RECITALS

The County intends to expand the Williamson County Juvenile Justice Center and add 48 (forty-eight) secure bedrooms and associated recreational, classroom and administrative spaces (additional items may be included), hereinafter called the "Project"; and

The County desires that the A/E perform certain professional architectural and engineering services in connection with the Project; and

The A/E represents that it is qualified and desires to perform such services;

NOW, THEREFORE, the County and the A/E, in consideration of the mutual covenants and agreements herein contained, do mutually agree as follows:

SECTION I SCOPE OF AGREEMENT

The A/E agrees to perform professional architectural and engineering services in connection with the Project as stated herein, and for having rendered such services, the County agrees to pay to the A/E compensation as stated in the sections to follow.

SECTION II CHARACTER AND BASIC SCOPE OF SERVICES

A. In consideration of the compensation herein provided, A/E shall perform professional architectural and engineering services for the Project, which are acceptable to the County, based on standard architectural and engineering practices and the scope of work described on the Exhibit(s) attached to this Agreement. A/E shall also serve as County's professional architect and engineer in those phases of the Project to which this Agreement applies and will consult with and give advice to County during the performance of A/E's services.

B. A/E shall not commence work until A/E has been thoroughly briefed on the scope of the Project and has been notified in writing to proceed, as evidenced by a Notice to Proceed.

C. County shall provide A/E with all existing plans, maps, studies, reports, field notes, statistics, computations, and other data in its possession relative to existing facilities and to this

particular Project at no cost to A/E; however, any and all such information shall remain the property of County and shall be returned, if the County so instructs A/E.

D. A/E shall perform the following scope of services, which collectively shall be referred to herein as the "Basic Scope of Services":

1. The Basic Scope of Services shall generally consist of all elements of work, materials and equipment required for the development of the Project, including any Public Hearings, satisfactory to the County and the County's Commissioners Court, in accordance with the requirements, policies, and general practices of Williamson County.
2. The following documents shall be used in the development of the Project:

 - b. Texas Accessibility Standards (TAS) of the Architectural Barriers Act, Article 9102, Texas Civil Statutes, Effective April 4, 1994, including latest revisions;

4. The professional architectural and engineering services for the Project will be separated into two contractual phases, which are as follows:

PHASE I - Programming Review and Schematic Design
PHASE II - Design Development, Construction Documents, Bidding, and Construction Administration.

Contract Negotiations for Phase II services will only be undertaken if the Project's Schematic Design and Budget for such services and construction of the Project is approved by the Williamson County Commissioners Court. County reserves the right to solicit proposals for the Phase II services from other professional service firms as it believes it is in the best interest of the County. Following completion and acceptance of the Phase I services and in the event County chooses not to solicit proposals from other professional service firms but rather chooses to proceed with contracting with A/E for the Phase II services, County and A/E will negotiate a fee for such Phase II services and set forth same along with the scope of services for Phase II services in a written amendment or supplement to this Agreement.

The detailed Basic Scope of Services for Phase I of the Project is set forth herein as **Exhibit "A"** to this Agreement, and is expressly incorporated and made a part hereof.

SECTION III ADDITIONAL SERVICES AND CHARGES

For the performance of the services not specifically described as Basic Scope of Services under Section II above (sometimes referred to herein as "Additional Services"), County shall pay and A/E shall receive, under a negotiated written contract modification, Additional Services compensation based upon the method and rates set forth **Exhibit "B"**.

The A/E shall not, however, be compensated for work made necessary by A/E's negligent errors or omissions. In the event of any dispute over the classification of A/E's services as Basic or Additional Services under this Agreement, the decision of the County shall be final and binding on A/E.

It is expressly understood and agreed that A/E shall not furnish any Additional Services without the prior written authorization of the County. The County shall have no obligation to pay for such Additional Services which have been rendered without the prior written authorization of the County as hereinabove required. Furthermore, in no event will the County be obligated to compensate the A/E for any Additional Services and charges in an amount in excess of **Twenty Thousand One Hundred Six and No/100 Dollars (\$20,106.00)**.

SECTION IV TIME FOR PERFORMANCE

A. Time for Performance. A/E agrees to complete the services called for in **Exhibit "A"**, of this Agreement within **ninety (90) calendar days** from the date of the first program or stakeholder's meeting.

