The District or the Registrar may require the Registered Owner of a mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including apparently destroyed, or wrongfully taken, the District, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall execute and the Registrar shall authenticate and deliver a replacement Bond of like amount, bearing a number not contemporaneously outstanding.

The District or the Registrar may require the Registered Owner of a mutilated Bond to pay a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith and any other expenses connected therewith, including the fees and expenses of the Registrar. The District or the Registrar may require the Registered Owner of a lost, apparently destroyed or wrongfully taken Bond, before any replacement Bond is issued, to:

- (a) furnish to the District and the Registrar satisfactory evidence of the ownership of and the circumstances of the loss, destruction or theft of such Bond;
- (b) furnish such security or indemnity as may be required by the Registrar and the District to save them harmless;
- (c) pay all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Registrar and any tax or other governmental charge that may be imposed; and
- (d) meet any other reasonable requirements of the District and the Registrar.

If, after the delivery of such replacement Bond, a bona fide purchaser of the original Bond which such replacement Bond was issued presents for payment such original Bond, the District and the Registrar shall be entitled to recover such replacement Bond from the person to whom it was delivered or any person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost or expense incurred by the District or the Registrar in connection therewith.

If any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the District in its discretion may, instead of issuing a replacement Bond, authorize the Registrar to pay such Bond.

Each replacement Bond delivered in accordance with this Section 4.02 shall be entitled to the benefits and security of this Bond Order to the same extent as the Bond or Bonds in lieu of which such replacement is delivered.

PRINCIPAL AMOUNT:

ON THE MATURITY DATE specified above, **NORTHWOODS ROAD DISTRICT NO. 1** (the "District"), being a political subdivision of the State of Texas, hereby promises to pay to the Registered Owner set forth above, or registered assign (hereinafter called the "Registered Owner") the principal amount set forth above, and to pay interest thereon calculated on the basis of a 360 day year of twelve 30 day months, from the date of initial delivery of the Bonds of September 12, 2017 on February 15, 2018 and semiannually on each August 15 and February 15 thereafter (an "Interest Payment Date") to the maturity date specified above, or the date of redemption prior to maturity, at the interest rate per annum specified above; except that if this Bond is required to be authenticated and the date of its authentication is later than the first Record Date (hereinafter defined), such principal amount shall bear interest from the Interest Payment Date next preceding the date of authentication, unless such date of authentication is after any Record Date but on or before the next following Interest Payment Date, in which case such principal amount shall bear interest from such next following Interest Payment Date; provided, however, that if on the date of authentication hereof the interest on the Bond or Bonds, if any, for which this Bond is being exchanged or converted from is due but has not been paid, then this Bond shall bear interest from the date to which such interest has been paid in full. Notwithstanding the foregoing, during any period in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, any payment to the securities depository, or its nominee or registered assigns, shall be made in accordance with existing arrangements between the District and the securities depository.

THE PRINCIPAL OF AND INTEREST ON this Bond are payable in lawful money of the United States of America, without exchange or collection charges. The principal of this Bond shall be paid to the Registered Owner hereof upon presentation and surrender of this Bond at maturity or upon the date fixed for its redemption prior to maturity at BOKF, NA which is the "Registrar" or "Paying Agent/Registrar" for this Bond at its designated office for payment in Austin, Texas. The payment of interest on this Bond shall be made by the Paying Agent/Registrar to the Registered Owner hereof on each Interest Payment Date by check or draft, dated as of such Interest Payment Date, drawn by the Registrar on, and payable solely from, funds of the District required by the order authorizing the issuance of the Bonds (the "Bond Order") to be on deposit with the Registrar for such purpose as hereinafter provided; and such check or draft shall be sent by the Registrar by United States mail, first-class postage prepaid, on or before each such Interest Payment Date, to the Registered Owner hereof, at its address as it appeared on the last day of the month next preceding each such date, whether or not such date is a business day (the "Record Date") on the Register kept by the Registrar listing the names and addresses of the Registered Owners (the "Register"). In addition, interest may be paid by such other method, acceptable to the Registrar, requested by, and at the risk and expense of, the Registered Owner. In the event of a non-payment of interest on a scheduled payment date, and for 30 calendar days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the District. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 calendar days after the Special Record Date) shall be sent at least 5 business days prior to the Special Record Date by United States mail, first-class postage prepaid, to the address of each Registered Owner as it appears on the Register at the close of business on the last business day next preceding the date of mailing of such notice.

DURING ANY PERIOD in which ownership of the Bonds is determined only by a book entry at a securities depository for the Bonds, if fewer than all of the Bonds of the same maturity and bearing the same interest rate are to be redeemed, the particular Bonds of such maturity and bearing such interest rate shall be selected in accordance with the arrangements between the District and the securities depository.

ANY ACCRUED INTEREST due at maturity or upon the redemption of this Bond prior to maturity as provided herein shall be paid to the Registered Owner upon presentation and surrender of this Bond for payment at the designated office for payment of the Paying Agent/Registrar. The District covenants with the Registered Owner of this Bond that on or before each principal payment date, interest payment date, and any redemption date for this Bond it will make available to the Registrar, from the "Debt Service Fund" the creation of which is affirmed by the Bond Order, the amounts required to provide for the payment, in immediately available funds, of all principal of and interest on the Bonds, when due.

IF THE DATE for any payment due on this Bond shall be a Saturday, Sunday, a legal holiday, or a day on which banking institutions in the city where the designated office for payment of the Paying Agent/Registrar is located are authorized by law or executive order to close, or the United States Postal Service is not open for business, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day on

which banking institutions are authorized to close, or the United States Postal Service is not open for business; and payment on such date shall have the same force and effect as if made on the original date payment was due.

THIS BOND is one of a series of Bonds dated as of September 12, 2017 and authorized to be issued pursuant to Article III, Section 52 of the Texas Constitution and the Bond Order adopted by the Commissioners Court of Williamson County acting as the governing body of the District (the "Commissioners Court") in the principal amount of **\$8,520,000 FOR THE PURPOSE OF CONSTRUCTING, REIMBURSING FOR THE COSTS OF CONSTRUCTING, ACQUIRING BY PURCHASE, MAINTAINING AND OPERATING MACADAMIZED, GRAVELED OR PAVED ROADS AND TURNPIKES AND RELATED BRIDGES, TRAILS, DRAINAGE WORK AND OTHER SIMILAR IMPROVEMENTS, INCLUDING REIMBURSING THE DEVELOPER FOR CONSTRUCTION OF STAKED PLAINS BOULEVARD; AND PAYING THE COSTS OF ISSUANCE**

*Final Maturity

THE PRINCIPAL AMOUNT of the Term Bonds required to be redeemed pursuant to the operation of the mandatory sinking fund redemption provisions shall be reduced, at the option of the District by the principal amount of any Term Bonds of the stated maturity which, at least 50 days prior to a mandatory redemption date, (1) shall have been acquired by the District, at a price not exceeding the principal amount of such Term Bonds plus accrued interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, (2) shall have been purchased and canceled by the Paying Agent/Registrar at the request of the District with monies in the Debt Service Fund at a price not exceeding the principal amount of the Term Bonds plus accrued interest to the date of purchase thereof, or (3) shall have been redeemed pursuant to the optional redemption provisions and not theretofore credited against a mandatory sinking fund redemption requirement.

AT LEAST 30 calendar days prior to the date fixed for any redemption of Bonds or portions thereof prior to maturity a written notice of such redemption shall be sent by the Registrar by United States mail, first-class postage prepaid, to the Registered Owner of each Bond to be redeemed at its address as it appeared on the Register on the 45th calendar day prior to such redemption date at least 30 days prior to the date fixed for redemption and to major securities depositories and bond information services. By the date fixed for any such redemption due provision shall be made with the Registrar for the payment of the required redemption price for the Bonds or portions for which such payment is made, all as provided above. The Bonds or portions thereof which are to be so redeemed thereby automatically shall be treated as redeemed prior to their scheduled maturities, and they shall not bear interest after the date fixed for redemption, and they shall not be regarded as being outstanding except for the right of the Registered Owner to receive the redemption price from the Registrar out of the funds provided for such payment. If a portion of any Bond shall be redeemed, a substitute Bond or Bonds having the same maturity date, bearing interest at the same rate, in any authorized denomination or denominations, at the written request of the Registered Owner, and in aggregate principal amount equal to the unredeemed portion thereof, will be issued to the Registered Owner upon the surrender thereof for cancellation, at the expense of the District, all as provided in the Bond Order.

