agreed to participate in the District as authorized by Chapter 772 of the Health and Safety Code.
- 1.3. This contract is entered into between CAECD and County under Chapter 791 of the Government Code so that County can participate with CAECD in implementing the Next Generation 9-1-1 emergency communications system in the district.

Section 2. Goods and Services

- 2.1. County agrees to coordinate implementation and collection of the Geographic Information System (GIS) data on a countywide basis in accordance with the standards adopted for the Capital Area Council of Governments (CAPCOG) GIS Program. Specifically, County agrees to:
 - A. Coordinate 9-1-1 GIS activities within the County and municipalities in the County to develop and enhance the 9-1-1 GIS coverage required by Mapped ALI and the *CAPCOG NG9-1-1 Transitional GIS Data Requirements*, Attachment B, to this contract. The County must develop, compile and maintain current, seamless countywide coverage for street centerlines, address points, Emergency Service Zones (ESZs) and city limits in both the incorporated and unincorporated areas of the County.
 - B. Provide to CAPCOG GIS datasets described in Section 2.1.A that are in accordance with the *CAPCOG NG9-1-1 Transitional GIS Data Requirements*, Attachment B. This document describes the technical requirements and expectations for GIS data maintenance and monthly submissions.
 - C. Submit by the first business day of each month to CAPCOG's GIS Department a copy of updated GIS datasets for street centerlines, address points, ESZ boundaries, and city limit boundaries. All files submitted to CAPCOG must be in ESRI File geodatabase format, and must be in a common projected coordinate system. CAPCOG agrees to perform quality assurance/quality control procedures through the 5th business day of the month, including any coordination necessary with the County that may involve the County making corrections to mandatory components of their work – See Attachment B requirements. By the 7th business day of the month, CAPCOG will begin pushing the updated/corrected GIS datasets to the

mapping servers designated by CAECD. It is expected that by the 9th business day of each month the GIS datasets will be updated.

- D. Enter into contracts for joint data development and information sharing among the County, cities, central appraisal district, and other public entities and private interests located within the County so as to enhance the effectiveness of emergency service delivery related to 9-1-1 GIS coverage. If the County is unable to acquire any required Mapped ALI GIS data, as described in Section 2.1.A, from one of the entities listed above, then County must develop it independently.
- E. Track County commissioner's court and city council meetings that relate to development and improvement of GIS implementation for emergency services delivery. If an issue arises where either the County commissioner's court or city council takes a course of action that would interfere with or be inconsistent with the data development and maintenance procedures followed by the County, the County must notify CAECD in writing within two business days in order to facilitate the development of an appropriate response.
- F. Resolve conflicts and problems related to the 9-1-1 GIS data maintained by County. If any issue regarding the GIS data arises which the County cannot resolve on its own, the County must contact CAECD within two business days in order to determine the best course of action to resolve the issue.
- G. Maintain the automatic location information (ALI) database (also called the 9-1-1 database) for the County area. This includes, but is not limited to, correcting telephone number (TN) database errors; maintenance and quality control of an accurate 9-1-1 call location map; and providing Master Street Address Guide (MSAG) updates and corrections to the database vendor.
- H. At a minimum, back up monthly on computer media all critical 9-1-1 GIS mapping files, coverages and related data (street centerlines, address points, ESZs, city limits and common places files) and store the backup data in a secure place.
- I. Protect the confidentiality of the 9-1-1 database and of information furnished by telecommunications providers, and notify CAPCOG's Emergency Communications Division in writing within two business days of the receipt of a request for addressing database or information made under the Texas Public Information Act.
- J. All data and derivative products such as maps must include the standard CAPCOG data disclaimer.
- K. Resolve any discrepancies between GIS datasets and the MSAG database, as determined necessary by CAPCOG through its regular validation testing, in a timely fashion. Upon correction of any identified errors, resubmit the revised GIS datasets to CAPCOG in a timely fashion.
- L. Resolve any discrepancies between GIS datasets and the information displayed at the PSAP as reported by a call taker, in a timely fashion

- M. Attend scheduled quarterly GIS User Group meetings and at least one annual training workshop at the CAPCOG office.

Section 3. Cooperative Purchasing

- 3.1. County may request CAECD to purchase on County's behalf, but no more often than quarterly, the 9-1-1 equipment CAECD has authorized County to purchase. County agrees to request the purchase in accordance with CAECD's *9-1-1 Policies and Procedures Manual*, as amended.
- 3.2. If CAECD purchases 9-1-1 equipment for County, County agrees that CAECD may deduct the cost of the 9-1-1 equipment purchased from the contract price otherwise payable to County under Section 5.

Section 4. Effective Date and Term of Contract

- 4.1. This contract takes effect on October 1, 2017 and it ends, unless terminated early under Section 11, on September 30, 2018.

Section 5. Contract Price and Payment Terms

- 5.1. CAECD agrees to compensate County in the total amount of not to exceed \$309,890 for its performance of this contract.
- 5.2. County agrees to request reimbursement, but not more often than quarterly, for all allowable costs paid or incurred under this contract by completing the CAECD Quarterly GIS/Database Manager Financial Report, Attachment A to this contract, and submitting it to CAECD. "Allowable costs" are defined in "Cost Principles for State and Local Governments and Other Affected Entities," Chapter II of the *Uniform Grant Management Standards* (Governor's Office of Budget and Planning).
- 5.3. CAECD agrees to pay County the reimbursement requested within 30 calendar days after receiving the correct and complete CAECD Quarterly GIS/Database Manager Financial Report.