2. Upon receipt of the A/E Work Products, the submission shall be checked for completion. "Completion" shall be defined as: all of the required items (as defined by the Basic Scope of Services described herein) have been included in the A/E Work Products in compliance with the requirements of this Agreement. The

completeness of any A/E Work Product submitted to County shall be determined by County within fourteen (14) days of such submittal and County shall notify A/E in writing within such time period if such A/E Work Product has been found to be incomplete.

3. If the submission is Complete, County's technical review process will then begin. If the submission is incomplete, County shall notify A/E, who shall perform such professional services as are required to complete the work and resubmit it to County within seven (7) days. This process shall be repeated until a submission is complete.
4. Within seven (7) days of determining that a particular A/E Work Product is Complete, County shall review the completed work for compliance with the Scope of Work and determine whether or not to accept such A/E Work Product. If necessary, the completed work shall be returned to A/E, who shall perform any required work and resubmit it to County. This process shall be repeated until the work is accepted. "Acceptance" shall mean that in the County's opinion substantial compliance with the requirements of this Agreement has been achieved.
5. After Acceptance, A/E shall perform any required modifications, changes, alterations, corrections, redesigns, and additional work necessary to receive final approval by the County. "Approval" in this sense shall mean formal recognition that the work has been fully carried out.

B. Revision to A/E Work Product. A/E shall make, without expense to County, such revisions to the A/E Work Product as may be required to correct negligent errors or omissions so the A/E Work Product meets the needs of County, but after the approval of the A/E Work Product any revisions, additions, or other modifications made at County's request which involve extra services and expenses to A/E shall entitle A/E to additional compensation for such extra services and expenses; provided, however, A/E hereby agrees to perform any necessary corrections to the A/E Work Products which are found to be in negligent error or omission as a result of the A/E's development of the A/E Work Product, at any time, without additional compensation. If it is necessary due to such error or omission by A/E to revise any A/E Work Product in order to make the Project constructible, A/E shall do so without additional compensation. In the event of any dispute over the classification of A/E's A/E Work Products as Complete, Accepted, or Approved under this Agreement, the decision of the County Judge shall be final and binding on A/E, subject to any civil remedy or determination otherwise available to the parties and deemed appropriate by the parties.

C. Days. All references to a "day" in this Agreement shall mean a calendar day unless otherwise specified.

SECTION VI COMPENSATION AND EXPENSES

A. Compensation. For and in consideration of the Basic Scope of Services rendered by the A/E, and subject to the limit of appropriation under Section X, the County shall pay to the A/E a firm fixed fee of **One Hundred Seventy Nine Thousand Eight Hundred Ninety Four and No/100 Dollars (\$179,894.00)**, hereinafter called the "Basic Fee", plus the amount payable under

Section III (Additional Services and Charges). The Basic Fee amount set forth above includes all amounts of reimbursable expenses that may be invoiced by A/E.

B. Expenses. Engineer shall be reimbursed for actual non-labor expenses incurred in the performance of the services under this Agreement in accordance with the Williamson County Vendor Reimbursement Policy set forth under **Exhibit "E"**. Invoices requesting reimbursement for costs and expenditures related to the Project (reimbursables) must be accompanied by copies of the provider's invoice and comply with the Williamson County Vendor Reimbursement Policy. The copies of the provider's invoice must evidence the actual costs billed to Engineer without mark-up. As noted herein above, all reimbursable expenses have been included in the total amount of the Basic Fee.

SECTION VII

TIME OF PAYMENT; PAYMENT AND INTEREST; AND RIGHT TO AUDIT

A. Time of Payment. During the performance of the Basic Scope of Services provided for in this Agreement, monthly payments shall be made based upon that portion of the services which has been completed.

