

### SUPPLEMENTAL WORK AUTHORIZATION NO. 4 TO WORK AUTHORIZATION NO. 2

### WILLIAMSON COUNTY ROAD BOND PROJECT: North Mays Extension (Paloma Dr. to Oakmont Dr.)

This Supplemental Work Authorization No. 4 to Work Authorization No. 2 is made pursuant to the terms and conditions of the Williamson County Contract for Engineering Services, being dated January 26, 2015 ("Contract") and entered into by and between Williamson County, Texas, a political subdivision of the State of Texas, (the "County") and LJA Engineering, Inc. (the "Engineer").

WHEREAS, the County and the Engineer executed Work Authorization No. 2 dated effective May 5, 2016 (the "Work Authorization");

WHEREAS, pursuant to Article 14 of the Contract, amendments, changes and modifications to a fully executed Work Authorization shall be made in the form of a Supplemental Work Authorization; and

WHEREAS, it has become necessary to amend, change and modify the Work Authorization.

### AGREEMENT

NOW, THEREFORE, premises considered, the County and the Engineer agree that the Work Authorization shall be amended, changed and modified as follows:

- I. The Services to be Provided by the County that were set out in the original Attachment "A" of the Work Authorization are hereby amended, changed and modified as shown in the attached revised Attachment "A" (must be attached).
- II. The Services to be Provided by the Engineer that were set out in the original Attachment "B" of the Work Authorization are hereby amended, changed and modified as shown in the attached revised Attachment "B" (must be attached).
- III. The Work Authorization shall terminate on December 31, 2018. The Services to be Provided by the Engineer shall be fully completed on or before said date unless extended by an additional Supplemental Work Authorization. The revised Work Schedule is attached hereto as Attachment "C" (must be attached).
- IV. The maximum amount payable for this Work Authorization is increased from \$746,616.25 to \$832,693.00. The revised Fee Schedule is attached hereto as Attachment "D" (must be attached).

Except as otherwise amended by prior or future Supplemental Work Authorizations, all other terms of the Work Authorization are unchanged and will remain in full force and effect.

This Supplemental Work Authorization does not waive the parties' responsibilities and obligations provided under the Contract.

IN WITNESS WHEREOF, the County and the Engineer have executed this Supplemental Work Authorization, in duplicate, to be effective as of the date of the last party's execution below.

Attachment B – Services to be Provided by the Engineer

Attachment C - Work Schedule

Attachment D - Fee Schedule

of 2/2/12

### **ATTACHMENT A**

## SERVICES TO BE PROVIDED BY WILLIAMSON COUNTY North Mays (Arterial M)

- 1. Williamson County will provide a Project Manager, through their GEC, to serve as the primary point of contact for the consultant.
- 2. Williamson County or its GEC, will act as direct contact with City of Round Rock.
- 3. Williamson County shall provide all existing CADD files.
- 4. Williamson County will provide timely reviews in conjunction with the agreed upon schedule. It is our understanding that Round Rock will also provide reviews through Williamson County GEC.
- 5. Williamson County will provide right-of-way acquisition services for this project.
- 6. Williamson County will provide right-of-way relocation assistance if necessary.
- 7. Williamson County will provide utility coordination services for this project.
- 8. Williamson County will provide S.U.E. services for this project, if needed.
- 9. Williamson County will provide TDLR review and registration for this project.

### ATTACHMENT B - Services to be Provided by the Engineer

The Engineer will perform the following tasks listed below as a supplemental services to the original work authorization which generally include the design of a detention pond and construction phase services:

### TASK 1 - PROJECT MANAGEMENT AND COMMUNICATION PLAN

The Engineer will:

### ♦ Invoicing, Contract Document Coordination, Progress Reports

- Prepare monthly progress reports and send with invoice to County & GEC via email/ProjectWise.
- o Prepare monthly invoices for submission to the County for all requests for payment.

### ♦ Coordinate with the City of Round Rock, GEC, & GEC Utility Coordinator

 Coordinate with the GEC and assist in coordination with the City of Round Rock and GEC Utility Coordinator.

### Manage Sub Consultants

 Prepare Subcontracts and monitor budget, scope and schedule for subconsulant work. Ensure that deliverables are on time and communicate with subconsulants throughout the design.

### Meetings

o Attend Pond Design Draft Review Meeting

### TASK 2 – SURVEY SERVICES

The Engineer will:

### ♦ Set Control

o Recover, verify and utilize established control (previous work on project). The values will be relative to NAD 83 Texas State Plane Coordinates, Central Zone 4203 (scaled to surface values). Vertical Datum will be GPS Orthometric heights and projected through the length of the project.

### ♦ Collect Data

O Collect spot elevations and grade breaks. The data will include curbs, gutters, driveways, portions of parking areas, visible utilities, drainage features, trees (ornamentals and/or 8" and up dbh) and any improvement within the defined area. NOTE: reasonable attempts for measurement at silted drainage structures will be performed. Significant excavation of silt could result in seeking of additional fees for data acquisition.