WITH RESPECT TO any optional redemption of the Bonds, unless certain prerequisites to such redemption required by the Bond Order have been met and moneys sufficient to pay the principal of and premium, if any, and interest on the Bonds to be redeemed

shall have been received by the Paying Agent/Registrar prior to the giving of such notice of redemption, such notice shall state that said redemption may, at the option of the District, be conditional upon the satisfaction of such prerequisites and receipt of such moneys by the Paying Agent/Registrar on or prior to the date fixed for such redemption, or upon any prerequisite set forth in such notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient moneys are not received, such notice shall be of no force and effect, the District shall not redeem such Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, to the effect that the Bonds have not been redeemed.

ALL BONDS OF THIS SERIES are issuable solely as fully registered Bonds, without interest coupons, in the principal denomination in the case of the Bonds, of any integral multiple of \$5,000. As provided in the Bond Order, this Bond may, at the request of the Registered Owner or the assignee or assignees hereof, be assigned, transferred, converted into and exchanged for a like aggregate amount of fully registered Bonds, without interest coupons, payable to the appropriate Registered Owner, assignee or assignees, as the case may be, having any authorized denomination or denominations as requested in writing by the appropriate Registered Owner, assignee or assignees, as the case may be, upon surrender of this Bond to the Registrar for cancellation, all in accordance with the form and procedures set forth in the Bond Order. Among other requirements for such assignment and transfer, this Bond must be presented and surrendered to the Registrar, together with proper instruments of assignment, in form and with guarantee of signatures satisfactory to the Registrar, evidencing assignment of this Bond or any portion or portions hereof in any authorized denomination to the assignee or assignees in whose name or names this Bond or any such portion or portions hereof is or are to be registered. The Form of Assignment printed or endorsed on this Bond may be executed by the Registered Owner to evidence the assignment hereof, but such method is not exclusive, and other instruments of assignment satisfactory to the Registrar may be used to evidence the assignment of this Bond or any portion or portions hereof from time to time by the Registered Owner. The Registrar's reasonable standard or customary fees and charges for assigning, transferring, converting and exchanging any Bond or portion thereof will be paid by the District. In any circumstance, any taxes or governmental charges required to be paid with respect thereto shall be paid by the one requesting such assignment, transfer, conversion or exchange, as a condition precedent to the exercise of such privilege. The Registrar shall not be required to make any such transfer, conversion or exchange of any Bond or any portion thereof (i) during the period commencing with the close of business on any Record Date and ending with the opening of business on the next following principal or Interest Payment Date or (ii) within 45 calendar days prior to its redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the Registered Owner of the unredeemed balance hereof in the event of its redemption in part.

WHENEVER the beneficial ownership of this Bond is determined by a book entry at a securities depository for the Bonds, the foregoing requirements of holding, delivering or transferring this Bond shall be modified to require the appropriate person or entity to meet the requirements of the securities depository as to registering or transferring the book entry to produce the same effect.

IN THE EVENT any Registrar for the Bonds is changed by the District, resigns, or otherwise ceases to act as such, the District has covenanted in the Bond Order that it promptly will appoint a competent and legally qualified substitute therefor, and cause written notice thereof to be mailed to the Registered Owners of the Bonds.

THE BONDS are payable from the proceeds of an ad valorem tax, without legal limit as to rate or amount, levied upon all taxable property within the District. The Bond Order further provides that the pledge of taxes, to the payment of the Bonds shall terminate at such time, if ever, money and/or Defeasance Securities in an amount sufficient to defease the Bonds is deposited with or made available to the Registrar in accordance with the Bond Order.

THE BONDS are issued pursuant to the Bond Order, whereunder the Commissioners Court covenants to levy a continuing direct annual ad valorem tax, without legal limit as to rate or amount, on taxable property within the District, for each year while any part of the Bonds are considered outstanding under the provisions of the Bond Order, in sufficient amount, together with revenues and receipts available from other sources which are equally available for such purposes, to pay interest on the Bonds as it becomes due, to provide a sinking fund for the payment of the principal of the Bonds when due or the redemption price at any earlier required redemption date with respect to the Bonds, and to pay the expenses of assessing and collecting such tax, all as more specifically provided in the Bond Order. Reference is hereby made to the Bond Order for provisions with the custody and application of funds, remedies in the event of a default hereunder or thereunder, and the other rights of the Registered Owners of the Bonds. By acceptance of this Bond the Registered Owner hereof consents to all of the provisions of the Bond Order, a certified copy of which is on file in the office of the District.

THE OBLIGATION to pay the principal of and the interest on this Bond is solely and exclusively the obligation of the District until such time, if ever, as the District is abolished and this Bond is assumed as described above. No other entity, including the State of Texas, any political subdivision thereof other than the District, or any other public or private body, is obligated, directly, indirectly, contingently, or in any other manner, to pay the principal of or the interest on this Bond from any source whatsoever. No part of the physical properties of the District, including the properties provided by the proceeds of the Bonds, is encumbered by any lien for the benefit of the Registered Owner of this Bond.

THE DISTRICT RESERVES THE RIGHT to issue additional bonds heretofore or hereafter duly authorized at elections held in the District payable from a lien on and pledge of taxes. The District further reserves the right to issue refunding bonds in any manner permitted by law to refund any bonds (including the Bonds) at or prior to their respective dates of maturity or redemption.

TO THE EXTENT permitted by and in the manner provided in the Bond Order, the terms and provisions of the Bond Order and the rights of the Registered Owners of the Bonds may be modified with, in certain circumstances, the consent of the Registered Owners of a majority in aggregate principal amount of the Bonds affected thereby; provided, however, that, without the consent of the Registered Owners of all of the Bonds affected, no such modification shall (i) extend the time or times of payment of the principal of and interest on the Bonds, reduce

the principal amount thereof or the rate of interest thereon, or in any other way modify the terms of payment of the principal of or interest on the Bonds, (ii) give any preference to any Bond over any other Bond, or (iii) reduce the aggregate principal amount of the Bonds required for consent to any such modification.

THIS BOND shall not be valid or obligatory for any purpose or be entitled to any benefit under the Bond Order unless this Bond either (a) is registered by the Comptroller of Public Accounts of the State of Texas as evidenced by execution of the registration certificate endorsed hereon or (b) is authenticated as evidenced by execution of the authentication certificate endorsed hereon by the Registrar.

IT IS HEREBY CERTIFIED, COVENANTED, AND REPRESENTED that all acts, conditions, and things necessary to be done precedent to the issuance of the Bonds in order to render the same legal, valid, and binding obligations of the District have happened and have been accomplished and performed in regular and due time, form, and manner, as required by law; that provision has been made for the payment of the principal of and interest on the Bonds by the levy of a continuing, direct annual ad valorem tax upon all taxable property within the District and that issuance of the Bonds does not exceed any constitutional or statutory limitation. In the event that any provisions herein contained do or would, presently or prospectively, operate to make any part hereof void or voidable, such provisions shall be without effect or prejudice to the remaining provisions hereof, which shall nevertheless remain operative, and such violative provisions, if any, shall be reformed by a court of competent jurisdiction within the limits of the laws of the State of Texas.

IT IS FURTHER CERTIFIED that the Bonds have been designated as "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Internal Revenue Code of 1986.

IN WITNESS WHEREOF, the District has caused this Bond to be signed with the manual or facsimile signature of the County Judge and countersigned with the manual or facsimile signature of the County Clerk and County Treasurer, and has caused the official seal to be duly impressed, or placed in facsimile, on this Bond.

ARTICLE SEVEN

SECURITY OF THE BONDS

SECTION 7.01. SECURITY OF BONDS AND PERFECTION OF LIEN. The Bonds are secured by and payable from the levy of a continuing, direct annual ad valorem tax, without legal limitation as to rate or amount, upon all taxable property within the District. **THE BONDS ARE PAYABLE SOLELY FROM AD VALOREM TAX PROCEEDS PAYABLE BY PROPERTY OWNERS WITHIN THE DISTRICT AND ARE NOT OBLIGATIONS OF, NOR ARE THEY BACKED BY THE FAITH AND CREDIT OF WILLIAMSON COUNTY, TEXAS**