On or about the last day of each calendar month during the performance of the services to be provided under this Agreement, the A/E shall submit a sworn statement to the County, along with time sheets detailing hours worked, receipts detailing expenses incurred and other support documentation, in a form acceptable to the Williamson County Auditor, setting forth the services provided for by this Agreement which were completed during such calendar month, the compensation which is due, plus the amounts payable under Section III (Additional Services and Charges) which have not been previously billed or paid. In the event the statement includes charges based upon hourly billing rates for services or any other rates based upon the amount of time worked by an individual or individuals in performing services, whether the charges are being billed directly to the County or whether they are the basis of invoices from subcontractors for which the A/E seeks reimbursement from the County, the charges shall be accompanied by an affidavit signed by an officer or principal of the A/E certifying that the work was performed, it was authorized by the County and that all information contained in the invoice that is being submitted is true and correct.

The County shall review the statements within ten (10) days of the receipt and approve them with such modifications, if any, as it deems appropriate. The County shall then pay each statement within thirty (30) days after the Williamson County Auditor's receipt of an approved statement; provided, however, that the approval or payment of any statement shall not be considered to be evidence of performance by the A/E to the point indicated by such statement or of receipt or acceptance by the County of the services covered by such statement.

B. Interest and Late Payments. County's payment for goods and services shall be governed by Chapter 2251 of the Texas Government Code. Interest charges for any overdue payments shall be paid by County in accordance with Texas Government Code Section 2251.025. More specifically, the rate of interest that shall accrue on a late payment is the rate in effect on September 1 of County's fiscal year in which the payment becomes due. The said rate in effect on September

1 shall be equal to the sum of one percent (1%); and (2) the prime rate published in the Wall Street Journal on the first day of July of the preceding fiscal year that does not fall on a Saturday or Sunday.

In the event that an error appears in an invoice/application for payment submitted by A/E, County shall notify A/E of the error not later than the twenty first (21st) day after the date County receives the invoice/application for payment. If the error is resolved in favor of A/E, A/E shall be entitled to receive interest on the unpaid balance of the invoice/application for payment submitted by A/E beginning on the date that the payment for the invoice/application for payment became overdue. If the error is resolved in favor of the County, A/E shall submit a corrected invoice/application for payment that must be paid in accordance within the time set forth above. The unpaid balance accrues interest as provided by Chapter 2251 of the Texas Government Code if the corrected invoice/application for payment is not paid by the appropriate date.

C. Right to Audit. A/E agrees to maintain, for a period of seven (7) years, detailed records identifying each individual performing the services, the date or dates the services were performed, the applicable hourly rates, the total amount billed for each individual and the total amount billed for all persons, and provide such other details as may be requested by the County Auditor for verification purposes. A/E agrees that County or its duly authorized representatives shall, until the expiration of three years after final payment under this Agreement, have access to and the right to examine and photocopy any and all books, documents, papers and records of A/E which are directly pertinent to the services to be performed under this Agreement for the purposes of making audits, examinations, excerpts, and transcriptions. A/E shall retain its records within the boundaries of Williamson County and further agrees that County shall have access during normal working hours to all necessary A/E facilities and shall be provided adequate and appropriate work space in order to conduct audits in compliance with the provisions of this section. County shall give A/E reasonable advance notice of intended audits.

In the event such suspension of the Project or the A/E's services hereunder extends for a period of ninety (90) consecutive calendar days or more, A/E may terminate this Agreement in writing.

B. Termination. County may terminate this Agreement at any time by notice in writing to the A/E. Upon receipt of such notice, the A/E shall discontinue all services in connection with the performance of this Agreement and shall proceed to cancel promptly all existing orders and contracts insofar as such orders or contracts are chargeable to this Agreement. Within sixty (60) days after receipt of notice of termination, the A/E shall submit a statement, showing in detail the services performed under this Agreement to the date of termination. The County shall then pay the A/E that proportion of the prescribed charges which the services actually performed under this Agreement bear to the total services called for under this Agreement, less such payments on

Vendor Reimbursement Policy

The purpose of this Williamson County Vendor Reimbursement Policy ("Policy") is to provide clear guidelines to vendors on Williamson County's expectations and requirements regarding allowable reimbursable expenditures and required backup. The Policy will also minimize conflicts related to invoice payments and define non-reimbursable items. This Policy is considered a guideline and is not a contract.

This Policy may be altered, deleted or amended, at any time and without prior notice to vendors, by action of the Williamson County Commissioners Court. Unenforceable provisions of this Policy, as imposed by applicable law, regulations, or judicial decisions, shall be deemed to be deleted.
