DRAINAGE EASEMENT

THE STATE OF TEXAS

§

KNOW ALL BY THESE PRESENTS:

COUNTY OF WILLIAMSON

§

§

THAT COUNTY OF WILLIAMSON, TEXAS, a political subdivision of the State of Texas, ("**Grantor**"), for and in consideration of the sum of TEN DOLLARS and other good and valuable consideration to Grantor, in hand paid, the receipt and sufficiency of which are hereby acknowledged, and for which no lien, expressed or implied, is retained, has this date **GRANTED, SOLD, and CONVEYED** and, by these presents, does hereby **GRANT, SELL, and CONVEY** unto **PARKSIDE AT MAYFIELD RANCH MUNICIPAL UTILITY DISTRICT**, a political subdivision of the State of Texas ("**Grantee**"), whose address is c/o Armbrust & Brown, PLLC, 100 Congress Avenue, Suite 1300, Austin, Texas, 78701, a permanent easement (the "**Easement**") in, upon, over, under, and across the following real property:

That 2,197 square foot tract of land, in the Anastasha Carr Survey, Abstract No. 122, in Williamson County, Texas, which is fully described and shown on **Exhibit "A"**, attached hereto and made a part hereof for all purposes ("**Easement Tract**").

TO HAVE AND TO HOLD the Easement, together with the right and privilege at any and all times to enter the Easement Tract or any part thereof, unto Grantee and its successors and assigns forever, for the purposes set forth herein. Grantor, on behalf of itself and its successors and assigns, does hereby covenant and agree to **WARRANT and FOREVER DEFEND** title to the Easement unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof, subject to the terms and provisions hereof and all matters of record to the extent the same are valid, subsisting, and affect the Easement Tract.

The Easement may be used for the purpose of the inundation and conveyance of storm waters and flood waters, and the construction, installation, operation, repair, inspection, maintenance, relocation, removal, upgrade, and replacement of drainage improvements and related facilities, utilities, appurtenances, including, without limitation, drainage channels, piping, culverts, outfall, and headwall improvements (collectively, "**Drainage Facilities**"), and making connections thereto, and for maintaining the Easement Tract by clearing and removing vegetation and debris. Grantee will use reasonable efforts to design and maintain the Drainage Facilities so as to mitigate erosion within the Easement Tract and will be responsible for repairing any erosion damage to the Easement Tract caused by the Drainage Facilities for two years after completion of construction of the initial Drainage Facilities.

The Easement will be non-exclusive; however, Grantor will not use the Easement Tract in any manner or grant any easement on or across the Easement Tract that interferes or is inconsistent with or prevents the use of the Easement as contemplated herein.

This Easement and the rights of Grantee hereunder may be assigned by Grantee in whole or in part, exclusively or non-exclusively, so long as the assignee utilizes the Easement solely as

contemplated herein. Any assignment of this Easement and the rights of Grantee hereunder will also include an express assumption by any assignee of the obligations set forth herein, and any such assignment and assumption will release assignor of its rights and obligations hereunder to the extent assumed.

Should Grantee or Grantee's agents, in the exercise of Grantee's rights hereunder, ever damage Grantor's property, whether it be real or personal property that is located within the Easement Tract or within areas adjacent to the Easement Tract, Grantee shall be liable for such damage and Grantee shall be obligated to promptly repair the damaged property as close as reasonably practicable to its prior condition.

Grantee agrees that no hardwood trees, within the Easement Tract or on the areas adjoining the Easement Tract, having trunks that are two (2) inches in diameter or larger, measured two (2) feet above the ground, shall be cut, damaged or otherwise disturbed without Grantor's prior written permission; however, cedar trees, brush, sprouts and small saplings may be cut, it being provided that all such cut brush, sprouts and small saplings shall also be removed from Grantor's property. In the event that Grantee or Grantee's agents and/or contractors cut, damage or otherwise disturb a hardwood tree having a trunk that is two (2) inches in diameter or larger, measured two (2) feet above the ground, Grantee shall be obligated and liable to Grantor for the repair and/or replacement value of each such damaged hardwood tree.