OR OF THE STATE OF TEXAS. The Bonds shall not constitute the personal obligation, either jointly or severally, of the members or officers of the District or the Commissioners Court.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the ad valorem taxes granted by the District under this Bond Order, and is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding and unpaid such that the pledge of ad valorem taxes granted by the District under this Bond Order is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 7.02. LEVY OF TAX. To pay the interest on the Bonds, and to create a sinking fund for the payment of the principal thereof when due, and to pay the expenses of assessing and collecting such taxes, there is hereby levied, and there shall be assessed and collected in due time, a continuing, direct annual ad valorem tax without limit as to rate or amount on all taxable property in the District for each year while any of the Bonds are outstanding. All of the proceeds of such collections, except expenses incurred in that connection, shall be paid into the Northwoods Road District No. 1 Debt Service Fund, maintained in the County Treasury at its official depository bank, and the aforementioned tax and such payments into such fund shall continue until the Bonds and the interest thereon have been fully paid and discharged, and such proceeds shall be used for such purposes and no other. During each year while any of the Bonds are outstanding and unpaid, the Commissioners Court of the County shall compute and ascertain the rate and amount of ad valorem tax, based on the latest approved tax rolls of the District, with full allowances being made for tax delinquencies and costs of tax collections, which will be sufficient to raise and produce the money required to pay the interest on the Bonds as such interest comes due, and to provide a sinking fund to pay the principal of the Bonds as such principal matures or is mandatorily redeemed in the years and in the principal amounts set forth in Section 3.03 hereof, but never less than 2% of the original principal amount of the Bonds as a sinking fund each year. Said rate and amount of ad valorem tax is hereby ordered to be levied and is hereby levied without limits as to rate or amount against all taxable property in the District for each year while any of said Bonds are outstanding and unpaid, and said ad valorem tax shall be assessed and collected each such year and deposited to the credit of the aforesaid Debt Service Fund. Said ad valorem taxes necessary to pay the interest on and principal of the Bonds, as such interest comes due, and such principal matures or is mandatorily redeemed in the years and in the principal amounts set forth in Section 3.03 hereof, are hereby pledged irrevocably for such purpose. While said Bonds, or any of them, are outstanding and unpaid, an ad valorem tax will be ample and sufficient to provide funds to pay the interest on said Bonds and to provide the necessary sinking fund to pay the principal when due, full allowance being made for delinquencies and costs of collection, together with revenues and receipts from other sources that are legally available for such purpose, shall be levied and collected and applied to the payment of principal and interest on the Bonds, as follows:

(a) By September 1 in each year, or as soon thereafter as practicable, the Commissioners Court shall consider the taxable property in the District and determine the actual rate per \$100 valuation of taxable property which is to be levied in that year and levy the tax against all taxable property in the District.

(b) In determining the actual rate to be levied in each year, the Commissioners Court shall consider among other things:

(i) the amount of taxes which should be levied for maintenance and operation purposes;

(ii) the amount which should be levied for the payment of principal, interest, and redemption price of each series of bonds or notes payable in whole or in part from taxes;

(iii) the amount which should be levied for the purpose of paying all other contractual obligations of the District payable in whole or in part from taxes; and

(iv) the percentage of anticipated tax collections and the cost of collecting the taxes.

(c) In determining the amount of taxes which should be levied each year, the Commissioners Court shall consider whether proceeds from the sale of Bonds have been placed in escrow Debt Service Fund to pay interest on the Bonds and whether the Commissioners Court reasonably expects to have revenue or receipts available from other sources which are legally available to pay the principal of or the interest, payment expenses or redemption price on the District's debt service on the Bonds.

So long as any of the Bonds remain outstanding, the District covenants that it will take such actions and use such measures as may be deemed appropriate under the circumstances to preserve and protect the existence and priority or its rights to and liens for the collection of delinquent taxes, including, but not limited to, where deemed appropriate, suits for collection of taxes and/or foreclosure of tax liens.

In determining the amount of taxes which should be levied each year, the Commissioners Court may also consider whether proceeds from the sale of bonds of the District have been capitalized or placed in escrow to pay interest and whether the Commissioners Court reasonably expects to have revenues or receipts available from other sources which are legally available to pay the principal of or the interest, payment expenses or redemption price on the District's bonds.

So long as any of the Bonds remain outstanding, the District covenants that it will take such actions and use such measures as may be deemed appropriate under the circumstances to preserve and protect the existence and priority or its rights to and liens for the collection of delinquent taxes, including, but not limited to, where deemed appropriate, suits for collection of taxes and/or foreclosure of tax liens.

SECTION 7.03. PAYMENT OF BONDS AND PERFORMANCE OF OBLIGATIONS. The District covenants to pay promptly the principal of and interest on the Bonds as the same become due and payable, whether at maturity or by prior redemption, in accordance with the terms of the Bonds and this Bond Order, and to keep and perform faithfully all of its covenants, undertakings, and agreements contained in this Bond Order, or in any Bond executed, authenticated, and delivered hereunder.

ARTICLE EIGHT

FLOW OF FUNDS AND INVESTMENTS

SECTION 8.01. CREATION OF FUNDS. In addition to the Debt Service Fund there shall be created a Northwoods Road District No. 1 Capital Projects Fund (the "Capital Projects Fund"). The Debt Service Fund shall constitute a trust fund which shall be held in trust for the benefit of the owners of the Bonds. All other funds shall be used solely as provided in this Order until all of the Bonds have been retired, both as to principal and interest.

SECTION 8.02. CAPITAL PROJECTS FUND. The District shall deposit to the credit of the Capital Projects Fund the balance of the proceeds of the Bonds remaining after the deposits to the Debt Service Fund provided in Section 9.02 of this Order. The Capital Projects Fund shall be applied solely to pay (i) the costs necessary or appropriate to accomplish such of the purposes for which the Bonds are issued as approved by the Commissioners Court and (ii) the costs of issuing the Bonds. Interest earnings derived from the investment of proceeds from the sale of the Bonds deposited in the Capital Projects Fund shall be used for the purpose for which the Bonds are issued; provided that after completion of the purposes authorized at the Bond Election interest earnings may be used as permitted by law including paying the principal and/or interest on the Bonds.

SECTION 8.03 SECURITY OF FUNDS. Any cash balance in any fund, to the extent not insured by the Federal Deposit Insurance Corporation or its successor, shall be continuously secured in the manner provided by law for the security of funds of counties of the State of Texas.

SECTION 8.04. DEBT SERVICE FUND; TAX LEVY. The District shall deposit or cause to be deposited into the Debt Service Fund the aggregate of the following at the time specified:

- (a) As soon as practicable after the Bonds are sold, accrued interest on the Bonds from their date to the date of their delivery, if any, and capitalized interest on the Bonds, if any; and
- (b) The proceeds from collection of the ad valorem taxes levied, assessed and collected for and on account of the Bonds pursuant to Section 7.02 hereof, less costs of collection, as collected.

While the Bonds or any part of the principal thereof or interest thereon remain outstanding and unpaid, the taxes levied pursuant to Section 7.02 of this Order are hereby irrevocably pledged to the payment of the interest on and principal of the Bonds and to no other purpose. On or before the date for payment of the principal and/or Interest Payment Date on the Bonds, the Commissioners Court shall cause the transfer of moneys out of the Debt Service Fund to the Registrar in an amount not less than that which is sufficient to pay the principal which matures on such date and the interest which accrues on such date. The District shall pay fees and charges of the Registrar for its services as paying agent and registrar for the Bonds from the Debt Service Fund.

SECTION 8.05. INVESTMENTS; EARNINGS. Moneys deposited into the Debt Service Fund and the Capital Projects Fund and any other fund or funds which the District may lawfully create may be invested or reinvested in Authorized Investments. All investments and any profits realized from and interest accruing on investments made from any fund may be transferred to the Debt Service Fund. If any moneys are so invested, the District shall have the right to have sold in the open market a sufficient amount of such investments to meet its obligations in the event any fund does not have sufficient uninvested funds on hand to meet the obligations payable out of such fund. After such sale the moneys resulting therefrom shall belong to the fund from which the moneys for such investments were initially taken. The District shall not be responsible to the Registered Owners for any loss arising out of the sale of any investments.

SECTION 8.06. MAINTENANCE OF FUNDS. Any funds created pursuant to this Order may be created as separate funds or accounts or as subaccounts of the County's General Fund held by the County's depository, and, as such, not held in separate bank accounts. Such treatment shall not constitute a commingling of the monies in such funds or of such funds and the County shall keep full and complete records indicating the monies and investments credited to each such fund.

ARTICLE TEN

PROVISIONS CONCERNING FEDERAL INCOME TAX EXCLUSION

SECTION 10.01. COVENANTS REGARDING TAX EXEMPTION OF INTEREST ON THE BONDS.