### ♦ Process Data

 Generate a 1 foot contour level interval DTM file of the project area and merge with the existing file.

### TASK 3 -PLANS, SPECIFICATIONS, AND ESTIMATE (PS&E) DEVELOPMENT

### The Engineer will:

### Roadway Plans

- O Update drainage design and drainage plan sheets to incorporate pond design.
- o Update Cross Sections to reflect grading associated with the pond design.
- o Incorporate Pond Design Sheets into the overall plan set.

### Detention Pond Design

- o Prepare construction drawings and specifications for the reconfiguration of the detention pond in accordance with the latest City of Round Rock Design and Construction Standards and generally accepted engineering practices. Plans will not be developed as a stand-alone set but will be formatted to be included with the Client's plan package. Plans are anticipated to include the following general sections:
  - General Notes and Estimated Quantities
  - Existing Conditions
  - Demolition Plan
  - Site Plan
  - Grading Plan
  - Retaining Wall Layout
  - Standard Details
- o Analyze Client's roadway improvement plans and coordinate minor adjustments to the pond and/or roadway design, as necessary.
- o Prepare project quantities and a probable cost of construction for the pond reconfiguration.
- o Submit plans to Client for review. Modify plans based on comments received.
- O Submit Site Plan to City of Round Rock staff for review and modify plans based on comments received. The estimated submittal fee(s) is \$1,300 based on a project site size of 2.5 acres. This fee is included in the Fee Schedule as a direct expense. Any additional work or fee(s) required by the City of Round Rock and not explicitly described herein warrants a modification to this scope and fee.
- o The pond design has the following exclusions:
  - Modifications to the existing water quality pond, and resulting coordination with TCEQ
  - Parking lot design
  - Landscape or Irrigation design
  - Geologic Assessment

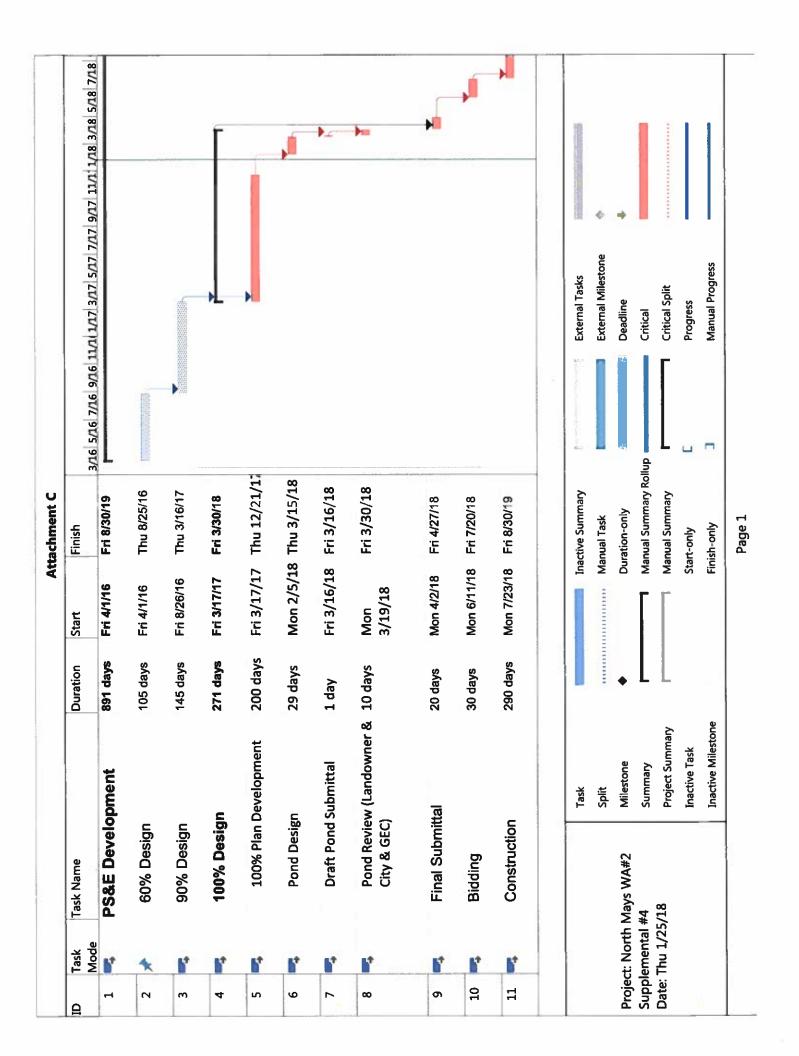

- Public Involvement (meetings with landowners, etc.)
- Work in any area outside of the Project Limits
- TDLR review & inspection (no pedestrian elements proposed)

### ♦ Utility Coordination

o Update design files with GEC Utility Coordinator and incorporate any additional utility information into plan sheets.

### QA/QC

- o Require these reviews: Detailed Check Review for all designs, Inter-discipline coordination review, detailed plan and construction reviews, and County oversight review.
- o PM will maintain documentation of the reviews and it will be made available to the County at their request. All submittals will include a red line set.