 - A. If County does not repay the reimbursement when required, CAECD may refuse to purchase 9-1-1 equipment on County's behalf and may withhold all or part of the unpaid reimbursement from County's future entitlement to reimbursement under this or future interlocal contracts between the parties for implementation of the enhanced 9-1-1 database program.
 - B. Before the 60-day repayment period expires, County may appeal in writing to CAECD its determination that County repay the reimbursement, explaining why it believes the determination is wrong, or County may request CAECD in writing to extend the 60-day repayment period, proposing an alternative period and justifying its need, or it may both

appeal and propose an extension. The CAECD Board of Managers decision on County's appeal or proposal or both is final.

- C. The appeal authorized by Section 5.4.B is the only mechanism for challenging CAECD's determination under Section 5.4 that County repay the reimbursement. The early termination provisions of Section 11 and the dispute resolution process of Section 12 are not available to challenge CAECD's determination.

Section 6. Performance Reports

- 6.1. CAECD agrees each quarter to distribute electronically a performance report to the County Database Coordinator.
- 6.2. County agrees to address errors identified in the performance reports.

Section 7. Compliance with Applicable Law and Policy

Section 8. Independent Contractor, Assignment and Subcontracting

- 8.1. County is not an employee or agent of CAECD, but furnishes goods and services under this contract solely as an independent contractor.
- 8.2. County may not assign its rights or subcontract its duties under this contract without the prior written consent of CAECD. An attempted assignment or subcontract in violation of this Section 8.2 is void.
- 8.3. If CAECD consents to subcontracting, each subcontract is subject to all of the terms and conditions of this contract, and County agrees to furnish a copy of this contract to each of its subcontractors.

Section 9. Records and Monitoring

- 9.1. County agrees to maintain financial records (including procurement records if applicable), statistical, and ANI/ALI records adequate to document its performance, costs, and receipts under this contract. County agrees to maintain these records at County's offices.
- 9.2. Subject to the additional requirement of Section 9.3, County agrees to preserve the records for three fiscal years after receiving its final payment under this contract.
- 9.3. If an audit of or information in the records is disputed or the subject of litigation, County agrees to preserve the records until the dispute or litigation is finally concluded, regardless of the ending or early termination of this contract.

- 9.4. Upon advance and reasonable notice to the County, CAECD is entitled to inspect and copy, during normal business hours at County's offices where they are maintained, the records maintained under this contract for as long as they are preserved. CAECD is also entitled to visit County's offices, talk to its personnel, and audit its records, all during normal business hours, to assist in monitoring its performance under this contract.
- 9.5. CAECD at least once each year will visit County's offices and monitor its performance of this contract to ensure compliance with applicable law and policy described in Section 7. CAECD will provide County a written monitoring report within 30 calendar days of the visit. The report will describe any compliance issues and schedule a follow-up visit if necessary.
- 9.6. CAECD agrees to notify County at least 24 hours in advance of any intended visit under this Section 9. Upon receipt of CAECD's notice, County agrees to notify the appropriate department(s) specified in the notice of CAECD's intended visit.

Section 10. Nondiscrimination and Equal Opportunity

- 10.1. County shall not exclude anyone from participating under this contract, deny anyone benefits under this contract, or otherwise unlawfully discriminate against anyone in carrying out this contract because of race, color, religion, sex, age, disability, handicap, veteran status, or national origin.
- 10.2. If County procures goods or services with funds made available under this contract, County agrees to comply with CAECD's affirmative action procurement policy, which is set out in CAECD's *9-1-1 Policies and Procedures Manual*.

Section 11. Early Termination of Contract

- 11.1. Except as provided in Section 5.4, if CAECD or County breaches a material provision of this contract, the other may notify the breaching party describing the breach and demanding corrective action. The breaching party has five business days from its receipt of the notice to correct the breach, or to begin and continue with reasonable diligence and in good faith to correct the breach. If the breach cannot be corrected within a reasonable time as agreed by the parties, despite the breaching party's reasonable diligence and good faith effort to do so, the parties may agree to terminate the contract or either party may invoke the dispute resolution process of Section 12.
- 11.2. If this contract is terminated under Section 11, CAECD and County are each entitled to compensation for goods and services each provided the other before receiving notice of the suspension or termination. However, neither CAECD nor County is liable to the other for costs it paid or incurred under this contract after or in anticipation of its receipt of notice of suspension or termination.
- 11.3. Termination for breach under Section 11.1 does not waive either party's claim for direct damages resulting from the breach, and both CAECD and County among other remedies may withhold from compensation owed the other an amount necessary to satisfy its claim against the other.

- 11.4. The ending of this contract under Section 4 or its early termination under this Section 11 does not affect County's duty:
- A. To repay CAECD for expenditures made in violation of applicable law or policy in accordance with Sections 5.4 and 5.5;
 - B. To preserve its records and permit inspection, copying, and auditing of its records and visitation of its premises and personnel under Section 9.

Section 12. Dispute Resolution

- 12.1. The parties desire to resolve disputes arising under this contract without litigation. Accordingly, if a dispute arises, the parties agree to attempt in good faith to resolve the dispute between themselves. To this end, the parties agree not to sue one another, except to enforce compliance with this Section 12, toll the statute of limitations, or seek an injunction until they have exhausted the procedures set out in this Section 12.
- 12.2. At the written request of either party, each party shall appoint one non-lawyer representative to negotiate informally and in good faith to resolve any dispute arising under this contract. The representatives appointed shall determine the location, format, frequency, and duration of the negotiations.
- 12.3. If the representatives cannot resolve the dispute within 30 calendar days after the first negotiation meeting, the parties agree to refer the dispute to the Dispute Resolution Center of Austin for mediation in accordance with the Center's mediation procedures by a single mediator assigned by the Center. Each party agrees to pay half the cost of the Center's mediation services.
- 12.4. The parties agree to continue performing their duties under this contract, which are unaffected by the dispute, during the negotiation and mediation process.