(a) Covenants. The District covenants to take any action necessary to assure, or refrain from any action which would adversely affect, the treatment of the Bonds as obligations described in section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the District covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the District, with respect to such private business use, do not, under the terms of this Bond Order or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, in the case of a refunding bond, for a period of 30 days or less until such proceeds are needed for the purpose for which the Bonds are issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage) and, to the extent applicable, section 149(d) of the Code (relating to advance refundings); and

(8) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) Rebate Fund. In order to facilitate compliance with the above covenant (8), a "Rebate Fund" is hereby established by the District for the sole benefit of the United States of America, and such fund shall not be subject to the claim of any other person, including without limitation the bondholders. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) Proceeds. The District understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the District that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the District will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the District agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the District hereby authorizes and directs the President to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the District, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) Allocation Of, and Limitation On, Expenditures for the Project. The District covenants to account for the expenditure of sale proceeds and investment earnings to be used for the purposes described in Section 3.01 of this Bond Order (the "Project") on its books and records in accordance with the requirements of the Code. The District recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 12 months of the later of the date that (1) the expenditure is made, or (2) the Project is completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the District recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds are retired. The District agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) Disposition of Project. The District covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the District of cash or other compensation, unless the District obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the District shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(f) Designation as Qualified Tax-Exempt Obligations. The District hereby designates the Bonds as "qualified tax-exempt obligations" as defined in section 265(b)(3) of the Code, conditioned upon the Underwriter identified in Section 15.01 hereof certifying that the aggregate initial offering price of the Bonds to the public (excluding any accrued interest) is no greater than \$10,000,000 (or such amount permitted by section 265 of the Code). Assuming such condition is met, in furtherance of such designation, the District represents, covenants and warrants the following: (a) that during the calendar year in which the Bonds are issued, the District (including any subordinate entities) has not designated nor will designate bonds, which when aggregated with the Bonds, will result in more than \$10,000,000 (or such amount permitted by section 265 of the Code) of "qualified tax-exempt obligations" being issued; (b) that the District reasonably anticipates that the amount of tax-exempt obligations issued during the calendar year in which the Bonds are issued, by the District (or any subordinate entities) will not exceed \$10,000,000 (or such amount permitted by section 265 of the Code); and, (c) that the District will take such action or refrain from such action as necessary, and as more particularly set forth in this Section, in order that the Bonds will not be considered "private activity bonds" within the meaning of section 141 of the Code.

ARTICLE ELEVEN

ADDITIONAL BONDS AND REFUNDING BONDS

SECTION 11.01. ADDITIONAL BONDS. The District expressly reserves the right to issue, in one or more installments, for the purpose of constructing, reimbursing for the costs of constructing, acquiring by purchase, maintaining and operating macadamized, graveled or paved roads and turnpikes and related bridges, drainage work and other similar facilities, or for any other lawful purpose:

- (a) the unissued unlimited tax road bonds which were authorized pursuant to the Bond Election; and
- (b) such other unlimited tax road bonds as may hereafter be authorized at subsequent elections.

SECTION 11.02. REFUNDING BONDS. The District further reserves the right to issue refunding bonds in any manner permitted by law to refund the Bonds, and any Outstanding Bonds, any Additional Bonds, or any other obligations issued by the District, at or prior to their respective dates of maturity or redemption.

ARTICLE TWELVE

DEFAULT PROVISIONS

SECTION 12.01. REMEDIES IN EVENT OF DEFAULT. In addition to any other rights and remedies provided by the laws of the State of Texas, the District covenants and agrees that in the event of default in payment of principal of or interest on any of the Bonds when due, or, in the event it fails to make the payments required to be made into the Debt Service Fund, or defaults in the observance or performance of any other of the covenants, conditions, or obligations set forth in this Bond Order, the Registered Owners shall be entitled to a writ of mandamus issued by a court of competent jurisdiction compelling and requiring the District and the officials thereof to observe and perform the covenants, obligations, or conditions prescribed in this Bond Order. Any delay or omission to exercise any right or power or be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

SECTION 12.02. BOND ORDER IS CONTRACT. In consideration of the purchase and acceptance of the Bonds authorized to be issued hereunder by the Registered Owners, the provisions of this Bond Order shall be deemed to be and shall constitute a contract between the District and the Registered Owners; and the covenants and agreements herein set forth to be performed on behalf of the District shall be for the equal benefit, protection, and security of each of the Registered Owners. The Bonds, regardless of the time or times of their issue or maturity, shall be of equal rank without preference, priority, or distinction of any Bond over any other, except as expressly provided herein.

ARTICLE THIRTEEN

DISCHARGE BY DEPOSIT

SECTION 13.01. DEFEASANCE OF BONDS. (a) Any Bond and the interest thereon shall be deemed to be paid, retired and no longer outstanding (a "Defeased Bond") within the meaning of this Bond Order, except to the extent provided in subsections (c) and (e) of this Section, when payment of the principal of such Bond, plus interest thereon to the due date or dates (whether such due date or dates be by reason of maturity, upon redemption, or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof (including the giving of any required notice of redemption) or (ii) shall have been provided for on or before such due date by irrevocably depositing with or making available to the Paying Agent/Registrar for such payment (1) lawful money of the United States of America sufficient to make such payment, (2) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amounts and at such times as will ensure the availability, without reinvestment, of sufficient money to provide for such payment and when proper arrangements have been made by the District with the Paying Agent/Registrar for the payment of its services until all Defeased Bonds shall have become due and payable or (3) any combination of (1) and (2). At such time as a Bond shall be deemed to be a Defeased Bond hereunder, as aforesaid, such Bond and the interest thereon shall no longer be secured by, payable from, or entitled to the benefits of, the ad valorem taxes herein levied as provided in this Bond Order, and such principal and interest shall be payable solely from such money or Defeasance Securities.

(b) The deposit under clause (ii) of subsection (a) shall be deemed a payment of a Bond as aforesaid when proper notice of redemption of such Bonds shall have been given, in accordance with this Bond Order. Any money so deposited with the Paying Agent/Registrar as provided in this Section may at the discretion of the Commissioners Court also be invested in Defeasance Securities, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Defeasance Securities in possession of the Paying Agent/Registrar pursuant to this Section which is not required for the payment of such Bond and premium, if any, and interest thereon with respect to which such money has been so deposited, shall be turned over to the Commissioners Court.

(c) Notwithstanding any provision of any other Section of this Bond Order which may be contrary to the provisions of this Section, all money or Defeasance Securities set aside and held in trust pursuant to the provisions of this Section for the payment of principal of the Bonds and premium, if any, and interest thereon, shall be applied to and used solely for the payment of the particular Bonds and premium, if any, and interest thereon, with respect to which such money or Defeasance Securities have been so set aside in trust. Until all Defeased Bonds shall have become due and payable, the Paying Agent/Registrar shall perform the services of Paying Agent/Registrar for such Defeased Bonds the same as if they had not been defeased, and the District shall make proper arrangements to provide and pay for such services as required by this Order.

(d) Notwithstanding anything elsewhere in this Bond Order, if money or Defeasance Securities have been deposited or set aside with the Paying Agent/Registrar pursuant to this Section for the payment of Bonds and such Bonds shall not have in fact been actually paid in full, no amendment of the provisions of this Section shall be made without the consent of the registered owner of each Bond affected thereby.

(e) Notwithstanding the provisions of subsection (a) immediately above, to the extent that, upon the defeasance of any Defeased Bond to be paid at its maturity, the District retains the right under Texas law to later call that Defeased Bond for redemption in accordance with the provisions of the Bond Order authorizing its issuance, the District may call such Defeased Bond for redemption upon complying with the provisions of Texas law and upon the satisfaction of the provisions of subsection (a) immediately above with respect to such Defeased Bond as though it was being defeased at the time of the exercise of the option to redeem the Defeased Bond and the effect of the redemption is taken into account in determining the sufficiency of the provisions made for the payment of the Defeased Bond.

ARTICLE FOURTEEN

MISCELLANEOUS PROVISIONS

SECTION 14.01. DISTRICT'S SUCCESSORS AND ASSIGNS. Whenever in this Bond Order the District is named and referred to, it shall be deemed to include its successors and assigns, and all covenants and agreements in this Bond Order by or on behalf of the District, except as otherwise provided herein, shall bind and inure to the benefit of its successors and assigns whether or not so expressed.

SECTION 14.02. NO RECOURSE AGAINST COUNTY OR DISTRICT OFFICERS. The Registrar shall act as agent for the payment of principal of and interest on the Bonds and shall maintain the Register for the Bonds, all in accordance with the terms of this Bond Order. corporation, other than the District, the Registrar, and the Registered Owners, any legal or equitable right or claim under or in respect of this Bond Order, or under any covenant, condition, or provision herein contained, all the covenants, conditions, and provisions contained in this Bond Order or in the Bonds being for the sole benefit of the District, the Registrar, and the Registered Owners.

SECTION 14.06. UNAVAILABILITY OF AUTHORIZED PUBLICATION. If, because of the temporary or permanent suspension of any newspaper, journal, or other publication, or for any reason, publication of notice cannot be made meeting any requirements herein established, any notice required to be published by the provisions of this Bond Order shall be given in such other manner and at such time or times as in the judgment of the District shall most effectively approximate such required publication, and the giving of such notice in such manner shall for all purposes of this Bond Order be deemed to be in compliance with the requirements for publication thereof.

SECTION 14.07. SEVERABILITY CLAUSE. If any word, phrase, clause, sentence, paragraph, section, or other part of this Bond Order, or the application thereof to any person or circumstance, shall ever be held to be invalid or unconstitutional by any court of competent jurisdiction, the remainder of this Bond Order and the application of such word, phrase, clause, sentence, paragraph, section, or other part of this Bond Order to any other persons or circumstances shall not be affected thereby.

