Re: 2018 TCEQ MSW Annual Report for the Williamson County Landfill

Dear Judge Gattis:

As required by the Williamson County Landfill Operation Agreement (Agreement) signed March 3, 2009 between Williamson County and Waste Management of Texas, Inc. (WMTX), WMTX hereby submits the TCEQ Annual Report for the Williamson County landfill pursuant to section 4.4(a) of the Agreement.

The attached TCEQ Annual Report (exhibit 1) reflects the TCEQ fiscal year period from 9/1/2017 through 8/31/2018. During that time, the Williamson County landfill received 418,247 tons of waste for disposal and diverted 2,390 tons of brush.

During this same period, the Williamson County Recycling Center received 4,234 visitors who delivered 1,572,340 pounds of scrap metal, 10,760 pounds of plastic, 24,550 pounds of paper, 69,340 pounds of cardboard, 5,100 pounds of e-waste, 318 pounds of batteries, 1,568 gallons of used oil, and 721 gallons of paint.

In 2018, WMTX sponsored two Household Hazardous Waste (HHW) collection events for Williamson County residents. The events took place in Taylor and Cedar Park. A total of 74,723 pounds of HHW was collected along with 15,450 lbs. of electronics from over 1300 Williamson County residents who participated in the Household Hazardous Waste Events.
