# TERMS & CONDITIONS

## Limited Warranty.

**A. What is Covered.** For one (1) year after System Acceptance, Knight will repair or replace any defective part of the System without charge to Purchaser. Knight may use new or used parts of the same quality. Knight may keep all replaced components.

**B. How To Get Service.** Call or e-mail Knight at the e-mail address and telephone number at the top of this agreement and tell Knight what is wrong with the System. Knight will provide service as soon as possible during Knight's normal business hours which are 8:00AM to 5:00PM Monday through Friday, excluding holidays Knight observes. A responsible adult must be at the premises at the time Knight visits. Emergency repair service is available at other times for an additional charge. SecurePlan customers should follow the exclusive SecurePlan service request procedure.

**C. What Is Not Included.** Repair of the System is Knight's only duty. This warranty does not include disposable batteries. Knight makes no other express warranty including any warranty of merchantability of the System or its fitness for any special purpose. Knight does not warrant that the System cannot be defeated or compromised or that it will always operate. This warranty does not cover repairs that are needed because of an accident, acts of God, misuse or abuse of the System, Purchaser's failure to properly use the System, or any other reason except a defect in the equipment or Knight's installation. **Knight is not liable for consequential or incidental damages. Purchaser agrees that this is Knight's only warranty and that Knight has given Purchaser no other warranty for the System. All implied warranties are limited in duration to the one year term of this express warranty.** Repairs not covered by this warranty will be charged to Purchaser at Knight's standard rates for labor and materials and Purchaser agrees to pay the same.

**D. State Law.** Some states do not allow the exclusion or the limitation of consequential or incidental damages, or a limitation on the duration of implied warranties, so the above limitations or exclusions may not apply. The warranty gives you specific legal rights and you may also have other rights, which may vary from state to state.

**After Warranty Service.** If Purchaser has subscribed to SecurePlan, Knight will continue to service the System in accordance with the provisions of the SecurePlan program. If Purchaser has not subscribed to SecurePlan, then at the end of Knight's one (1) year limited warranty, Knight will continue to repair the System on a time and material basis. Purchaser will pay Knight's standard parts and labor charges for all repair calls. There will be a one (1) hour minimum visit charge for each repair call. See Knight's Limited Warranty on how to request repair service. Payment is due upon completion of the work.

**Regulatory Agencies.** Knight operates under the regulatory authority of the following State of Texas agencies: Department of Public Safety, Texas Private Security Board, P.O. Box 4087, Austin, Texas 78773-0001, 512/463-5545, License # B-3566; Texas Department of Insurance, Office of the State Fire Marshal; P.O.Box 149221, Austin, Texas 78714-9221, 512/463-6169, License # ACR-84110-647.

**Document Conflict.** It is understood and agreed by and between the parties hereto, that if there is any conflict in this agreement and any other document, this agreement will govern, whether such other document is prior, coincident or subsequent to this agreement.

**Taxes, Fees, Permits, Fines.** In addition to the charges set forth herein, Purchaser agrees to pay any and all false alarm assessments, taxes, fees or other charges relating to the System installation, System use or services provided under this agreement which are authorized or imposed by any governmental body or other organization to whose facilities the System is connected. In addition Purchaser agrees to have the System licensed, permitted, registered or the like when required by any governmental agency and to pay any and all required fees for same.