SECTION 14.08. ACCOUNTING. The District will keep proper records and accounts regarding the levy and collection of taxes, which records and accounts will be made available to any Registered Owner on reasonable request. Each year while any of the Bonds are outstanding, the District shall have an audit of its books and accounts by a certified public accountant or firm of certified public accountants, based on its Fiscal Year, and copies of such audits will be made available to any Registered Owner upon request.

SECTION 14.09. FURTHER PROCEEDINGS. The County Judge and other appropriate officials of the District are hereby authorized and directed to do any and all things necessary and/or convenient to carry out the terms of this Bond Order.

ARTICLE SIXTEEN

OPEN MEETING AND EFFECTIVE DATE

SECTION 16.01. OPEN MEETING. The Commissioners Court officially finds, determines, and declares that this Bond Order was reviewed, carefully considered, and adopted at a meeting of the District, and that a sufficient written notice of the date, hour, place, and subject of this meeting was posted as required by the Open Meetings Act, Chapter 551, Texas Government Code, as amended, and that this meeting has been open to the public as required by law at all times during which this Bond Order and the subject matter hereof has been discussed, considered, and acted upon. The Commissioners Court further ratifies, approves and confirms such written notice and the contents and posting thereof.

SECTION 16.02. EFFECTIVE DATE OF BOND ORDER. This Bond Order shall take effect and be in full force and effect upon and after its passage.

ARTICLE SEVENTEEN

AMENDMENTS

SECTION 17.01. AMENDMENTS. (a) Amendment with Consent of Owners of 51% of Bonds. The owners of 51% in aggregate principal amount of then outstanding Bonds shall have the right from time to time to approve any amendment to this Bond Order which may be deemed necessary or desirable by the District; provided however, that, other than as permitted by subsection (f) of this Section 17.01, nothing herein contained shall permit or be construed to permit the amendment, without the consent of the owner of each of the outstanding Bonds affected thereby, of the terms and conditions of this Bond Order or the Bonds so as to:

- (1) change debt service requirements, interest payment dates or the maturity or maturities of the outstanding Bonds;
- (2) reduce the rate of interest borne by any of the outstanding Bonds;
- (3) reduce the amount of the principal of, redemption premium, if any, or interest on the outstanding Bonds or impose any conditions with respect to such payments;
- (4) modify the terms of payment of principal of, redemption premium, if any, or interest on the outstanding Bonds, or impose any conditions with respect to such payments;
- (5) affect the right of the Registered Owners of less than all of the Bonds then outstanding; or
- (6) decrease the minimum percentage of the principal amount of Bonds necessary for consent to any such amendment.

(b) Notice of Amendment. If at any time the District shall desire to amend this Bond Order it may cause a written notice of the proposed amendment to be published at least once on a business day in a financial newspaper, journal, or publication of general circulation in the City of New York, New York, or in the State of Texas. If, because of temporary or permanent suspension of the publication or general circulation of all such newspapers, journals, or publications, it is impossible or impractical to publish such notice in the manner provided herein, then such publication in lieu thereof as shall be made by the Registrar shall constitute a sufficient publication of notice. In addition to such publication, the Registrar shall cause a written notice of the proposed amendment to be given by registered or certified mail to Registered Owners of the Bonds as shown on the Register maintained by the Registrar; provided, however, that failure to receive such written notice of the proposed amendment, or any defect therein or in the mailing thereof, shall not affect the validity of any proceeding in connection with, or the adoption of, such amendment. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file at the principal office of the Registrar for inspection by all Registered Owners of Bonds.

(c) Consent to Amendment. Whenever at any time not less than 30 days, and within one year, from the date of the first publication of said notice or other services of written notice the District shall receive an instrument or instruments executed by the Registered Owners of at least 51% in aggregate principal amount of all Bonds then outstanding, which instrument or instruments shall refer to the proposed amendment described in said notice and shall specifically consent to and approve such amendment, the District may adopt the amendatory resolution or order in substantially the same form.

(d) Effect of Amendment. Upon the adoption of any amendatory resolution or order pursuant to the provisions of this Section, this Bond Order shall be deemed to be amended in accordance with such amendatory resolution or order, and the respective rights, duties, and obligations under such amendatory resolution or order of all the Registered Owners shall thereafter be determined and exercised subject in all respects to such amendments.

(e) Consent of Registered Owners. Any consent given by the Registered Owners pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date of the first publication of the notice provided for in this Section, and shall be conclusive and binding upon all future owners of the Bonds during such period. Such consent may be revoked by the Registered Owner who gave such consent at any time after six months from the date of the first giving of such notice, or by a successor in title, by filing notice thereof with the Registrar and the District, but such revocation shall not be effective if the Registered Owner of 51% in aggregate principal amount of the then outstanding Bonds have, prior to the attempted revocation, consented to and approved the amendment.

(f) Amendments Without Consent. Notwithstanding the provisions of (a) through (f) of this Section, and without notice of the proposed amendment and without the consent of the Registered Owners. The District may, at any time, amend this Bond Order to cure any ambiguity or to cure, correct, or supplement any defective or inconsistent provision contained therein, or to make any other change that does not in any respect materially and adversely affect the interest of the Registered Owners, provided that no such amendment shall be made contrary to the provision to Section 17.01 (a), and a duly certified or executed copy of each such amendment shall be filed with the Registrar.

- J. Release, substitution or sale of property securing repayment of the Bonds, if material within the meaning of the federal securities laws;
- K. Rating changes.
- L. Bankruptcy, insolvency, receivership or similar event of the District;
- M. The consummation of a merger, consolidation, or acquisition involving the District or the sale of all or substantially all of the assets of the District, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material within the meaning of the federal securities laws; and
- N. Appointment of a successor or additional trustee or the change of name of a trustee, if material within the meaning of the federal securities laws.

The District shall notify the MSRB, in an electronic format as prescribed by the MSRB in a timely manner, of any failure by the District to provide financial information or operating data in accordance with paragraph (a) of this Section 18.01 by the time required by such paragraph. All documents provided to the MSRB pursuant to this Section shall be accompanied by identifying information as prescribed by the MSRB.

(c) Limitations, Disclaimers and Amendments. The District shall be obligated to observe and perform the covenants specified in this section for so long as, but only for so long as, the District remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the District in any event will give notice of any deposit made in accordance with Section 13.01 of this Order that causes Bonds no longer to be outstanding.

The provisions of this section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this section, express or implied, shall give any benefit or any legal or equitable right, remedy or claim hereunder to any other person. The District undertakes to provide only the financial information, operating data, financial statements and notices which it has expressly agreed to provide pursuant to this section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the District's financial results, condition or prospects or hereby undertake to update any information provided in accordance with this section or otherwise, except as expressly provided herein. The District does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE DISTRICT BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE DISTRICT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT

AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.

No default by the District in observing or performing its obligations under this section shall comprise a breach of or default under the Bond Order for purposes of any other provision of this Bond Order.

Should the Rule be amended to obligate the District to make filings with or provide notices to entities other than the MSRB, the District hereby agrees to undertake such obligation with respect to the Bonds in accordance with the Rule as amended.

Nothing in this section is intended or shall act to disclaim, waive or otherwise limit the duties of the District under federal and state securities laws.

The provisions of this section may be amended by the District from time to time to adapt to changed circumstances that arise from a change in legal requirements, a change in law or a change in the identity, nature, status or type of operations of the District, but only if (1) the provisions of this section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule since such offering as well as such changed circumstances and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Order that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a person that is unaffiliated with the District (such as nationally recognized bond counsel) determined that such amendment will not materially impair the interest of the Holders and beneficial owners of the Bonds. If the District so amends the provisions of this section, it shall include with any amended financial information or operating data next provided in accordance with paragraph (a) of this section an explanation, in narrative form, of the reason for the amendment and of the impact of any change in the type of financial information or operating data so provided. The District may also amend or repeal the provisions of this continuing disclosure agreement if the SEC amends or repeals the applicable provision of the Rule or a court of final jurisdiction enters judgment that such provisions of the Rule are invalid, but only if and to the extent that the provisions of this sentence would not prevent an underwriter from lawfully purchasing or selling Bonds in the primary offering of the Bonds.

BOND PURCHASE AGREEMENT

August 15, 2017

Northwoods Road District No. 1
c/o Honorable County Judge and County Commissioners
Williamson County Courthouse
710 S. Main Street
Georgetown, Texas 78626

Ladies and Gentlemen:

The undersigned, Hutchinson, Shockey, Erley & Co. (the “*Underwriter*”), offers to enter into the following agreement (this “*Agreement*”) with the Williamson County Commissioners Court (the “*Commissioners Court*”) acting as the governing body of the Northwoods Road District No. 1 (the “*Issuer*”), which, upon the Issuer’s written acceptance of this offer, will be binding upon the Issuer and upon the Underwriter. This offer is made subject to the Issuer’s written acceptance hereof on or before 10:00 p.m., Central Time, on August 15, 2017, and, if not so accepted, will be subject to withdrawal by the Underwriter upon notice delivered to the Issuer at any time prior to the acceptance hereof by the Issuer. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Bond Order (as defined herein) or in the Official Statement (as defined herein).

1. *Purchase and Sale of the Bonds.* Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriter, all, but not less than all, of the Issuer’s \$8,520,000 Unlimited Tax Road Bonds, Series 2017 (the “*Bonds*”). The Issuer acknowledges and agrees that (i) the purchase and sale of the Bonds pursuant to this Agreement is an arm’s-length commercial transaction between the Issuer and the Underwriter, (ii) in connection therewith and with the discussions, undertakings, and procedures leading up to the consummation of this transaction, the Underwriter is and has been acting solely as a principal and is not acting as the agent or fiduciary of the Issuer, (iii) the Underwriter has not assumed an advisory or fiduciary responsibility in favor of the Issuer with respect to the offering contemplated hereby or the discussions, undertakings, and procedures leading thereto (regardless of whether the Underwriter has provided other services or is currently

providing other services to the Issuer on other matters) and the Underwriter has no obligation to the Issuer with respect to the offering contemplated hereby except the obligations expressly set forth in this Agreement, and (iv) the Issuer has consulted its own legal, financial, and other advisors to the extent it has deemed appropriate.

The principal amount of the Bonds to be issued, the dated date therefor, the maturities, sinking fund and optional redemption provisions and interest rates per annum are set forth in Schedule I hereto. The Bonds shall be as described in, and shall be issued and secured under and pursuant to the provisions of the bond order adopted by the Issuer on August 15, 2017 (the “*Bond Order*”).

The purchase price for the Bonds shall be \$9,068,068.59 (representing the par amount of the Bonds, plus a reoffering premium of \$607,420.85, and less an underwriting discount of \$59,352.26).

Delivered to the Issuer herewith is the Underwriter’s good-faith corporate check payable to the order of the Issuer in the amount of \$95,000 (the “*Check*”). In the event the Issuer does not accept this offer, the Check shall be promptly returned to the Underwriter. Upon the Issuer’s acceptance and countersignature of this offer, the Check (i) shall not be cashed or negotiated but shall be held and retained in safekeeping by the Issuer as security for the performance by the Underwriter of its obligations, subject to the terms and conditions herein set forth, to purchase and accept delivery of the Bonds at the Closing, and (ii) shall be applied and disposed of by the Issuer solely as provided in this Agreement. In the event of the Underwriter’s compliance with such obligation to purchase and accept delivery of the Bonds at the Closing, the Check shall be returned to the Underwriter at the Closing. In the event of the failure by the Issuer to deliver the Bonds at the Closing, or if the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter contained in this Agreement, or if the obligations of the Underwriter shall be terminated for any reason permitted by this Agreement, the Check shall be returned promptly to the Underwriter. In the event that the Underwriter fails (other than for a reason permitted hereunder) to purchase and accept delivery of the Bonds at the Closing, the Issuer shall become entitled to cash or negotiate the Check, and the proceeds thereof shall be retained by the Issuer as and for fully liquidated damages for such failure and for any and all defaults on the part of the Underwriter, and (except as set forth in Sections 9 and 11 hereof) no party shall have any further rights against the other hereunder. The Underwriter and the Issuer understand that in such event the Issuer’s actual damages may be greater or may be less than such amount. Accordingly, the Underwriter hereby waives any right to claim that the Issuer’s actual damages are less than such amount, and the Issuer’s acceptance of this offer shall constitute a waiver of any right the Issuer may have to additional damages from the Underwriter.

In addition, the Underwriter has delivered the Certificate of Interested Parties Form 1295 (“*Form 1295*”) and certification of filing generated by the Texas Ethics Commission’s electronic portal, signed by an authorized agent of each respective entity, prior to the execution of this Agreement by the Issuer and the Underwriter. The Underwriter and the Issuer understand and agree that, with the exception of information identifying the Issuer and the contract identification number in the Underwriter’s Form 1295, neither the Issuer nor its consultants are responsible for the information contained in the Form 1295 and neither the Issuer nor its consultants have verified such information.

2. Public Offering. It shall be a condition of the obligations of the Issuer to sell and deliver the Bonds to the Underwriter and of the Underwriter to purchase and accept delivery of the Bonds, that the entire principal amount of the Bonds shall be sold and delivered by the Issuer and accepted and paid for by the Underwriter at Closing. The Underwriter agrees to make a bona fide public offering of all of the Bonds at prices or yields not to exceed the public offering prices or yields set forth on page 2 of the Official Statement and may subsequently change such offering prices or yields without any requirement of prior notice. Subsequent to the initial offering, the Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices or yields stated on page 2 of the Official Statement.

3. Establishment of Issue Price of Bonds. Notwithstanding any provision of this Agreement to the contrary, the following provisions related to the establishment of the issue price of the Bonds apply:

(a) *Definitions.* For purposes of this Section, the following definitions apply:

(1) “*Public*” means any person (including an individual, trust, estate, partnership, association, company, or corporation) other than a Participating Underwriter or a Related Party to a Participating Underwriter.

(2) “*Participating Underwriter*” means (A) any person that agrees pursuant to a written contract with the Issuer to participate in the initial sale of the Bonds to the Public and (B) any person that agrees pursuant to a written contract directly or indirectly with a person described in clause (A) to participate in the initial sale of the Bonds to the Public (including a member of a selling group or a party to a retail distribution agreement participating in the initial sale of the Bonds to the public).

(3) “*Related Party*” means any two or more persons who are subject, directly or indirectly, to (A) at least 50% common ownership of the voting power or the total value of their stock, if both entities are corporations (including direct ownership by one corporation of another), (B) more than 50% common ownership of their capital interests or profits interests, if both entities are partnerships (including direct ownership by one partnership of another), or (iii) more than 50% common ownership of the value of the outstanding stock of the corporation or the capital interest or profits interest of the partnership, as applicable, if one entity is a corporation and the other entity is a partnership (including direct ownership of the applicable stock or interests by one entity of the other).

(4) the date of execution of this Agreement by all parties.

(b) *Issue Price Certificate.* The Participating Underwriter agrees to assist the Issuer in establishing the issue price of the Bonds and to execute and deliver to the Issuer at Closing an “issue price” or similar certificate, together with the supporting pricing wires or equivalent communications, substantially in the form attached hereto as Exhibit A with such modifications as may be appropriate or necessary, in the reasonable

judgment of the Underwriter, the Issuer and Bond Counsel, to accurately reflect, as applicable, the sales price or prices or the initial offering price or prices to the Public of the Bonds.

(c) *Substantial Amount Test.* Other than those maturities of the Bonds which are designated by the Participating Underwriter in writing in the attached Schedule I (the “*Hold-the-Price Maturities*”), the Issuer will treat the first price at which at least ten percent (a “*Substantial Amount*”) in principal amount of each maturity of the Bonds is sold to the Public as of the Sale Date (the “*Substantial Amount Test*”) as the issue price of that maturity (or each separate CUSIP number within that maturity). At or promptly after the execution of this Purchase Agreement, the Participating Underwriter will report to the Issuer the price or prices at which the Participating Underwriter has offered and sold to the Public each maturity of the Bonds.

(d) *Hold-The-Price Restriction.* The Participating Underwriter agrees that the Participating Underwriter will neither offer nor sell any of the Hold-the-Price Maturities to any person at a price that is higher than the applicable Initial Offering Price for such maturity during the period starting on the Sale Date and ending on the earlier of (i) the close of the fifth business day after the Sale Date, or (ii) the date on which the Participating Underwriter has sold a Substantial Amount of such a Maturity to the Public at a price that is no higher than the Initial Offering Price of such Maturity (the “*Hold-the-Price Restriction*”):

The Underwriter shall promptly advise the Issuer when the Participating Underwriters have sold 10% of each such Held Maturity to the Public at a price that is no higher than the applicable Initial Offering Price such Held Maturity, if that occurs prior to the close of the fifth business day after the Sale Date.

The Issuer acknowledges that, in making the representation set forth in this subparagraph, the Underwriter will rely on (A) in the event a selling group has been created in connection with the sale of the Bonds to the Public, the agreement of each dealer who is a member of the selling group to comply with the Hold-the-Offering-Price Rule, as set forth in a selling group agreement and the related pricing wires, and (B) in the event that the Underwriter is a party to a retail distribution agreement that was employed in connection with the sale of the Bonds, the agreement of each broker-dealer that is a party to such agreement to comply with the Hold-the-Offering-Price Rule, as set forth in the retail distribution agreement and the related pricing wires. The Issuer further acknowledges that each Participating Underwriter will be solely liable for its failure to comply with its agreement regarding the Hold-the-Offering Price Rule and that no Participating Underwriter will be liable for the failure of any other Participating Underwriter to comply with its corresponding agreement regarding the Hold-the-Offering-Price Rules as applicable to the Bonds.