**Knight Not An Insurer And Limitation Of Liability.** Purchaser acknowledges that Knight has not represented or warranted that the System may not be compromised or circumvented, that the System will prevent any loss by burglary, theft, robbery, fire or otherwise or that the System will in all cases provide the detection for which it is installed or intended. Purchaser does further acknowledge that Purchaser assumes all risk for loss or damage to Purchaser's premises, property or contents and that Knight has made no representations or warranties, nor has the Purchaser relied on any representation or warranties, expressed or implied, including any warranty of merchantability or fitness for any particular use, except as set forth herein. Purchaser acknowledges that Knight is not an insurer and that insurance if any shall be obtained by the Purchaser and that the payments stipulated hereinbefore are based solely upon the value of the System and services herein described and are unrelated to the value of Purchaser's premises, property or contents. It is not the intention of the parties of this agreement that Knight assume responsibility for any loss occasioned by malfeasance or misfeasance in the performance of the System or services under this agreement or for any loss or damage sustained through burglary, theft, robbery, fire or other cause by virtue of this agreement or because of the relation herein established. Purchaser further agrees to not subrogate with any person or insurer against Knight. From the nature of the System to be installed and/or the services to be performed, it is impractical and extremely difficult to fix the actual damages, if any, which may proximately result from the failure of the System, installation, monitoring or other services or on the part of Knight to perform any of its obligations hereunder. If there shall, notwithstanding the provisions herein, at any time be or arise any liability on the part of Knight by virtue of this agreement or because of the relation hereby established, whether due to Knight's breach of this agreement, negligence of Knight, Knight's failure to perform any of its obligations hereunder, including installation, monitoring or service, or otherwise, such liability is and shall be limited to a sum equal in amount to the annual monitoring fee, five percent (5%) of the total sale and installation amount or five hundred dollars (\$500.00), whichever is the greater. This liability shall be complete and exclusive. Purchaser may obtain from Knight a higher limitation of liability for an additional periodic charge. If Purchaser elects this option, Knight will attach a rider to this agreement, which will set forth the amount of the higher limitation of liability and the amount of the additional charge. Agreeing to the higher limitation of liability does not mean that Knight is an insurer.

**Indemnification.** To the extent authorized under Texas law, Purchaser agrees to and shall indemnify and save Knight harmless, its employees and agents, for and against all third party claims, lawsuits and losses alleged to be caused by Knight's performance, negligent performance or failure to perform its obligations under this agreement except that this indemnity clause shall not extend to damage, loss, liability or injuries which occur while an employee or agent of Knight is on the premises of the Purchaser and which damage, loss, liability or injuries are solely and directly caused by the acts of said employee or agent.

**System Acceptance.** Purchaser agrees to inspect and provide written acceptance of the system installation within (30) days within of the notice of completion by Knight, or within 30 days of the commencement of beneficial use of the system or system elements provided, whichever is earlier. Errors or omissions in the installation of System, including but not limited to failure to install or wire detection devices, shall be called to the attention of Knight by Purchaser in writing within thirty (30) days of final billing of installation charges stipulated in paragraph 2.A of this agreement. Upon the expiration of the said thirty (30) day period, the installation and the System provided shall be deemed complete and acceptable to Purchaser.

Client Initials: \_\_\_\_\_

**Increase Of Monitoring/Service Fees.** Notwithstanding the terms and conditions set forth herein, after the term for monitoring service, Knight may at any time, increase the monthly System monitoring fee and/or service fee upon giving the Purchaser notice in writing. In the event Purchaser is unwilling to pay the increased fee(s), Purchaser may terminate the System monitoring and/or System service upon giving notice in writing to Knight within thirty (30) days from receipt of Knight's notice, provided Purchaser shall not be in default of any provisions, terms or conditions of this agreement. Failure to notify Knight within said thirty (30) days will constitute Purchaser's consent to the increased fee(s) and all other provisions, terms and conditions of this agreement shall remain in full force and effect.

**System Use And Testing.** To obtain proper results from the operation of the System, Purchaser agrees to perform weekly tests and inspections of the entire System and to notify Knight as soon as practical to have System repaired if a failure is detected with the System. Purchaser will instruct all other persons who may use the System on its proper use. If the System includes interior detection (e.g., motion detectors, glass break detectors, smoke detectors, heat detectors or other such detectors), Purchaser agrees to turn off, control or remove all things such as air conditioning systems, insect fogging products and pets that might interfere with such devices.

**False Alarm & Warranty Service Calls.** In the event Purchaser or any user of the System shall cause an excessive number of false alarms or service calls through carelessness, the malicious or accidental use of the System or in the event Purchaser shall in any manner misuse or abuse the System, it shall constitute a material breach of contract on the part of Purchaser and Knight may, at its option, in addition to other legal remedies, be excused from further performance upon the giving of ten (10) days notice to Purchaser. Knight's excuse from performance shall not affect Knight's right to recover damages from Purchaser. In the event a fine, penalty, fee or the like is assessed against Knight by any governmental or municipality agency as a result of any false alarm or misuse of Purchaser's System, Purchaser agrees to forthwith reimburse Knight upon Knight giving notice to Purchaser.

**Telephone Line.** Purchaser understands that all System monitoring signals are transmitted over regular telephone lines, which are wholly beyond the control and jurisdiction of Knight. Purchaser will pay for all telephone company charges. Knight requires the use of a RJ31X or equivalent telephone jack to give the System priority over telephones on Purchaser's premises; however, when the System is activated, other calls (such as calls to the 911 emergency operator) cannot be made, and therefore, Purchaser may wish to have the System connected to a second telephone line. If Purchaser's telephone service is out of order, placed on vacation status or otherwise not working, signals cannot be transmitted and Knight will not know of the telephone service problem or outage. Purchaser acknowledges that Knight has advised Purchaser of the availability of wireless radio transmission of System monitoring signals in the event of telephone service interruption.

**Additional Detection Equipment.** Purchaser acknowledges that additional fire, intrusion, robbery or supervisory detection devices are available at additional cost.

**Installation Or Service Of System.** Purchaser authorizes Knight to install and/or service or cause to be installed and/or serviced, the devices specified in the schedule of devices including instruments, appliances and all necessary connections, wires, conduits and other materials associated herewith. Knight may, at its sole discretion, subcontract all or part of the installation or service of the System. Purchaser will make premises available during Knight's normal working hours of 8:00 A.M. through 5:00 P.M., Monday through Friday exclusive of Knight's scheduled holidays unless an alternative time has been arranged and agreed to by both Knight and Purchaser. Purchaser has the affirmative duty to inform Knight, prior to beginning of installation, of every location at the premises where Knight should not (because of concealed obstructions or hazards such as pipes, wires or asbestos) enter or drill holes. If asbestos or other health hazardous material is encountered during installation, Knight will cease work until Purchaser has, at Purchaser's sole expense, obtained clearance from a licensed asbestos removal or hazardous material contractor that continuation of work will not pose any danger to Knight's personnel. In no case shall Knight be liable for discovery or exposure of hidden asbestos or other hazardous material, and Purchaser shall indemnify and hold Knight and its employees harmless from any claims brought against Knight and/or its employees by third parties for damages, personal injury, death, emotional injury, whether actual or prospective allegedly caused by the presence, spread, ingestion or inhalation of any substance/vapor on or originating from Purchaser's premises. Purchaser understands that the installation will necessitate drilling into various parts of the premises. Knight generally intends to conceal wiring in the finished areas of the premises; however, in areas which, due to construction, decoration, or furnishing of the premises, Knight determines, in its sole discretion, that it would be impractical to conceal the wiring, in such cases wire will be exposed. To facilitate the installation and operation of the System, Purchaser will repair any broken or loose doors, windows or other parts of the premises as Knight may reasonably request. Purchaser agrees to provide 110 volt AC electrical outlets (dedicated circuits when required) at the designated locations for devices requiring such power.

**Delay/Interruption Of Installation, Monitoring Or Service.** Purchaser hereby agrees that Knight assumes no liability for delays or interruption in installation, monitoring or service of System whether due to heavy workload, labor disputes of any nature, strikes, riots, storms, natural disasters, fires, power failures, insurrection, interruption of or unavailability of telephone service, or any other cause beyond the control of Knight and will not be required to furnish installation, monitoring or service while any such cause shall continue.