(e) *Sale to Related Party not a Sale to the Public.* The Participating Underwriter acknowledges that sales of any Bonds to any person that is a Related Party to the Participating Underwriter do not constitute sales to the Public for purposes of this Section..

4. *The Official Statement.*

(a) The Issuer previously has delivered, or caused to be delivered, to the Underwriter the Preliminary Official Statement dated August 8, 2017 (the “*Preliminary Official Statement*”) in a “designated electronic format,” as defined in the Municipal Securities Rulemaking Board’s (“*MSRB*”) Rule G-32 (“*Rule G-32*”). The Issuer will prepare, or cause to be prepared, a final Official Statement relating to the Bonds, which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission’s Rule 15c2-12, as amended (the “*Rule*”), (iii) in a “designated electronic format” and (iv) substantially in the form of the most recent version of the Preliminary Official Statement provided to the Underwriter before the execution hereof. Such final Official Statement, including the cover page thereto, all exhibits, schedules, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds, is herein referred to as the “*Official Statement.*” Until the Official Statement has been prepared and is available for distribution, the Issuer shall provide to the Underwriter sufficient quantities (which may be in electronic format) of the Preliminary Official Statement as the Underwriter deems necessary to satisfy the obligation of the Underwriter under the Rule with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Official Statement.

(b) The Preliminary Official Statement has been prepared for use by the Underwriter in connection with the public offering, sale and distribution of the Bonds. The Issuer hereby represents and warrants that the Preliminary Official Statement has been deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of the Rule.

(c) The Issuer hereby authorizes the Official Statement and the information therein contained to be used by the Underwriter in connection with the public offering and the sale of the Bonds. The Issuer consents to the use by the Underwriter prior to the date hereof of the Preliminary Official Statement in connection with the public offering of the Bonds. The Issuer shall provide, or cause to be provided, to the Underwriter as soon as practicable after the date of the Issuer’s acceptance of this Agreement (but, in any event, not later than within seven (7) business days after the Issuer’s acceptance of this Agreement and in sufficient time to accompany any confirmation that requests payment from any customer) copies of the Official Statement, approved by the Commissioners Court or one or more duly authorized officers of the Issuer, which is complete as of the date of its delivery to the Underwriter. The Issuer shall provide the Official Statement, or cause the Official Statement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the MSRB.

(d) If, after the date of this Agreement to and including the date the Underwriter is no longer required to provide an Official Statement to potential customers

who request the same pursuant to the Rule (the earlier of (i) ninety (90) days from the “end of the underwriting period” (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from the MSRB, but in no case less than twenty-five (25) days after the “end of the underwriting period” for the Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein, in light of the circumstances under which they were made, or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Underwriter (and for the purposes of this clause provide the Underwriter with such information as they may from time to time reasonably request), and if, in the reasonable opinion of the Underwriter, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, at the Issuer’s own expense (in a form and manner approved by the Underwriter), either an amendment or a supplement to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein, in light of the circumstances under which they were made, or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Underwriter may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement. The Issuer shall provide any such amendment or supplement, or cause any such amendment or supplement to be provided, (i) in a “designated electronic format” consistent with the requirements of Rule G-32 and (ii) in a printed format in such quantity as the Underwriter shall request in order for the Underwriter to comply with Section (b)(4) of the Rule and the rules of the MSRB.

(e) The Underwriter hereby agrees to timely file the Official Statement with MSRB through its Electronic Municipal Market Access (“EMMA”) system on or before the date of Closing. Unless otherwise notified in writing by the Underwriter, the Issuer can assume that the “end of the underwriting period” for purposes of the Rule is the date of the Closing.

5. Representations, Warranties, and Covenants of the Issuer. The Issuer hereby represents and warrants to and covenants with the Underwriter that:

(a) The Issuer is a political subdivision of the State of Texas (the “State”) within Williamson County, Texas (the “County”), duly operating as a road district pursuant to Article III, Section 52, of the Texas Constitution and the laws of the State of Texas (the “State”), including particularly Chapter 257, Texas Transportation Code, as amended, and Chapter 1471, Texas Government Code, as amended (collectively, the “Acts”), and at the date of the Closing will have full legal right, power and authority under the Acts and the Bond Order (i) to enter into, execute and deliver this Agreement, the Bond Order, the Continuing Disclosure Undertaking (as defined in Section 7(j)(3) hereof), and all documents required hereunder and thereunder to be executed and delivered by the Issuer (this Agreement, the Bond Order, and the Continuing Disclosure

Undertaking are hereinafter referred to as the “*Issuer Documents*”), (ii) to sell, issue and deliver the Bonds to the Underwriter as provided herein, and (iii) to carry out and consummate the transactions contemplated by the Issuer Documents and the Official Statement, and the Issuer has complied, and will at the Closing be in compliance in all respects, with the terms of the Acts and the Issuer Documents as they pertain to such transactions;

delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the Issuer to be pledged to secure the Bonds or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Bond Order;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under, the Issuer Documents and the Bonds have been duly obtained or will be obtained prior to Closing, except for such approvals, consents and orders as may be required under the Blue Sky or securities laws of any jurisdiction in connection with the offering and sale of the Bonds;

(i) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(j) At the time of the Issuer's acceptance hereof and (unless the Official Statement is amended or supplemented pursuant to paragraph (d) of Section 4 of this Agreement) at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(k) If the Official Statement is supplemented or amended pursuant to paragraph (d) of Section 4 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including the date of Closing, the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading;

(l) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Bond Order and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds;

(m) The Issuer will furnish such information and, at the expense of the Underwriter, execute such instruments and take such action in cooperation with the Underwriter as the Underwriter may reasonably request (A) to (y) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Underwriter may designate and (z) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (B) to continue such qualifications in effect so long as required for the distribution of the Bonds (provided, however, that the Issuer will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriter immediately of receipt by the Issuer of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(n) The financial statements of, and other financial information regarding, the Issuer in the Official Statement fairly present the financial position, results of operations and condition of the Issuer as of the dates and for the periods therein set forth, and there has been no adverse change of a material nature in such financial position, results of operations or condition, financial or otherwise, of the Issuer since the dates of such statements and information;

(p) Prior to the Closing, the Issuer will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by any of the revenues or assets which will secure the Bonds without the prior approval of the Underwriter;

(q) Any certificate, signed by any official of the Issuer authorized to do so in connection with the transactions contemplated by this Agreement, shall be deemed a representation and warranty by the Issuer to the Underwriter as to the statements made therein; and

(r) The Issuer covenants that, between the date hereof and the date of the Closing, it will take no action which will cause the representations and warranties made in this Section to be untrue as of the date of the Closing.

By delivering the Official Statement to the Underwriter, the Issuer shall be deemed to have reaffirmed, with respect to the Official Statement, the representations, warranties and covenants set forth above with respect to the Preliminary Official Statement.

6. Closing.

requirements and satisfied all material conditions on its part to be performed or satisfied at or prior to the delivery of the Bonds;

(8) A certificate signed by the County Judge, acting on behalf of the Commissioners Court as the governing body of the Issuer, dated as of the date of the Closing, in form and substance satisfactory to Bond Counsel and counsel to the Underwriter (a) setting forth the facts, estimates and circumstances in existence on the date of the Closing, which establish that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended (the “Code”), and any applicable regulations (whether final, temporary or proposed), issued pursuant to the Code, and (b) certifying that to the best of the knowledge and belief of the Issuer there are no other facts, estimates or circumstances that would materially change the conclusions, representations and expectations contained in such certificate;

(9) Any other certificates and opinions required by the Bond Order for the issuance thereunder of the Bonds;

of the statements and information contained in the Official Statement and the due performance or satisfaction by the Issuer on or prior to the date of the Closing of all the respective agreements then to be performed and conditions then to be satisfied by the Issuer.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds contained in this Agreement, or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriter nor the Issuer shall be under any further obligation hereunder, except that the respective obligations of the Issuer and the Underwriter set forth in Sections 5 and 9 hereof shall continue in full force and effect.