**Default Or Termination.** If Purchaser fails to pay any amounts agreed herein or provided for herein within ten (10) days after the same is due and payable or if Purchaser fails to observe, keep or perform any other provision, term or condition of this agreement, Purchaser hereby agrees that Knight shall have the right to exercise any of the following remedies: (a) to declare the entire amount of moneys due hereunder, immediately due and payable upon notice or demand to Purchaser; (b) to initiate any legal proceedings and recover all moneys due hereunder, accrued and thereafter accruing, including without limitation, reasonable attorney's fees; (c) to enter Purchaser's premises and take possession of any and all devices of System not paid for, without any court order or other process of law, and any said taking of possession shall not constitute a termination of this agreement unless Knight expressly so notifies Purchaser in writing; (d) to terminate this agreement; (e) to pursue any other remedy at law or in equity. Notwithstanding any said removal or any other action which Knight may take, Purchaser shall be and remain liable for the full performance of all provisions, terms and conditions on the part of Purchaser under this agreement. All such remedies are cumulative and may be exercised concurrently or separately. Purchaser shall be liable for all expenses Knight may incur in connection with the enforcement of any of its remedies herein, including without limitation, reasonable attorney's fees and any amounts established by state or federal statute or regulation. If Knight elects to exercise any or all of the above provisions, it shall not be considered to constitute a breach by Knight of this agreement or waiver of Knight's rights to which it may be entitled under the law. Purchaser further agrees that Knight shall not be liable for any damage caused to the Purchaser's premises by the removal of System or devices.

**Title Of System.** Knight retains title to the System and all components and devices until such time as Purchaser shall pay for said System in full.

**Pre-Existing Equipment And Devices.** Knight assumes no liability and gives no warranty, limited or otherwise, for equipment, devices, wiring, services or the like not installed or provided by Knight pursuant to this agreement.

**Authorized Users And Emergency Contact List.** Purchaser agrees to furnish to Knight forthwith a written list of names, necessary telephone numbers and verbal passcodes of all System users and emergency contact persons authorized to enter the Purchaser's premises. In addition Purchaser shall notify Knight in writing of all changes, revisions and modifications of the above stated users and emergency contact persons or changes to the Purchaser's premises address, telephone, or the like.

Monitoring Service. If Purchaser has subscribed to monitoring service, Knight, upon receipt of a signal from the System shall, without warranty and when permissible by law, make a reasonable effort to do the following: (a) Upon receipt of an intrusion alarm signal, call the Purchaser's premises to verify an authorized user. If unable to verify an authorized user at the Purchaser's premises, notify the Public Police Department of the respective jurisdiction of the Purchaser's premises and notify the emergency contact person by calling the emergency contact person's telephone number. (b) Upon receipt of a holdup, duress or panic alarm signal, notify the Public Police Department of the respective jurisdiction of the Purchaser's premises and notify the emergency contact person by calling the emergency contact person's telephone number. (c) Upon receipt of a fire alarm signal, notify the Public Fire Department of the respective jurisdiction of the Purchaser's premises, notify the Purchaser's premises and if unable to notify Purchaser, notify the emergency contact person by calling the emergency contact person's telephone number. (d) Upon receipt of a System supervisory, trouble or failed System test signal or the like, call the Purchaser's premises during Knight's normal business hours to notify Purchaser and if unable to notify Purchaser, notify the emergency contact person by calling the emergency contact person's telephone number. The above listed procedures may be altered by Purchaser, when allowed by law, only upon Purchaser's written request of Knight. Monitoring may be provided by Knight or an independent monitoring facility selected by Knight.

Late/Interest Fees & Attorney's Fees. Purchaser shall pay late fees and interest in amounts allowable by Texas law for all moneys not paid to Knight when due and payable. Additionally, in the event it shall become necessary for Knight to institute legal proceedings to collect any amount due Knight under this agreement, Purchaser shall pay Knight reasonable attorney's fees when permitted by law. Both Knight and Purchaser agree that no demand for arbitration, lawsuit or any other legal proceeding connected with this agreement shall be brought or filed more than one year after the incident giving rise to the claim occurred. In addition any such legal proceeding shall not be heard before a jury. Each party gives up any right to a jury trial.

Assignees And Subcontractors. Knight may transfer or assign this agreement to any other entity including an alarm company or lender. Purchaser may not transfer this agreement to someone else (including someone who purchases or rents Purchaser's premises) unless Knight approves the transfer in writing. Knight may use subcontractors to provide installation, repair or monitoring services, and this agreement, shall apply to the work or services they provide, and shall apply to them and protect them in the same manner as it applies to and protects Knight.

IN WITNESS WHEREOF, Williamson County and Knight Security Systems have duly executed this Agreement to be effective as of the date of the last party's execution below.