8. Termination. The Underwriter shall have the right to cancel its obligation to purchase the Bonds if (as evidenced by a written notice to the Issuer terminating the obligation of the Underwriter to accept delivery of and pay for the Bonds) between the date of this Agreement and the Closing, the market price or marketability of the Bonds, or the ability of the Underwriter to enforce contracts for sale of the Bonds, shall be materially adversely affected, in the reasonable judgment of the Underwriter, by the occurrence of any of the following events:

(a) legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the State or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Bonds, or the interest on the Bonds as described in the Official Statement, or other action or events shall have transpired which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions described herein;

(b) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree or injunction issued by any court of competent jurisdiction to the effect that (i) obligations of the general character of the Bonds, including any or all underlying arrangements, or the Bond Order, as the case may be, are not exempt from registration under or other requirements of the Securities Act of 1933, as amended and as then in effect, the Securities Exchange Act of 1934, as amended and as then in effect, or the Trust Indenture Act of 1939, as amended and as then in effect;

(c) a stop order, ruling, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter shall have been issued or made or any other event occurs, the effect of

which is that the issuance, offering or sale of the Bonds, including any or all underlying arrangements, as described herein or by the Official Statement or otherwise, is or would be in violation of any provisions of the federal securities laws, including the Securities Exchange Act of 1934, as amended and as then in effect or the Trust Indenture Act of 1939, as amended and as then in effect;

(d) any state blue sky or securities commission or other governmental agency or body in which more than 15% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

(e) payment for and delivery of any of the Bonds is rendered impracticable or inadvisable because (i) there shall be in force a general suspension of trading in securities on the New York Stock Exchange; (ii) a general banking moratorium shall have been declared by federal, State of New York, or State officials authorized to do so, or a material disruption in commercial banking or securities settlement or clearance services shall have occurred; or (iii) there shall have occurred, since the date hereof, any outbreak or escalation of hostilities involving the United States (including, without limitation, an act of terrorism), declaration by the United States, of a national emergency or war or other calamity or crisis or any change in the financial or economic conditions in the United States the effect of which is to cause a material disruption in commercial banking or securities settlement or clearance services;

(f) the New York Stock Exchange or other national securities exchange or any governmental authority shall impose, as to the Bonds or as to obligations of the general character of the Bonds, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of, the Underwriter;

(g) any amendment to the federal or state Constitution or action by any federal or state court, legislative body, regulatory body or other authority materially adversely affecting the tax status of the Issuer, its property, income, securities (or interest thereon), or the validity or enforceability of the assessments or the levies of taxes to pay principal of and interest on the Bonds;

(h) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material respect any statement or information contained in the Official Statement, or has the effect that the Official Statement contains any untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading and, in either such event, the Issuer refuses to permit the Official Statement to be supplemented to supply such statement or information;

(i) there shall have occurred since the date of this Agreement any materially adverse change in the affairs or financial condition of the Issuer, except for changes which the Official Statement discloses are expected to occur;

(j) any fact or event shall exist or have existed that, in the Underwriter's reasonable judgment, requires or has required an amendment of or supplement to the Official Statement;

(k) there shall have occurred any downgrading or published negative credit watch or similar published information from a rating agency that at the date of this Agreement has published a rating (or has been asked to furnish a rating on the Bonds) on any of the Issuer's debt obligations that are secured in a like manner as the Bonds, which action reflects a negative change or possible negative change, in the ratings accorded any such obligations of the Issuer (including the ratings to be accorded the Bonds) or any rating on the Bond Insurer; or

(l) the purchase of and payment for the Bonds by the Underwriter, or the resale of the Bonds by the Underwriter, on the terms and conditions herein provided shall be prohibited by any applicable law, governmental authority, board, agency or commission; provided, however, that such prohibition occurs after the date of this Agreement and is not caused by the action, or failure to act, of the Underwriter.

With respect to the conditions described in subparagraphs (f) and (l) above, the Underwriter is not aware of any current, pending or proposed law or government inquiry or investigation as of the date of execution of this Agreement which would permit the Underwriter to invoke its termination rights hereunder.

9. Expenses.

(a) The Underwriter shall be under no obligation to pay, and the Issuer shall pay, any expenses incident to the performance of the Issuer's obligations hereunder, including, but not limited to (i) the cost of preparation and printing of the Bonds, (ii) the fees and disbursements of Bond Counsel and any other counsel to the Issuer; (iii) the fees and disbursements of any other engineers, accountants, and other experts, consultants or advisers retained by the Issuer; (iv) the fees for bond ratings and municipal bond insurance, if any; (v) the costs of preparing, printing and mailing the Preliminary Official Statement and the Official Statement; (vi) the fees and expenses of the Paying Agent/Registrar; (vii) advertising expenses (except any advertising expenses of the Underwriter as set forth below); (viii) the out-of-pocket, miscellaneous and closing expenses, including the cost of travel, of the officers and officials of the Issuer; (ix) the Attorney General's review fee; and (x) any other expenses mutually agreed to by the Issuer and the Underwriter to be reasonably considered expenses of the Issuer which are incident to the transactions contemplated hereby.

The MAC is a non-profit corporation whose purpose is to collect, maintain and distribute information relating to issuing entities of municipal securities.

15. Business Day. For purposes of this Agreement, "business day" means any day on which the New York Stock Exchange is open for trading.

16. Section Headings. Section headings have been inserted in this Agreement as a matter of convenience of reference only, and it is agreed that such section headings are not a part of this Agreement and will not be used in the interpretation of any provisions of this Agreement.

The Bank as Registrar will maintain the records of the Security Register in accordance with the Bank's general practices and procedures in effect from time to time. The Bank will not release or disclose the content of the Security Register to any person other than to, or at the written request of, an authorized officer, employee or agent of the Issuer, except upon receipt of a subpoena, court order, or as required by law. THE BANK**

The Bank may act on a facsimile or email transmission of the closing memorandum to be followed by an original of the closing memorandum signed by the financial advisor or the Issuer.

Section 5.02. Reliance on Documents, Etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank.

(b) The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it shall be proved that the Bank was negligent in ascertaining the pertinent facts.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties under this Agreement, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and will be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Securities but is protected in acting upon receipt of Securities containing an endorsement or instruction of transfer or power of transfer which appears on its face to be signed by the Holder or an agent of the Holder. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, note, security or other paper or document supplied by Issuer.

(e) The Bank may consult with counsel, and the written advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.

(f) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

Section 5.03. Recitals of Issuer.

Section 5.04. May Hold Securities.

The Bank, in its individual or any other capacity, may become the owner or pledgee of Securities and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05. Money Held by Bank.

The Bank shall deposit any moneys received from the Issuer into a segregated account to be held by the Bank solely for the benefit of the owners of the Securities to be used solely for the payment of the Securities, with such moneys in the account that exceed the deposit insurance available to the Issuer by the Federal Deposit Insurance Corporation, to be fully collateralized with securities or obligations that are eligible under the laws of the State of Texas to secure and be pledged as collateral for such accounts until the principal and interest on such securities have been presented for payment and paid to the owner thereof. Payments made from such account

shall be made by check drawn on such account unless the owner of such Securities shall, at its own expense and risk, request such other medium of payment.

Subject to the Unclaimed Property Law of the State of Texas, any money deposited with the Bank for the payment of the principal, premium (if any), or interest on any Security and remaining unclaimed for three years after the final maturity of the Security has become due and payable will be paid by the Bank to the Issuer if the Issuer so elects, and the Holder of such Security shall hereafter look only to the Issuer for payment thereof, and all liability of the Bank with respect to such monies shall thereupon cease. If the Issuer does not elect, the Bank is directed to report and dispose of the funds in compliance with Title Six of the Texas Property Code, as amended.

Section 5.06. Indemnification.

To the extent permitted by law, the Issuer agrees to indemnify the Bank for, and hold it harmless against, any loss, liability, or expense incurred without negligence or bad faith on the Bank's part, arising out of or in connection with the Bank's acceptance or administration of its duties hereunder, including the cost and expense incurred by the Bank in defending against any claim or from liability imposed on the Bank in connection with the Bank's exercise or performance of any of its powers or duties under this Agreement.

Section 5.07. Interpleader.

The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demands or controversy over its persons as well as funds on deposit, in either a Federal or State Court located in the State of Texas and County or Counties where either the Bank (Texas offices only) or the Issuer is located, waive personal service of any process, and agree that service of process by certified or registered mail, return receipt requested, to the address set forth in on page 12 and 13 of this Agreement will constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction in the State of Texas to determine the rights of any Person claiming interest in this Agreement.

Section 5.08. Depository Trust Company.

It is hereby represented and warranted that, in the event the Securities are otherwise qualified and accepted for "Depository Trust Company" services or equivalent depository trust services by other organizations, the Bank has the capability and, to the extent within its control, will comply with the "Operational Arrangements," effective August 1, 1987, which establishes requirements for securities to be eligible for such type depository trust services, including, but not limited to, requirements for the timeliness of payments and funds availability, transfer turnaround time, and notification of redemptions and calls.

Attached hereto is a copy of the Blanket Issuer Letter of Representations between the Issuer and The Depository Trust Company, New York, New York, providing for the Bonds to be issued in a Book-Entry Only System. The Bank and the Issuer hereby confirm their obligations under such Letter of Representation.
